Psychological Study Of Adolf Hitler:

A Psychological Analysis of Adolf Hitler Walter Langer, 2012-11-27 Reproduces the secret report on Hitler's psychological state written by Langer in 1943 for the U S Office of Strategic Services with the collaboration of Henry A Murr Ernst Kris and Bertram D Lewin with the title A psychological analysis of Adolph Hitler It was based on sources compiled by Langer in a companion volume The Hitler source book The spelling of Hitler's first name has been changed to Adolf and most German words phrases and quotes have been translated into English *A Psychological Analysis of Adolf Hitler* Walter Charles Langer, 2020-07-29 A Psychological Analysis of Adolph Hitler His Life and Legend 1943 is a psychoanalytical report of Hitler prepared for the Office of Strategic Services OSS predecessor to the CIA by American psychologist Walter C Langer in collaboration with three other psychologists Professor Henry A Murray Dr Ernst Kris and Dr Bertram D Lewin In writing this analysis Langer and his colleagues interviewed people who knew Hitler personally and drew upon over 1000 pages of research from a document known as The Hitler Source Book The report made several accurate predictions about Hitler's future such as an assassination attempt on him by the German aristocracy and his suicide in the event of defeat This psychological profile of Hitler was the forerunner of the field of profiling foreign political leaders by the CIA including Soviet Premier Nikita Khrushchev Chinese leaders Mao Zedong and Deng Xiaoping and Cuban leader Fidel Castro also available from Cosimo Reports

A Psychological Study of Adolf Hitler David M. Moriarty, 1993 Focuses on Hitler's mental processes as evident in his writings and on descriptions given by people who saw and knew him It is evident that the things that were not in place to stop the rise of Hitler are not in place today and that an individual who becomes a leader of one country affects much more than just that country A Psychological Analysis of Adolf Hitler Walter Charles Langer, 2012 Reproduces the secret report on Hitler's psychological state written by Langer in 1943 for the U S Office of Strategic Services with the collaboration of Henry A Murr Ernst Kris and Bertram D Lewin with the title A psychological analysis of Adolph Hitler It was based on sources compiled by Langer in a companion volume The Hitler source book The spelling of Hitler's first name has been changed to Adolf and most German words phrases and quotes have been translated into English

Hitler: The Psychiatric Files Nigel Cawthorne, 2016-11-15 How did a former Austrian corporal in the Bavarian army with no apparent gift for leadership or strategy become the leader of one of the most civilized countries in Europe and turn it into a nightmare state This is an accessible concise and penetrating analysis of Adolf Hitler the most enigmatic figure of the 20th century Drawing on sound psychological principles used to draw up documents of the time Hitler the Psychiatric Files presents revealing insights into one of the world's most murderous dictators Hitler and the Rise of the Nazi Party Frank McDonough, 2014-06-11 Now fully revised and reformatted Hitler and the Rise of the Nazi Party is an indispensable guide to the history of the Nazi party between its initial electoral breakthrough in 1930 and its victory in 1933 Arguing that the Nazis owed their success as much to Hitler's charismatic leadership and their own effective propaganda and organisation as to the

weakness of the Weimar regime Frank McDonough provides an original perspective on the subject as well as a concise readable introduction to key events and debates This new edition includes A new introduction on the broad context of Weimar Germany Two new chapters on the reasons for the Nazi breakthrough in 1930 and on the crucial 1930 1933 period New clearer student friendly format Supported by an expanded documents section and fully revised bibliography a chronology of key events and a who's who of leading figures Hitler and the Rise of the Nazi Party will provide an invaluable introduction for any student of this fascinating period

Hitler and Churchill Andrew Roberts, 2010-12-16 His book is timely and a triumph Roberts manages to convey all the reader needs to know about two men to whom battalions of biographies have been devoted EVENING STANDARD Adolf Hitler and Winston Churchill were two totally opposite leaders both in what they stood for and in the way in which they seemed to lead Award winning historian Andrew Roberts examines their different styles of leadership and draws parallels with rulers from other eras He also looks at the way Hitler and Churchill estimated each other as leaders and how it affected the outcome of the war In a world that is as dependent on leadership as any earlier age HITLER AND CHURCHILL asks searching questions about our need to be led In doing so Andrew Roberts forces us to re-examine the way that we look at those who take decisions for us

How British Intelligence Plotted to Read Hitler's Mind James Parris, 2021-06-01 In the darkest days of the Second World War as Europe fell under Nazi domination and Britain faced invasion Louis de Wohl a 36 year old refugee from Germany made a curious offer to British Intelligence Based on the widely held belief that Hitler's every action was guided by his horoscope de Wohl claimed he could reveal precisely what advice the Führer's astrologers were giving him Rather than dismissing de Wohl out of hand as a crank senior intelligence officers and chiefs of staff of the three armed services took him at his word De Wohl was made an army captain and quartered in the Grosvenor House Hotel from where his one man Psychological Research Bureau passed astrological readings and assessments to the War Office before his deployment to the United States by the highly secret Special Operations Executive on a propaganda mission Was it possible that Military and Naval intelligence officers could take the ancient and arcane practice of astrology seriously Was de Wohl genuine or merely a

charlatan Did his astrological readings contribute to the downfall of Hitler and Nazi Germany In *How British Intelligence Plotted to Read Hitler's Mind* the first fulllength study of Louis de Wohl James Parris examines the evidence including material from MI5 Military and Naval Intelligence files at the National Archives and reaches remarkable conclusions about this bizarre aspect of the Second World War **Hitler's Millennial Reich** David Redles,2005-10 After World War I German citizens sought not merely relief from the political economic social and cultural upheaval which wracked Weimar Germany they sought salvation argues David Redles who believes that millenarian sentiment was central to the rise of Nazism The Columbia Guide to the Holocaust Donald L. Niewyk,Francis R. Nicosia,2012-07-24 Offering a multidimensional approach to one of the most important episodes of the twentieth century The Columbia Guide to the Holocaust offers readers and researchers a general history of the Holocaust while delving into the core issues and debates in the study of the Holocaust today Each of the book's five distinct parts stands on its own as valuable research aids together they constitute an integrated whole Part I provides a narrative overview of the Holocaust placing it within the larger context of Nazi Germany and World War II Part II examines eight critical issues or controversies in the study of the Holocaust including the following questions Were the Jews the sole targets of Nazi genocide or must other groups such as homosexuals the handicapped Gypsies and political dissenters also be included What are the historical roots of the Holocaust How and why did the Final Solution come about Why did bystanders extend or withhold aid Part III consists of a concise chronology of major events and developments that took place surrounding the Holocaust including the armistice ending World War I the opening of the first major concentration camp at Dachau Germany's invasion of Poland the failed assassination attempt against Hitler and the formation of Israel Part IV contains short descriptive articles on more than two hundred key people places terms and institutions central to a thorough understanding of the Holocaust Entries include Adolf Eichmann Anne Frank the Warsaw Ghetto Aryanization the SS Kristallnacht and the Catholic Church Part V presents an annotated guide to the best print video electronic and institutional resources in English for further study Armed with the tools contained in this volume students or researchers investigating this vast and complicated topic will gain an informed understanding of one of the greatest tragedies in world history *Young Hitler* Paul Ham,2018-06-05 When Adolf Hitler went to war in 1914 he was just twenty five years old It was a time he would later call the most stupendous experience of my life That war ended with Hitler in a hospital bed temporarily blinded by mustard gas The world he eventually opened his newly healed eyes to was new and it was terrible Germany had been defeated the Kaiser had fled and the army had been resolutely humbled By peeling back the layers of Hitler's childhood his war record and his early political career Paul Ham seeks the man behind the myth More broadly Ham asks the question Was Hitler's rise to power an extreme example of a recurring type of demagogue a politician who will do and say anything to seize power who thrives on chaos and who personifies in his words and in his actions the darkest prejudices of humankind **Hitler, Stalin, and Mussolini** Bruce F. Pauley,2014-09-15 The fourth edition of Hitler

Stalin and Mussolini Totalitarianism in the Twentieth Century presents an innovative comparison of the origins development and demise of the three forms of totalitarianism that emerged in twentieth century Europe Represents the only book that systematically compares all three infamous dictators of the twentieth century Provides the latest scholarship on the wartime goals of Hitler and Stalin as well as new information on the disintegration of the Soviet empire Compares the early lives of Hitler Stalin and Mussolini their ideologies rise to and consolidation of power and the organization and workings of their dictatorships Features topics organized by themes rather than strictly chronologically Includes a wealth of visual material to support the text as well as a thorough Bibliographical Essay compiled by the author

Psychiatrists' Analysis of Politicians' Mental Health Keith Rasmussen, 2025-07-16 This book discusses the validity ethics and usefulness of professional public commentary of politician s mental health and provides an alternative model for professionals to do so in an ethical manner Rendering public opinions about politician s mental health particularly when the professional has not conducted a first hand assessment of the individual can be problematic and unethical This book reviews the legitimate methods of psychiatric and psychological evaluations abuses of psychiatry and ethical perspectives on publicly voicing opinions regarding public figures and proposes an alternative assumption model for mental health professionals to render a public opinion It is a great resource for practicing psychologists and psychiatrists to reflect on their own processes when examining the mental health of politicians Students and trainees in the mental health sector will come away from this book with a better understanding of the ethical concerns inherent in commenting publicly on public officials mental health and they ll find valuable guidance on how to do so in an ethical way

Hitler's Enforcers George C. Browder, 1996 Beginning in the Weimar Republic Browder s work carefully reconstructs the lives of the men from the homicide detective to the diverse recruits of the SS Security Service who participated in the birth of the Nazi police state and gives a vivid account of the origins of Nazi atrocities and the logic that legitimated them

government systems appealing to different societies and the impact of early childhood development on political beliefs among others Topics explored by political psychologists are of great interest in fields beyond either psychology or political science with implications for instance within business and management This title will be available online on SAGE Knowledge the ultimate social sciences library A Psychoanalytic Study of Political Leadership in the United States and Russia Karyne E. Messina, 2024-05-20 A Psychoanalytic Study of Political Leadership in the United States and Russia Searching for Truth provides psychoanalytic insight into the motives of this complex and contradictory figure The contributors from different professional and academic backgrounds use a range of methods including quantitative research and literary analysis to shed light on Putin s background outlook and current actions Reflecting a range of perspectives on how Putin s background may have informed his beliefs and his actions particularly with respect to the invasion of Ukraine the book brings together diverse viewpoints A Psychoanalytic Study of Political Leadership in the United States and Russia will be of great interest to psychoanalysts and to readers seeking to understand the complex dynamics of populist leadership The Leader: Psychohistorical Essays Charles B. Strozier, Daniel Offer, 2013-11-11 PETER GAY The syllabus of errors rehearsing the offenses of psychohistory looks devastating and seems irrefutable crimes against the English language crimes against scientific procedures crimes against common sense itself These objects are real enough but their contours and their gravity mysteriously change with the perspective of the critic From the outside psychohistorians are to academic history what psychoanalysts are to academic psychology a monolithic band of fanatics making the same errors committing the same offenses aH in the same way But seen close up psychohistorians just like psychoanalysts turn out to be a highly differentiated even a cheerful contentious lot Disciples of Hartmann jostle discoverers of Kohut imperialists claiming the whole domain of the past debate with modest isolationists orthodox Freudians who insist that psychoanalysis engrosses the arsenal of psychohistorical method find themselves beleaguered by sociological revisionists The charges that confound some psychohistorians glance off the armor of others Yet there are three potent objections aimed at the heart of psychohistory however it is conceived that the psychohistorian ignores at his peril It would be a convenient but it is a wholly unacceptable defense to dismiss them as forms of resistance The days are gone when the advocates of psychoanalysis could checkmate reasoned criticisms by psychoanalyzing the critic To summarize these objections psychohistory is Utopian vulgar ix x FOREWORD and trivial
