## **Russian Journal:**

**A Russian Journal** John Steinbeck, 1999-12-01 Steinbeck and Capa's account of their journey through Cold War Russia is a classic piece of reportage and travel writing Featuring newly reset high resolution black and white photography by Robert Capa A Penguin Classic Just after the Iron Curtain fell on Eastern Europe Pulitzer Prize winning author John Steinbeck and acclaimed war photographer Robert Capa ventured into the Soviet Union to report for the New York Herald Tribune This rare opportunity took the famous travelers not only to Moscow and Stalingrad now Volgograd but through the countryside of the Ukraine and the Caucasus Hailed by the New York Times as superb when it first appeared in 1948 A Russian Journal is the distillation of their journey and remains a remarkable memoir and unique historical document What they saw and movingly recorded in words and on film was what Steinbeck called the great other side there the private life of the Russian people Unlike other Western reporting about Russia at the time A Russian Journal is free of ideological obsessions Rather Steinbeck and Capa recorded the grim realities of factory workers government clerks and peasants as they emerged from the rubble of World War II represented here in Capa's stirring photographs alongside Steinbeck's masterful prose Through it all we are given intimate glimpses of two artists at the height of their powers answering their need to document human struggle This edition features an introduction by Steinbeck scholar Susan Shillinglaw Penguin Classics is the leading publisher of classic literature in the English speaking world representing a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators A Russian Journal John Steinbeck, 1948 *Current Projects on Economic and Social Implications of Scientific Research and Development*, 1965 **Annual Report for Fiscal Year ...** National Science Foundation (U.S.), 1963

**Russian Journal of Applied Chemistry**, 1997 The Russian Revolution of 1917 - Memory and Legacy Carol S. Leonard, Daniel Orlovsky, Jurej Petrov, 2024-07-30 The way in which the Russian Revolution of October 1917 is regarded and commemorated has changed considerably over time and is a contentious subject well demonstrated by the absence of any official commemoration in Russia in 2017 a huge contrast to the very large celebrations which took place in Soviet times This book which brings together a range of leading historians of the Russian Revolution from both Russia and the West and both younger and older historians explores the changes in the way in which the October 1917 Revolution is commemorated and also examines fundamental questions about what the Russian Revolution indeed what any revolution was anyway Among the issues covered are how Soviet and Western historians diverged in their early assessments of what the Revolution achieved how the period studied by historians has recently extended both much earlier before 1917 and much later afterwards and how views of the Revolution within the Soviet Union changed over time from acceptance of the official Communist Party interpretation to more independent viewpoints Overall the book provides a major reassessment of one of the twentieth

century's most important events      **NIST Serial Holdings** National Institute of Standards and Technology (U.S.),2002

**English Literature and the Russian Aesthetic Renaissance** Rachel Polonsky,1998-11-05 The turn of the nineteenth century a time of exceptional creativity in Russia was also a time of great receptivity to foreign cultural influences Among the most important of these were English poetry and aesthetic thought which gave new impetus to the Russian imagination This 1998 book is a study of the Russian reception of English literature from Romanticism to aestheticism focusing particularly on the reception by Russian poets of Shelley Ruskin Pater Frazer and Wilde Framing this account is a pioneering exploration of the intellectual background to these influences in comparative scholarship illuminating a common interest in myth folklore anthropology and the origins of language This book discusses the relationship between Russian conceptions of national identity literary influence and the origins of comparative literary history      Assessing Russia's Actions in Ukraine and Syria,

2014-2022 John A. Pennell,2024-09-11 What do Russia's actions in Ukraine and Syria particularly between 2014 and 2022 tell us about the character of modern conflict Do these actions indicate change or continuity What linkages are there between Russia's approaches to warfare today with those before during and after the Soviet era Assessing Russia's Actions in Ukraine and Syria 2014 2022 Implications for the Changing Character of War investigates how Russia's actions in Syria and Ukraine reveal more continuity than change and more evolution than revolution in warfare These actions mostly reflect what the Kremlin perceives as changes in strategic and technological contexts which impacts who fights wars and how wars are fought Given historic cultural and other ties between Russia and Ukraine Russia's activities in Ukraine prior to 2022 are not easily replicable outside of the post Soviet space This book argues that new generation warfare political warfare or full spectrum conflict better describes Russia's activities than hybrid warfare John A Pennell addresses critical gaps in research by considering the totality of Russia's actions and gleaned insights from those directly involved with aspects of Russia's interventions      **Scientific Information Notes** ,1961      *Russian Intelligentsia in the Age of Counterperestroika* Dmitri N.

Shalin,2020-06-09 This book examines the phenomenon of intelligentsia as political discourse civic action and embodied practice focusing especially on the political agendas and personal choices confronting intellectuals in modern Russia Contributors explore the role of the Russian intelligentsia in dismantling the Soviet system and the unanticipated consequences of the resultant changes which threaten the very existence of the intelligentsia as a distinct group Building on the legacy of John Dewey and Jürgen Habermas the authors make the case that the intelligentsia plays a critical role in opening communications widening the range of participants in public discourse and freeing social intercourse from the constraints nondemocratic political arrangements impose on the communication sphere Looking at current trends through a variety of different lenses this book will be of interest to those studying the past present and future of the Russian intelligentsia and its impact not only in Russia but around the world This book was originally published as a special issue of the Russian Journal of Communication      Handbook of Russian Literature Victor Terras,1985-01-01 Profiles the careers of

Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays *Russian Journal of General Chemistry*, 1999

**Socialist Realism in Central and Eastern European Literatures Under Stalin** Evgeny Dobrenko, 2018-02-15 Socialist Realism in Central and Eastern European Literatures is the first published work to offer a variety of alternative perspectives on the literary and cultural Sovietization of Central and Eastern Europe after World War II and emphasize the dialogic relationship between the centre and the satellites instead of the traditional top down approach The introduction of the Soviet cultural model was not quite the smooth endeavour that it was made to look in retrospect rather it was always a work in progress often born out of a give and take with the local authorities intellectuals and interest groups Relying on archival resources the authors examine one of the most controversial attempts at a cultural unification in Europe by providing an overview with a focus on specific case studies an analysis of distinct particularities with attention to the patterns of negotiation and adaptation that were being developed in the process

**Organic Chemist's Desk Reference** Caroline Cooper, 2010-07-23 CHOICE Award Winner Since the first publication in 1995 the Organic Chemist's Desk Reference has been essential reading for laboratory chemists who need a concise guide to the essentials of organic chemistry the literature nomenclature stereochemistry spectroscopy hazard information and laboratory data The past fifteen years have witnessed immense growth in the field of chemistry and new discoveries have continued to shape its progress In addition the distinction between organic chemistry and other disciplines such as biochemistry and materials science has become increasingly blurred Extensively revised and updated this new edition contains the very latest data that chemists need access to for experimentation and research New in the Second Edition Rearranged content placed in a logical progressive order making subjects easier to find Expanded topics from the glossary now presented as separate chapters Updated information on many classic subjects such as mass spectrometry and infrared ultraviolet and nuclear magnetic resonance spectroscopy New sections on chiral separations and crystallography Cross references to a plethora of web information Reflecting a 75% revision since the last edition this volume is a must have for organic chemists and those in related fields who need quick and easy access to vital information in the lab It is also a valuable companion to the Dictionary of Organic Compounds enabling readers to easily focus in on critical data

*Strategizing the Russian Gas Industry* Nikita I. Sasaev, Sergey M. Darkin, Vladimir L. Kvint, 2024-07-30 The new volume aims to form the concept of the Russian Far East gas industry strategy taking into account the entire range of interests strategic trends and opportunities Based on the results of a comprehensive strategic analysis the concept of the mission and vision of this strategy along with the strategic priorities are disclosed in detail focusing on the resulting goals and the main effects of public and economic efficiency from their implementation In general the monograph makes a significant scientific and practical contribution to the study of the gas industry development at the global and regional level and presents the vision of the long term prospects for the development of the Russian Far East gas industry In addition the monograph also

presents the strategic priorities of the Far Eastern gas industry through the prism of the socioeconomic development of the entire macroregion Making a significant scientific and practical contribution to the study of long term prospects for the development of the gas industry at the global and regional level the author identifies strategic opportunities and future prospects for gas industry development that will make it possible to develop effective long term strategic priorities that generate high multiplier public and economic efficiency

**Historical Dictionary of the Russian Federation** Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

*Historical Dictionary of Russian and Soviet Foreign Policy* Norman E. Saul, 2014-12-16 The conduct of the foreign relations of the Russian state in its several contexts Kiev Rus Muscovy Russian Empire Provisional Government Union of Soviet Socialist Republics and Russian Federation were unique in its common currents from the beginning to the present Geography was certainly a key factor located in the center of the world s largest land mass and surrounded by often hostile forces All of the Russias had to confront the problems of open frontiers and the conduct of relations with a number of adjacent states of different ethnicity and with many that were more distant No other nation states had to face such complex and divergent circumstances over their histories Most other Great Powers were neighbors of similar states in culture and historical background whereas Russia had to deal with Asian as well as European countries The Historical Dictionary of Russian and Soviet Foreign Policy covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important individuals events and other aspects of the foreign policy of this important country This book is an excellent access point for students researchers and anyone wanting to know more about Russian foreign policy

Russian Journal of Physical Chemistry , 1995

**Ion Exchange Materials: Properties and Applications** Andrei A. Zagorodni, 2006-11-02 Ion Exchange Materials Properties and Applications fills a two dimensional gap in books currently available on the subject Firstly there is a lack of modern comprehensive publications on the chemistry of ion exchange materials and on the relationships between their properties and practical applications Secondly there are few books on ion exchange chemistry that are targeted to industrial R D specialists and research students who i do not work with ion exchange on a daily basis ii need to develop competence in this

area and iii find it difficult to start studying the subject from primary scientific publications The book bridges these gaps by describing classical and modern theoretical concepts as well as practical approaches for using ion exchange materials Ion exchange materials combine properties of homogeneous and heterogeneous materials Besides being an interesting subject for investigation they are essential in a wide variety of industrial technologies in the chemical and biochemical industries pharmacy medicine microelectronics the nuclear industry food production waste treatment and many other areas Ion exchange is a powerful tool in chemical analysis and scientific research The main focus in this book is on ion exchange polymers ion exchange resins chelating resins imprinted templated and other functional polymers It provides an in depth study of ion exchange materials suitable for postgraduate students and R D industrial specialists in chemistry chemical and biochemical technology Comprehensively covers the subject Provides links between theoretical concepts material properties practical applications and technical solutions Easy to understand requires only ground knowledge of university level chemistry and can be read without an in depth knowledge of mathematics Supported with an interactive website

This book delves into Russian Journal. Russian Journal is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Russian Journal, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Russian Journal
- Chapter 2: Essential Elements of Russian Journal
- Chapter 3: Russian Journal in Everyday Life
- Chapter 4: Russian Journal in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Russian Journal. The first chapter will explore what Russian Journal is, why Russian Journal is vital, and how to effectively learn about Russian Journal.
3. In chapter 2, the author will delve into the foundational concepts of Russian Journal. This chapter will elucidate the essential principles that need to be understood to grasp Russian Journal in its entirety.
4. In chapter 3, the author will examine the practical applications of Russian Journal in daily life. The third chapter will showcase real-world examples of how Russian Journal can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Russian Journal in specific contexts. The fourth chapter will explore how Russian Journal is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Russian Journal. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Russian Journal.
