Federation Gilad James, PhD, The Russian Federation commonly known as Russia is the largest country in the world in terms of land area It is located in northern Eurasia spanning across two continents Asia and Europe The country is bordered by Azerbaijan Belarus China Estonia Finland Georgia Kazakhstan Latvia Lithuania Mongolia North Korea Norway Poland and Ukraine The capital of Russia is Moscow and the official language is Russian The country has a population of over 145 million people and its economy is the 11th largest in the world Russia is a federal semi presidential republic with a constitution that

was adopted in 1993 after the collapse of the Soviet Union. Since then, Russia has undergone significant political, social, and economic changes. In 2000, Vladimir Putin became the president of Russia and has remained in power for over two decades. The current president as of 2021 is Dmitry Medvedev. Russia is known for its rich history, unique culture, and natural resources, including oil, gas, and minerals. However, the country has also faced international criticism for issues related to human rights, corruption, and political repression.

The American Stationer, 1889 The Icon and the Square Maria Taroutina, 2018-11-26

In *The Icon and the Square*, Maria Taroutina examines how the traditional interests of institutions such as the crown, the church, and the Imperial Academy of Arts temporarily aligned with the radical leftist and revolutionary avant-garde at the turn of the twentieth century through a shared interest in the Byzantine past, offering a counternarrative to prevailing notions of Russian modernism. Focusing on the works of four different artists: Mikhail Vrubel, Vasily Kandinsky, Kazimir Malevich, and Vladimir Tatlin, Taroutina shows how engagement with medieval pictorial traditions drove each artist to transform his own practice, pushing beyond the established boundaries of his respective artistic and intellectual milieu. She also contextualizes and complements her study of the work of these artists with an examination of the activities of a number of important cultural associations and institutions over the course of several decades. As a result, *The Icon and the Square* gives a more complete picture of Russian modernism, one that attends to the dialogue between generations of artists, curators, collectors, critics, and theorists. *The Icon and the Square* retrieves a neglected but vital history that was deliberately suppressed by the atheist Soviet regime and subsequently ignored in favor of the secular formalism of mainstream modernist criticism. Taroutina's timely study, which coincides with the centennial reassessments of Russian and Soviet modernism, is sure to invigorate conversation among scholars of art history, modernism, and Russian culture.
