Dunster killing him Ellinor and a family servant named Dixon help Edward to bury the body in their flower garden Ellinor soon tells Ralph that a possible disgrace hangs over her Ralph questions Edward about this and Edward insults him in a drunken tirade Ralph dissolves his engagement to Ellinor because of this and because he regrets forming an engagement to someone who offers no opportunity of helping him advance in society He later marries into the nobility and becomes a judge Edward drinks himself to death and Ellinor moves to a distant town East Chester after the Wilkins s home Ford Bank is rented out in order to provide Ellinor with a living Dixon remains as a servant to watch over the home and property where the body is buried The secret goes unknown for about 15 years until the body is dug up during the construction of a railroad Dixon is arrested for the murder and later convicted by Ralph who acts as the judge in the case Ellinor then tells Ralph the truth and Dixon is pardoned She returns to East Chester and marries a local clergyman Canon Livingstone who she had known in her youth and has two children with him wikipedia org , *Night's Sorceries* Tanith Lee,2025-09-09 A recognized master fantasist Tanith Lee has won multiple awards for her craft including the British Fantasy Award the World Fantasy Award for Life Achievement and the Bram Stoker Award for Lifetime Achievement in Horror The final entry in Tanith Lee s classic fantasy series *Tales from the Flat Earth* *Night s Sorceries* forms a breathtaking conclusion to a dark and intricate epic of demons gods and mortals Azhriaz daughter of Azhrarn Demon Lord of the Night has defied her father s wishes Taking on the mantle of Delirium s Mistress she escapes her island prison in the Underearth where she would have spent her life in eternal slumber With Prince Chuz her lover and the sworn enemy of Azhrarn she flees to the mortal realm of the Flat Earth to escape her father s wrath But Azhrarn will not be so easily deterred and the lovers journey has not left the world untouched In the wake of their flight bizarre new enchantments emerge exposing a world of chaos and mystery The mortals of the Flat Earth are inextricably entwined in circumstances beyond their understanding caught in the midst of grand conflicts of ambition and betrayal *Night s Sorceries* spins seven of these tales of wonder of humans confronted with the supernatural Trials of true love tests of humility and fortitude and startling transformations weave together in these lush stories of passion revelation and the human soul **Just Work** G.
