The Russian Historical Novel from Romanticism to Symbolism Dan Ivanovich Ungurianu,1995 **Russian romanticism**
Lauren G. Leighton,2011-10-10 No detailed description available for Russian romanticism *The Historical Novel in Nineteenth-Century Europe* Brian Hamnett,2011-11-24 Even at the height of its popularity in the early nineteenth century the historical novel faced criticism at many levels After its predominance in the 1810s and 1820s writers and historians shunned it as a travesty of their respective disciplines Even so the historical novel has frequently attracted a wide ranging public right up to the present day Brian Hamnett examines key novels by authors including Scott Balzac Manzoni Dickens Eliot Flaubert Fontane Gald s and Tolstoy revealing the contradictions inherent in this form of fiction and exposing the challenges writers faced in attempting to represent a reality that linked past and present He argues that the historical novel in the nineteenth century was a common European phenomenon with considerable interconnection of themes and periods Accordingly the book ranges from the British Isles and France through the Germanic territories Italy and Spain to the Russian Empire identifying the different objectives and phases of the historical novel Although historical novels did appear in the two previous centuries the form came to maturity in the nineteenth century a consequence of the developing nature of history as a discipline distinct from literature and philosophy and the increasing primacy of the novel for writers and the reading public Yet the frontiers between history and literature remained blurred and the two disciplines continued to influence one another as each sought a faithful representation of human experience *Handbook of Russian Literature* Victor Terras,1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays [Encyclopedia of Romanticism \(Routledge Revivals\)](#) Laura Dabundo,2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The books considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars [History of Nineteenth-century Russian Literature: Romantic period](#) Dmitrij Tschizewskij,1974

The Oxford Handbook of European Romanticism Paul Hamilton,2016-01-14 TThe Oxford Handbook to European Romanticism brings together leading scholars in the field to examine the intellectual literary philosophical and political elements of European Romanticism The book focuses on the cultural history of the period extending from the French Revolution to the uprisings of 1848 It begins with a series of chapters examining key texts written by major writers in languages including French German Italian Spanish Russian Hungarian Greek and Polish amongst others A second section

then explores the naturally interdisciplinary quality of Romanticism exemplified by the different discourses with which writers of the time set up an internal comparative dynamic. These chapters highlight the sense a discourse gives of being written knowledgeably against other pretenders to completeness or comprehensiveness of self understanding of the time. Discourses typically advance their own claims to resume European culture collaborating with and at the same time trying to assimilate each other in the process. The main examples featured here are history geography drama theology language philosophy political theory the sciences and the media. Each chapter offers an original and individual interpretation of an inherently comparative world of individual writers and the discursive idioms to which they are historically subject. Together the forty one chapters provide a comprehensive and provocative overview of European Romanticism.

the world *The Cambridge History of European Romantic Literature* Patrick Vincent, 2023-11-09 This wide ranging new history of European Romantic Literature presents a pan European phenomenon which transcended national borders and contributed to a new sense of European cultural identity across the continent Conceived in the same spirit as Madame de Staël's cultural and political agenda at a time when her generous idea of Europe is being challenged on all sides the volume pays close attention to the period's circulation of people ideas and texts It proposes to rethink the period comparatively focusing on various forms of cultural mediation and transfer and on productive tensions synchronicities and interactions within and across borders Organized chronologically its twenty chapters address over five hundred works proposing a coherent historical narrative without completely erasing individual nations specificities By showcasing in particular the place of Britain within continental culture the volume hopes to reactivate critical examinations of Romanticism from a historicised European perspective **The Romantic Period** Dmitrij Tschizewskij, 1973 **The Last Years of Soviet Russian Literature** Deming Brown, 1993 A comprehensive survey of developments in Russian literature over the last fifteen years of the Soviet regime **Russian Romantic Fiction** John Mersereau, 1983 Russian fiction was born in the age of Pushkin and in a remarkably short period of time the Russian novel became one of the glories of world literature This book tells part of the story of how this happened Of course Pushkin Gogol and Lermontov are the primary figures of the Romantic era and Mr Mersereau devotes many pages to them But it is the context of their works which is the main subject of this history the entire development of Russian prose from the start of the 19th century until 1852 This background makes the appearance of such masterpieces as *Dead Souls* *A Hero of Our Time* *The Captain's Daughter* and *The Queen of Spades* more understandable but none the less amazing Page 4 of cover **2015** Günter Berghaus, 2015-07-01 The special issue of *International Yearbook of Futurism Studies* for 2015 will investigate the role of Futurism in the oeuvre of a number of Women artists and writers These include a number of women actively supporting Futurism e.g. R ena Z tkov Edyth von Haynau Olga Rozanova Eva K hn others periodically involved with the movement e.g. Valentine de Saint Point Aleksandra Ekster Mary Swanzy others again inspired only by certain aspects of the movement e.g. Natalia Goncharova Alice Bailly Giovanna Klien Several artists operated on the margins of a Futurist inspired aesthetics but they felt attracted to Futurism because of its support for women artists or because of its innovatory roles in the social and intellectual spheres Most of the artists covered in Volume 5 2015 are far from straightforward cases but exactly because of this they can offer genuinely new insights into a still largely under researched domain of twentieth century art and literature Guiding questions for these investigations are How did these women come into contact with Futurist ideas Was it first hand knowledge poems paintings manifestos etc or second hand knowledge usually newspaper reports or personal conversions with artists who had been in contact with Futurism How did the women respond to the positive or negative reports How did this show up in their oeuvre How did it influence their subsequent often non Futurist career *Romantic Prose Fiction* Gerald Gillespie, Manfred Engel, Bernard
