

Russian And Slavic History

Taras Kuzio

Russian And Slavic History:

The Origins of the Slavic Nations Serhii Plokhy, 2006-09-07 This book documents developments in the countries of eastern Europe including the rise of authoritarian tendencies in Russia and Belarus as well as the victory of the democratic Orange Revolution in Ukraine and poses important questions about the origins of the East Slavic nations and the essential similarities or differences between their cultures It traces the origins of the modern Russian Ukrainian and Belarusian nations by focusing on pre modern forms of group identity among the Eastern Slavs It also challenges attempts to nationalize the Rus past on behalf of existing national projects laying the groundwork for understanding of the pre modern history of Russia Ukraine and Belarus The book covers the period from the Christianization of Kyivan Rus in the tenth century to the reign of Peter I and his eighteenth century successors by which time the idea of nationalism had begun to influence the thinking of East Slavic elites [Russian and Slavic History](#) Don Karl Rowney, George Edward Orchard, 1977 **Widener**

Library Shelflist: Slavic history and literatures Harvard University. Library, 1971 **Russian Nationalism and the Russian-Ukrainian War** Taras Kuzio, 2022-01-26 This book is the first to provide an in depth understanding of the 2014 crisis Russia s annexation of Crimea and Europe s de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia s obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity **The Slavs: Their Early History and Civilization** Francis Dvornik, 1959 [Unmaking Imperial Russia](#) Serhii Plokhy, Mykhailo Hrushevsky Professor of Ukrainian History Serhii Plokhy, 2005-01-01 Unmaking Imperial Russia examines Hrushevsky s construction of a new historical paradigm that brought about the nationalization of the Ukrainian past and established Ukrainian history as a separate field of study [A History of Russian Philosophy 1830-1930](#) G. M. Hamburg, Randall A. Poole, 2010-04-22 The great age of Russian philosophy spans the

century between 1830 and 1930 from the famous Slavophile Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the beginning of the twentieth century to the formation of a Russian philosophical emigration in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy's main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today *Who are the Slavs?* Paul Rankov Radosavljevic, 1919 **Handbook of Russian Literature** Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays *Russia in the Early Modern World* Donald Ostrowski, 2022-01-25 A fundamental problem in studying early modern Russian history is determining Russia's historical development in relationship to the rest of the world The focus throughout this book is on the continuity of Russian policies during the early modern period 1450 1800 and that those policies coincided with those of other successful contemporary Eurasian polities The continuities occurred in the midst of constant change but neither one nor the other continuities or changes alone can account for Russia's success Instead Russian rulers from Ivan III to Catherine II with their hub advisors managed to sustain a balance between the two During the early modern period these Russian rulers invited into the country foreign experts to facilitate the transfer of technology and know how mostly from Europe but also from Asia In this respect they were willing to look abroad for solutions to domestic problems Russia looked westward for military weaponry and techniques at the same time it was expanding eastward into the Eurasian heartland The ruling elite and by extension the entire ruling class worked in cooperation with the ruler to implement policies The Church played an active role in supporting the government and in seeking to eliminate opposition to the government **New Russian Nationalism** Kolsto Pal Kolsto, 2016-03-24 Russian nationalism previously dominated by imperial tendencies pride in a large strong and multi ethnic state able to project its influence abroad is increasingly focused on ethnic issues In 2014 Russia's annexation of Crimea and the subsequent violent conflict in Eastern Ukraine utterly transformed the nationalist discourse in Russia This book provides an up to date survey of Russian nationalism as a political social and intellectual phenomenon by leading Western and Russian experts in the field of nationalism studies It includes case studies on migrantophobia the relationship between nationalism and religion nationalism in the media nationalism and national identity in economic policy nationalism in the strategy of the Putin regime as well as a survey based study of nationalism in public opinion [Russian Notions of Power and State in a European Perspective, 1462-1725](#) Endre Sashalmi, 2022-10-25 Winner of the 2023 Marc Raeff Book Prize A 2023 REFORC Book Award Longlist Title This book highlights the main features and trends

of Russian political thought in an era when sovereignty state and politics as understood in Western Christendom were non-existent in Russia or were only beginning to be articulated It concentrates on enigmatic authors and sources that shaped official perception of rulership or marked certain changes of importance of this perception Special emphasis is given to those written and visual sources that point towards depersonalization and secularization of rulership in Russia A comparison with Western Christendom frames the argument throughout the book both in terms of ideas and the practical aspects of state building allowing the reader to ponder Russia's differentia specifica

Challenging Traditional Views of Russian History S. Wheatcroft, 2002-08-21 This collection presents views on key aspects of Russian Soviet history such as the non-Slavic sources of Russian statehood tsarist penal systems the pre-evolutionary technological level the famine of 1931-3 patronage practices in Stalin's Russia and the fall of the Soviet Union

Imperial Russia Jane Burbank, David L. Ransel, 1998-09-22 On the basis of the work presented here one can say that the future of American scholarship on imperial Russia is in good hands American Historical Review innovative and substantive research The Russian Review Anyone wishing to understand the state of the field in Imperial Russian history would do well to start with this collection Theodore W Weeks H Net Reviews The essays are impressive in terms of research conceptualization and analysis Slavic Review Presenting the results of new research and fresh approaches the historians whose work is highlighted here seek to extend new thinking about the way imperial Russian history is studied and taught Populating their essays are a varied lot of ordinary Russians of the 18th and 19th centuries from a luxury-loving merchant and his extended family to reform-minded clerics and soldiers on the frontier In contrast to much of traditional historical writing on Imperial Russia which focused heavily on the causes of its demise the contributors to this volume investigate the people and institutions that kept Imperial Russia functioning over a long period of time

Competing Voices from the Russian Revolution Michael C. Hickey, 2010-12-21 This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution How better to understand history than through the words of those who lived it Competing Voices from the Russian Revolution Fighting Words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 Russian Revolution one of the pivotal events in modern history Carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which Russians understood the events unfolding around them Focusing on public rhetoric and debate in Russia from the outbreak of World War I in 1914 through the dissolution of the Constituent Assembly in January 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals

Interpreting Emotions in Russia and Eastern Europe Mark D. Steinberg, Valeria Sobol, 2011-06-01 Bringing together important new work by an international and interdisciplinary group of leading scholars Interpreting Emotions in Russia and Eastern Europe approaches emotions as a phenomenon complexly

intertwined with society culture politics and history The stories in this book involve sensitive aristocrats committed revolutionaries aggressive nationalists political leaders female victims of sexual violence perpetrators and victims of Stalinist terror citizens in the former Yugoslavia in the wake of war workers in post socialist Romania Balkan Romani Gypsy musicians and veterans of the Afghan and Chechen wars These essays explore emotional perception and expression not only as private inward feeling but also as a way of interpreting and judging a troubled world acting in it and perhaps changing it Essential reading for those interested in new perspectives on the study of Russia and Eastern Europe past and present this volume will appeal to scholars across the social sciences and humanities who are seeking new and deeper approaches to understanding human experience thought and feeling

The Standard of Living and Revolutions in Russia, 1700-1917 Boris Nikolaevich Mironov, 2012 This is the first full scale anthropometric history of Imperial Russia 1700 1917 It mobilizes an immense volume of archival material to chart the growth weight and other anthropometric indicators of the male and female populations in order to chart how the standard of living in Russia changed over slightly more than two centuries It draws on a wide range of data statistics on agricultural production taxation prices and wages nutrition and demography to draw conclusions on the dynamics in the standard of living over this long period of time The economic social and political interpretation of these findings make it possible to reconsider the prevailing views in the historiography and to offer a new perspective on Imperial Russia

In Joyful Russia John Alexander Logan, 1897 Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia's state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Adopting the Song of Expression: An Psychological Symphony within **Russian And Slavic History**

In a global taken by displays and the ceaseless chatter of instantaneous transmission, the melodic beauty and psychological symphony created by the published term usually diminish in to the background, eclipsed by the constant sound and distractions that permeate our lives. But, set within the pages of **Russian And Slavic History** an enchanting fictional treasure filled with organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that captivating masterpiece conducts viewers on a mental trip, skillfully unraveling the concealed tunes and profound influence resonating within each cautiously constructed phrase. Within the depths of the emotional examination, we can investigate the book is key harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Russian And Slavic History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian And Slavic History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian And Slavic History has opened up a world of possibilities. Downloading Russian And Slavic History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian And Slavic History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian And Slavic History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian And Slavic History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian And Slavic History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian And Slavic History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian And Slavic History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian And Slavic History is one of the best book in our library for free trial. We provide copy of Russian And Slavic History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian And Slavic History. Where to download Russian And Slavic History online for free? Are you looking for Russian And Slavic History PDF? This is definitely going to save you time and cash in something you should think about.
