Russian People And Foreign Policy

D. Cadier, M. Light

Russian People And Foreign Policy:

The Russian People and Foreign Policy William Zimmerman, 2009-02-09 Since the fall of communism public opinion in Russia including that of a now more diverse elite has become a substantial factor in that country's policymaking process. What this opinion might be and how it responds to American actions is the subject of this study. William Zimmerman offers important and sometimes disturbing insight into the thinking of citizens in America's former Cold War adversary about such matters as NATO expansion. Drawing on nearly a decade of unprecedented surveys he conducted with a wide spectrum of the Russian public he gauges the impact of Russia's opening on its foreign policy and how liberal democrats orient themselves to foreign policy. He also shows that insights from the study of American foreign policy are often portable to the study of Russian foreign policy attitudes. As Zimmerman shows the general public which had a modest but real role in foreign policy decision making tended much more toward isolationism than did the predominant elites who steered Russia's foreign policy in the 1990s. Interspersing smooth prose with a wide array of richly informative tables the book represents an invaluable opportunity to discern probable shifts in Russian foreign policy that domestic political changes would bring. And it powerfully suggests that the West by forging its own policies toward Russia with more prudence can have a say in the outcome of the great choice facing Russia whether to forge ahead with democracy or slip back into authoritarianism. Russia's Foreign Policy Andrei P. Tsygankov, 2013-02-14 Now fully updated and revised this clear and comprehensive text explores the past quarter century of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev. Drawing on an impressive mastery of both Russian and Western sources Andrei P. Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests. He evaluates the successes and failures of Russia's foreign policies explaining its many turns as Russia's identity and interaction with the West have evolved. The book concludes with reflections on the emergence of the post-Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations. Russian Foreign Policy Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re-evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies. It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world. This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics. It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study. **Russian Foreign Policy** Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War. This edition also places developments of the past two decades into the broader sweep of Russian history. Jeffrey Mankoff argues that Russia's more

assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U.S. power resulting from the wars in Iraq and Afghanistan. Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior. Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China. Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West. Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West. Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia.

The New Russian Foreign Policy Michael Mandelbaum, 1998 This book surveys Russia's relations with the world since 1992 and assesses the future prospect for the foreign policy of Europe's largest country. Together these essays offer an authoritative summary and assessment of Russia's relations with its neighbors and with the rest of the world since the collapse of the Soviet Union.

Russian Foreign Policy Towards the Middle East Nikolay Kozhanov, 2022-07-01 This book sheds light on Russia's motives in the Middle East examining its growing role in the region and its efforts to defend its national interests. As one of the first volumes to address both domestic and external drivers it provides a valuable multi dimensional account of Moscow's foreign policy. *Russian Foreign Policy Towards the Middle East* also traces the historical evolution of Russia's presence in the region comparing Moscow's current vision of its diplomatic priorities with the strategic goals of the Soviet Union. Diverse case studies reveal areas of both divergence and convergence between Russia and various Middle Eastern players on a range of issues including the Syrian Civil War Iran's regional activities and the Yemeni conflict. In an era of renewed global tensions this volume provides an important corrective to the notion that Russia's Cold War era confrontation with the West determines its contemporary approach to the Middle East. No less important are economic interests and domestic security considerations which push Moscow towards greater interaction with the region. Only by examining both new trends and old traditions can we understand Russia's significance as a global player today.

Historical Dictionary of Russian and Soviet Foreign Policy Norman E. Saul, 2014-12-16 The conduct of the foreign relations of the Russian state in its several contexts: Kiev Rus, Muscovy, Russian Empire, Provisional Government, Union of Soviet Socialist Republics and Russian Federation were unique in its common currents from the beginning to the present. Geography was certainly a key factor located in the center of the world's largest land mass and surrounded by often hostile forces. All of the Russias had to confront the problems of open frontiers and the conduct of relations with a number of adjacent states of different ethnicity and with many that were more

distant No other nation states had to face such complex and divergent circumstances over their histories Most other Great Powers were neighbors of similar states in culture and historical background whereas Russia had to deal with Asian as well as European countries The Historical Dictionary of Russian and Soviet Foreign Policy covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important individuals events and other aspects of the foreign policy of this important country This book is an excellent access point for students researchers and anyone wanting to know more about Russian foreign policy

Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past Robert Legvold,2007-03-27

Because the turbulent trajectory of Russia s foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country s political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia s approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia s complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined

The Sense of Mission in Russian Foreign Policy

Alicja Curanović,2021-03-04 This book explores how far messianism the conviction that Russia has a special historical destiny is present in and affects Russian foreign policy Based on extensive original research including analysis of public statements policy documents and opinion polls the book argues that a sense of mission is present in Russian foreign policy that it is very similar in its nature to thinking about Russia s mission in Tsarist times that the sense of mission matters more for Russia s elites than for Russia s masses and that Russia s special mission is emphasised more when there are questions about the regime s legitimacy as well as great power status Overall the book demonstrates that a sense of mission is an important factor in Russian foreign policy

Explaining Russian Foreign Policy Behavior Alexander Sergunin,2016-03-22

This book aims to explain the reasons behind Russia s international conduct in the post Soviet era examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism Eurasianism derzhavniki realpolitik geopolitics neo Marxism radical nationalism and post positivism The Russian post Soviet threat perceptions and national

security doctrines are studied The author critically assesses the evolution of Russian foreign policy decision making over the last 25 years and analyzes the roles of various governmental agencies interest groups and subnational actors Concluding that a foreign policy consensus is gradually emerging in contemporary Russia Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity Alexander Sergunin argues that Russia s current domestic situation defined by numerous socio economic inter ethnic demographic environmental and other problems dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals

Foreign Policy in Comparative Perspective Ryan K. Beasley,Juliet Kaarbo,Jeffrey S. Lantis,Michael T. Snarr,2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text Foreign Policy in Comparative Perspective has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book s accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs

Russian Foreign Policy and the CIS Nicole J. Jackson,2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union

Trends in Russian Foreign Policy Since World War I United States. Congress. Senate. Foreign Relations,1947

Russian Foreign Policy Nikolas K. Gvosdev,Christopher Marsh,2013-08-22 In a truly contemporary analysis of Moscow s relations with its neighbors and other strategic international actors Nikolas K Gvosdev and Christopher Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature Russian Foreign Policy Interests Vectors and Sectors offers an incisive look at how and why Russia partners with some states while it counter balances others

Russian Nationalism, Foreign Policy and Identity Debates in Putin's Russia Marlene,2014-04-15 The contributors to this book discuss the new conjunctions that have emerged between foreign policy events and politicized expressions of Russian nationalism since 2005 The 2008 war with Georgia as well as conflicts with Ukraine and other East European countries over the memory of the Soviet Union and the Russian interpretation of the 2005 French riots have all contributed to reinforcing narratives of Russia as a fortress surrounded by aggressive forces in the West and CIS This narrative has found support not only in state structures but also within the larger public It has been especially salient for some nationalist youth movements including both pro Kremlin organizations such as Nashi and extra systemic groups such as those of the skinheads These various actors

each have their own specific agendas they employ different modes of public action and receive unequal recognition from other segments of society Yet many of them expose a reading of certain foreign policy events which is roughly similar to that of various state structures These and related phenomena are analyzed interpreted and contextualized in papers by Luke March Igor Torbakov Jussi Lassila Marl ne Laruelle and Lukasz Jurczynszyn *Imperial Russian Foreign Policy* Hugh Ragsdale,V. N. Ponomarev,1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

Russia's Foreign Policy D. Cadier,M. Light,2015-06-30 This edited volume analyses the evolution and main determinants of Russia s foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia s foreign policy since the beginning of Vladimir Putin s third presidential term

History of International Relations and Russian Foreign Policy in the 20th Century (Volume I) Anatoly V. Torkunov,Boris F. Martyn,William C. Wohlforth,2020-01-08 These volumes present a compact analytical narrative of 20th century international politics penned by some of Russia s most distinguished historians Written in accessible prose and designed as an introductory text for students of international relations the collection will interest all readers curious about perspectives on the twentieth century s most consequential events This first volume covering 1914 1945 shows how the short sightedness of world leaders the unbound nationalism of the masses and the unpredictable will of destiny led to World War I It then addresses the core topic of how the common desire for peace which reigned after the end of that war could rocket Hitler to power in Germany and then lead to World War II

Russian civil-military relations and the origins of the second Chechen war Sz&aszdi, Lajos F.,2008-08-29 This book has relevance for those interested in understanding Russia s course in international relations under the leadership of Vladimir Putin This book will inform the reader and is especially relevant in light of the events of 2008 in the Caucasus and the war in Georgia in particular The author explains the ideology of Neo Eurasianism which in turn inspires the policy thinking of the Kremlin Also studied is Putin s origins in the KGB from the previous posts of Secretary of the Security Council and Director of the FSB and his rise to power in the crucial year of 1999 when he became Russian Prime Minister The author highlights the continuing trend of appointing high ranking officers of the Russian intelligence community to senior positions in the government studying this in the context of Russian civil military intelligence relations The author reached the conclusion back in 2003 that the members of Russian intelligence hold the reins of power above the civilian and military elements of the Russian government The author

returns to the Kosovo Crisis of 1999 discussing also the motives that led the Kremlin and Putin to invade Chechnya for a second time in a decade. Parallels can be drawn to the 2008 Russian invasion of Georgia and the roots of the Neo Eurasianist ideology that is behind the two invasions are examined. This book will help the reader understand Russia's current and future distribution of power in the Caucasus, the Balkans and the world at large. Moscow's search for a multipolar world and its opposition to U.S. hegemony.

Rethinking the Religious Factor in Foreign Policy Maria Toropova, 2022-01-11

The authors of this book analyze the mechanisms and strategies that allow specific religious actors to affect the foreign policy agenda and decisions of the countries in which they are active. Paying special attention to events and phenomena that have had a decisive impact on regional and global development, this book provides an international outlook on how the activities of religious actors can influence foreign policy. The research subject was inspired by the idea of identifying what dynamics are occurring and whether there are any discernible trends.

Russian People And Foreign Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian People And Foreign Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian People And Foreign Policy has opened up a world of possibilities. Downloading Russian People And Foreign Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian People And Foreign Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian People And Foreign Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian People And Foreign Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian People And Foreign Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian People And Foreign Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian People And Foreign Policy Books

1. Where can I buy Russian People And Foreign Policy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russian People And Foreign Policy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russian People And Foreign Policy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Russian People And Foreign Policy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Russian People And Foreign Policy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
