HOW TO GET SOBER

.....
A desirable recovery regimen is like a triangle with three points. It will address the following needs, which are invaluable to healthy, happy sobriety.
.....

A SOBER NETWORK

People who **share your struggles** will be able to relate to you in a way no one else can. A lack of empathetic, genuine friendship can lead to loneliness and isolation, which is a threat to sustainable sobriety. Mentorship - or sponsorship as it's called in some programs - is also a useful tool in sobriety. If you want to learn, the best way to gain a new skill is by **following the example** of someone who has already done it.

A COMMITMENT TO SELF -GROWTH

An **inventory process** entails writing about the past and mining that information for patterns of behavior. Substance misuse is a maladaptive coping skill. By examining the past, you are able to get to the root of the pain driving your drinking. Ask a **therapist** or a **sponsor** to guide you.

A SENSE OF PURPOSE

In sobriety, the mind can become a dangerous neighborhood. Spending too much time overthinking can lead to anxiety, depression, and, ultimately, relapse. The best way to get out of your head is to **engage in an activity** you're passionate about or to **help someone else** who is struggling.

.....
Although it's beneficial to educate yourself about the markers of a desirable recovery regimen, it's even more essential to remember that **action is the only foolproof way to get sober**. Sobriety doesn't occur through osmosis. A recovery program can provide a roadmap, but only **you** can step into the sunshine and embrace the open road.

The Circle Of Life - The Process of Recovery Kj Nivin, *ASAP Recovery* Chuck Chapman, 2024-10-28 The Bible says freedom is the birthright of every child of God who has been born again into His Kingdom Therefore whether you are here for sin addiction loss brokenness burnout needing a fresh move of God in your life or to find healing for the pains of the past or for your damaged emotions the Word of God promises that this freedom is available to all of His children And yet how many people do you know who are truly walking in this promised freedom ASAP Recovery Building on the Right Foundation addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way All of the Bible is Inspired or written by God 2 Timothy 3 16 17 All of the Bible is Inerrant or without errors Psalm 18 30 All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will Isaiah 55 11 The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is If you don't believe the first claim that God wrote the Book then you will never believe the second claim that it is without errors And if you never believe this second claim then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible By the end of this book you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach thus establishing it as the only foundation to build our life and recovery on Furthermore you will also find that no matter who you are where you've been what you've done or how far gone you may be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart's desire freedom
