Brian D. Taylor

Russian Civil Military Relations:

Russian civil-military relations , Russian Civil-military Relations Dale Roy Herspring, 1997 **Civil-Military Relations in Medvedev's Russia** Stephen J Blank, 2025-05-22 The best recent scholarship on Russian civil military relations explicitly addresses this issue s importance for both domestic and external security An inquiry into the present state of those relations under conditions of defense reform and the current international situation is of immense analytical and policy relevance for both domestic and external security in Russia While the Russian regime is serious about military reform it is encountering severe objections from the uniformed military and the military has successfully persuaded the government to accept its expansive concept of the threats to Russia i e its threat assessment Therefore we must closely follow those developments to understand more clearly current tendencies in Russian politics and policy as a whole Specifically this chapter examines issues pertaining to civil military relations in several areas of Russian national security policies that suggest some disturbing trends for the future This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Russian Civil-Military Relations** Dale R. Herspring, 1996-12-22 From the author of Rumsfeld s Wars an important addition to the bookshelf of any analyst of post Soviet security affairs Slavic Review Dale Herspring analyzes three key periods of change in civil military relations in the Soviet Union and postcommunist Russia the Bolshevik construction of the communist Red Army in the 1920s the era of perestroika when Mikhail Gorbachev attempted to implement a more benign military doctrine and force posture and the Yeltsin era when a new civilian and military leadership set out to restructure civil military relations The book concludes with a timely discussion of the relationship of the military to the current political struggle in Russia The history is both fascinating and timely European Security When military reform returns to its deservedly prominent place in the Russian political agenda Herspring s book will offer invaluable guidance Mark von Hagen American military historian **Russian Civil-military Relations** Robert Burl Brannon, 2009 Deriving in part from its Soviet past Russia s military doctrine represents more than just a road map of how to fight the nation s wars it also specifies threats to national interests in this case the United States NATO and international terrorism Against this

background Robert Brannon demonstrates that the military's influence may reveal as much about politics as it does the military

Civil-Military Relations in Medvedev's Russia Strategic Institute, 2011-03-22 On January 25-26 2010 the Strategic Studies Institute SSI organized a conference entitled Contemporary Issues in International Security This was the second in what is hoped will be annual conference bringing together U.S. European and Russian scholars and experts to discuss such issues in an open forum The panel presented here was devoted to civil-military relations in Russia This is as the papers included here show a critical topic in understanding the domestic and foreign policy trajectories of the Russian state The papers provided here do not deny that civilian control exists But they both show how highly undemocratic and even dangerous is the absence of those democratic controls over the military and the police forces in Russia which taken together comprise multiple militaries These papers present differing U.S. and European assessments of the problems connected with civilian and democratic controls over the possessors of force in the Russian state and should stimulate further reflection upon these issues and those related to them

Civil-military Relations in Medvedev's Russia Stephen Blank, 2011 Civil-military relations is a critical topic in understanding the domestic and foreign policy trajectories of the Russian state The papers here do not deny that civilian control exists But they both highlight how highly undemocratic and even dangerous is the absence of those democratic controls over the military and the police forces in Russia which taken together comprise multiple militaries These papers present differing U.S. and European assessments of the problems connected with civilian and democratic controls over the possessors of force in the Russian state

Civil-Military Relations in Russia and Eastern Europe David Betz, 2004-07-31 This book examines how civil-military relations have been transformed in Russia Poland Hungary and Ukraine since the collapse of the Soviet Union and the Warsaw Pact in 1991 It shows how these countries have worked to reform their obsolete armed forces and bring them into line with the new economic and strategic realities of the post-Cold War world with new bureaucratic structures in which civilians play the key policy-making roles and with strengthened democratic political institutions which have the right to oversee the armed forces

Russian civil-military relations and the origins of the second Chechen war Szászdi, Lajos F., 2008-08-29 This book has relevance for those interested in understanding Russia's course in international relations under the leadership of Vladimir Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo-Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin's origins in the KGB from the previous posts of Secretary of the Security Council and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high-ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil-military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian

government The author returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invaded Chechnya for a second time in a decade Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined This book will help the reader understand Russia s current and future distribution of power in the Caucasus the Balkans and the world at large Moscow s search for a multipolar world and its opposition to U S hegemony Politics and the Russian Army Brian D.

Taylor,2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate Russian Civil-Military Relations Robert Brannon,2016-04-08 Putin s style of leadership has transitioned into another era but there is much still inherited from the past In the often anarchic environment of the 1990s the nascent Russian Federation experienced misunderstandings and mis steps in civil military relations Under Boris Yeltsin it has been questioned whether the military obeyed orders from civilian authorities or merely gave lip service to those it served to protect while implementing its own policies and courses of action Robert Brannon sets forth the circumstances under which the military instrument of Russia s power and influence could be called upon to exert force Deriving in part from its Soviet past the author examines how Russia s military doctrine represents more than just a road map of how to fight the nation s wars it also specifies threats to national interests in this case the United States NATO and international terrorism Against this background of politics and power the military s influence may reveal as much about politics as it does the military

Pending Crisis in Russian Civil Military Relations ,1997 A key issue in the study of civil military relations has been how to create a military sufficiently strong to ensure security from external threats while simultaneously preventing the military from using its preponderance of power in the domestic arena This dilemma arises from the fear engendered by a large armed force created to combat foreign threats but which is also inherently a threat to the society that created it In Russia however the question is not how the civilian leadership can keep the military out of politics but how the military can keep the leadership from politicizing the armed forces The Russian military has no interest in resolving Russia s domestic political problems It is a professional military that prefers to leave politics to the politicians and to carry out its mission of defending the nation against external attack But the lack of responsible central leadership and the poor state of the economy are

driving the military toward involvement in domestic politics if for no other reason than to ensure its own survival

Russian Civil-military Relations in the Post-Soviet Era Frederick Seiger Seiger, 1996 **Civil-Military Relations and Democracy** Larry Diamond, Marc F. Plattner, 1996-10-17 Based on a conference held in Washington DC 13 14 Mar 1995

The Kremlin and the High Command Dale R. Herspring, 2006-10-11 Throughout its existence the Red Army was viewed as a formidable threat By the end of the Cold War however it had become the weakest link in the Soviet Union's power structure Always subordinate to the Communist Party the military in 1991 suddenly found itself answering instead to the president of a democratic state Dale Herspring closely examines how that relationship influenced the military's viability in the new Russian Federation Herspring's book is the first to assess the relationship between the Russian military and the political leadership under Presidents Mikhail Gorbachev Boris Yeltsin and Vladimir Putin He depicts an outmoded and demoralized military force still struggling to free itself from Cold War paradigms while failing to confront not only debacles in Afghanistan and Chechnya but also a rise in crime and corruption within the ranks He reveals how Gorbachev neglected the military to save Russia from internal collapse and Yeltsin reneged on continuing promises of support And while Putin claims a better understanding of the armed forces he has severely tightened his control over the military while monitoring its struggle toward modernization Herspring argues that presidential leadership or a significant lack thereof has been the key variable determining the kind of military Russia puts in the field It has been up to the president to ensure that the high command makes a successful transition to the new polity otherwise combat readiness will decline and generals and admirals could become politicized By focusing on how the high command has reacted to each president's decisions and leadership style Herspring shows that in spite of the continued importance of the military's bureaucratic structure personality factors have assumed a much more important role than in the past **The Kremlin and the High Command** provides the most complete analysis to date of the Russian president's influence on the Russian officer corps the soldiers they lead and their army's combat readiness Shedding light on the chaos that has plagued the USSR and Russia over the past 25 years it also suggests how the often fraught relationship between the president and the high command must evolve if the Russian Federation is to evolve into a truly democratic nation *Civil-Military Relations in the Soviet and Yugoslav Successor States* Constantine P. Danopoulos, 2019-03-07 From open civil war in Bosnia and Georgia to the Russian president's use of military units against an uncooperative parliament civil military conflicts in the former USSR and Yugoslavia are increasingly attracting world wide attention and concern This volume brings together fourteen essays that explore the roles of the armed forces in the ongoing struggles for control over the processes of state formation and government in these newly independent countries Twelve chapters focus on the experiences of particular countries in the region and introductory and concluding chapters draw out commonalities and differences among the cases comparing them with one another as well as with post authoritarian regimes elsewhere in the world **The Kremlin and the High Command** Dale R. Herspring, 2024-07-16 Throughout its existence

the Red Army was viewed as a formidable threat By the end of the Cold War however it had become the weakest link in the Soviet Union's power structure Always subordinate to the Communist Party the military in 1991 suddenly found itself answering instead to the president of a democratic state Dale Herspring closely examines how that relationship influenced the military's viability in the new Russian Federation Herspring's book is the first to assess the relationship between the Russian military and the political leadership under Presidents Mikhail Gorbachev Boris Yeltsin and Vladimir Putin He depicts an outmoded and demoralized military force still struggling to free itself from Cold War paradigms while failing to confront not only debacles in Afghanistan and Chechnya but also a rise in crime and corruption within the ranks He reveals how Gorbachev neglected the military to save Russia from internal collapse and Yeltsin reneged on continuing promises of support And while Putin claims a better understanding of the armed forces he has severely tightened his control over the military while monitoring its struggle toward modernization Herspring argues that presidential leadership or a significant lack thereof has been the key variable determining the kind of military Russia puts in the field It has been up to the president to ensure that the high command makes a successful transition to the new polity otherwise combat readiness will decline and generals and admirals could become politicized By focusing on how the high command has reacted to each president's decisions and leadership style Herspring shows that in spite of the continued importance of the military's bureaucratic structure personality factors have assumed a much more important role than in the past The Kremlin and the High Command provides the most complete analysis to date of the Russian president's influence on the Russian officer corps the soldiers they lead and their army's combat readiness Shedding light on the chaos that has plagued the USSR and Russia over the past 25 years it also suggests how the often fraught relationship between the president and the high command must evolve if the Russian Federation is to evolve into a truly democratic nation

Civil-Military Relations in Medvedev's Russia Stephen Blank, 2011-02-04 The papers presented here are devoted to civil military relations in Russia This is a critical topic in understanding the domestic and foreign policy trajectories of the Russian state The papers provided here do not deny that civilian control exists But they both show how highly undemocratic and even dangerous is the absence of those democratic controls over the military and the police forces in Russia which taken together comprise multiple militaries The papers present differing U.S. and European assessments of the problems connected with civilian and democratic controls over the possessors of force in the Russian state and should stimulate further reflection upon these issues and those related to them Originally published by the Strategic Studies Institute

Russian Governance in the 21st Century Irina Isakova, 2004-06-01 A stimulating new analysis of the dramatic systemic changes of the Russian state principles of the governance and its foreign policy orientation It reviews the extent of changes in Russian approaches to geopolitics and the most appropriate geopolitical development patterns that influenced the transformation of Russian foreign policies and military strategic thinking on the eve of the 21st century

Civil-Military Conflict in Imperial Russia, 1881-1914 William C. Fuller Jr., 2014-07-14 This book is a

full scale study in English of tsarist civil military relations in the last decades of the Russian Empire Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Russian Civil Military Relations Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Civil Military Relations free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Civil Military Relations free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Russian Civil Military Relations free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Civil Military Relations. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Civil Military Relations any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Civil Military Relations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Civil Military Relations is one of the best book in our library for free trial. We provide copy of Russian Civil Military Relations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Civil Military Relations. Where to download Russian Civil Military Relations online for free? Are you looking for Russian Civil Military Relations PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Civil Military Relations. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Civil Military Relations are for sale to free while some are payable. If you arent sure if the books

you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Civil Military Relations. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Civil Military Relations To get started finding Russian Civil Military Relations, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Civil Military Relations So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Civil Military Relations.
