Russia and the World Natasha Kuhrt,2014-10-14 This volume brings together analyses of key domestic foreign and security policy issues during the Putin and Medvedev administrations Indeed the chapters demonstrate the extent to which domestic and foreign policy issues are inextricably linked in particular in the domain of security whether hard or soft Internal debates regarding Russia s trajectory including issues of national identity economic modernisation human rights and democracy continue to be at the forefront of concern Moreover these debates are intimately connected to Russia s self image and the image therefore that it wishes to project in the wider world The debates focus on Russia as energy superpower as one of the BRICS as an Eurasian landbridge or a window on the Asia Pacific Such debates are a constant reminder of the uncertainty surrounding Russia s future path This book expresses these uncertainties which range from the role of nuclear weapons and energy to critiques of Russia s approach to concepts such as sovereignty and self determination the fight against terrorism insurgency and the role of Islam within and without Russia may have left the chaos of the Yeltsin years behind but as we move into Putin 3 0 the concerns of these chapters will remain critical both to Russia itself and to Russia s relations with the wider world This book was published as a special issue of Europe Asia Studies

Soviet Air Force Theory, 1918-1945 James Sterrett,2007-01-24 This new book examines the development of Soviet thinking on the operational employment of their Air

Force from 1918 to 1945 using Soviet theoretical writings and contemporary analyses of combat actions *Global Nuclear Disarmament* V R Raghavan,2012-08-01 The DPG was chosen as a research institution to assist in the deliberations of the International Commission on Nuclear Non Proliferation and Disarmament constituted by the Australian and Japanese governments The support of the NTI to DPG s efforts has been immense and definitive The first decade of 21st century has seen a resurgence of support for global nuclear disarmament A cascade of nuclear disarmament proposal has emerged from different sources India has consistently favored complete global nuclear disarmament even as it laid the foundations of a nuclear energy programme Notwithstanding the nuclear tests Indian policy on global nuclear disarmament has not been disavowed Global nuclear disarmament is closely linked to geo political conditions Unless such conditions are favourable states are unlikely to take initiatives to either reduce or eliminate their nuclear weapons stockpiles This book examines the geopolitical necessities which will encourage nuclear disarmament globally It also contrasts them with the geopolitical realities currently prevailing which impact on nuclear disarmament The papers in the book bring forth both the challenges and opportunities that lie ahead Contemporary Military Theory Jan Angstrom,J.J. Widen,2014-07-17 The book aims to provide the reader with a state of the art introduction to classic and modern military theory The text accounts for the most important theories within the field by developing and analyzing these theories as well as problematizing both their normative and explanatory aims While focusing on military theory the book does not only reflect a single way of relating to knowledge of war and warfare but furthers learning by introducing contrasting perspectives as well as constantly criticizing the theories There is a clear need for an introductory text for the entire field of military theory that focuses whole heartedly on the theories not on their context or how they are expressed in practice during war This book covers such questions as how we should understand the changing character of war the utility of force and how the pursuit of political ends is achieved through military means It draws upon and illustrates military thought through a wide ranging number of examples from the Napoleonic Wars to the current war in Afghanistan This book will be of great interest for students of military theory strategic studies security studies and defence studies **Why the Gulf War Still Matters** Patrick J.
