Russian Journal of Lady Londonderry, 1836-37 Frances Anne Vane Marchioness of Londonderry, 1973 **Russian Journal of Lady Londonderry, 1836-37** Frances Anne Emily (Vane-Tempest) Vane Marchioness of Londonderry, 1973

The Ladies of Londonderry Diane Urquhart, 2007-03-10 Against a backdrop of increasing democracy and the associated process of aristocratic decline this book examines the political influence of the leading Tory hostesses the Marchionesses of Londonderry Over one hundred and fifty years from 1800-1959 these women were patrons and confidantes to key political figures such as Disraeli, Bonar Law, Edward Carson and Ramsay MacDonald By the late 19th century upper class women were at the height of their prowess exerting political sway by private means whilst exploiting more public avenues of political work canvassing, addressing meetings and leading the new associations established in an attempt to educate a mass electorate At that time this hybrid of private and public aristocratic politicking aroused little criticism but by the interwar period the hold that the 7th Marchioness of Londonderry, Edith Vane Tempest Stewart allegedly had over MacDonald prompted widespread criticism of her role as the Mother of the National Government The lives of these vibrant and fascinating women have long been overlooked in histories of the nineteenth and early twentieth centuries as well as in studies of conservatism, unionism or the aristocracy Despite their social and political importance few of their contemporaries acknowledged their influence partly because of the indirect way that aristocratic women exerted political power and their place in society was essentially defined by their male relatives The Ladies of Londonderry offers the first examination of the powerful political hostesses of the Anglo-Irish establishment and sheds considerable light on the workings of 19th and 20th century politics **Ministry of**

Darkness Lesley Chamberlain, 2019-10-31 There is nothing new about the Russian conservatism Putin stands for acclaimed writer Lesley Chamberlain argues Rather as Ministry of Darkness reveals the roots of Russian conservatism can be traced back to the 19th century when Count Uvarov's notorious cry of Orthodoxy Autocracy Nationality rang through the streets of Russia Sergei Uvarov was no straightforward conservative indeed this man was at once both the pioneering educational reformer who founded the Arzamas Writers Club to which Pushkin belonged and the Minister who tyrannised and censored Russia's literary scene How then do we reconcile such extreme contradictions in one person Through Chamberlain's intimate examination of Uvarov's life and skilled analysis of Russian conservatism readers learn how the many paradoxes that dominated Uvarov's personal and political life are those which writ large have forged the identity of conservative modern Russia and its relationship with the West This fascinating book sheds new light on an often overlooked historical actor and offers a timely assessment of the 19th century Russian predicament In doing so Chamberlain teases out the reasons why the country continues to baffle Western observers and policymakers making this essential reading both students of Russian history and those who want to further understand Russia as it is today 'By the Banks of the Neva' Anthony Cross, 1997
