# Russian Politics

**Susanne A. Wengle**

## **Russian Politics:**

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev. Using a wealth of primary sources it covers economic, social and foreign policy and the system of politics that has developed in recent years. Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption. This textbook tackles timely topics such as gender and inequality issues, organised religion, the economic crisis and Russia's place in the international community. It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians' everyday lives.

**Routledge Handbook of Russian Politics and Society** Graeme Gill, James Young, 2013-03-01 There is an ever-burgeoning number of books analyzing the Russian experience or aspects of it. This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting-edge research in the area. Through both empirical data and theoretical investigation each chapter in the Routledge Handbook of Russian Politics and Society examines both the Russian experience and the existing literature, points to research trends and identifies issues that remain to be resolved. Offering focused studies of the key elements of Russian social and political life, the book is organized into the following broad themes: General introduction, Political institutions, Political Economy, Society, Foreign Policy, Politically, economically and socially. Russia has one of the most interesting development trajectories of any major country. This Handbook seeks to answer questions about democratic transition, the relationship between the market and democracy, stability and authoritarian politics, the development of civil society, the role of crime and corruption and the creation of a market economy. Providing a comprehensive resource for scholars and policy makers alike, this book is an important contribution to the study of Russian Studies, Eastern European studies and International Relations.

**Russian Politics Today** Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework. This innovative textbook explores core themes as well as path-breaking insights into the politics of race, class, gender, sexuality and the environment.

**Russian Politics** Brian D. Taylor, 2024 This book provides a concise and accessible overview that places Russia in a global context while explaining its internal political development. Russian politics is powerfully shaped by large impersonal forces such as geography and Russia's place in the international political and economic system. At the same time, its formal political institutions such as the Constitution and electoral procedures are relatively weak and manipulable compared to those of stable established democracies. Under these circumstances, powerful leaders such as Mikhail Gorbachev, Boris Yeltsin and Vladimir Putin represent a source of potential dynamism and change. To make sense of Russian politics, Brian Taylor grounds his discussion in an appreciation of some enduring influences such as the primacy of the state over society and the role of the

so called West which has represented a source of inspiration of threat and of competition for generations of Russians At the same time most of the focus is on the period since the collapse of the Soviet Union in 1991 That revolutionary event brought about dramatic change across multiple spheres from the nature of the political and economic system to the country s borders and who counted as a citizen More than three decades later Russia is still working its way through the consequences of these transformations

Russian Politics Herbert Metford Thompson,1896

Russian Politics and Society Richard Sakwa,2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade the fifth edition of this classic text builds on the strengths of previous editions to provide a comprehensive and sophisticated analysis of Russian politics and society The new edition incorporates the latest debates about Russian politics analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process New to this edition an evaluation of Putin s leadership and the country s political performance under him updated election results and demographic social ethnic national statistics to include results of the 2010 census changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature coverage of the constitutional changes and governmental appointments under the various prime ministers more analysis of economic performance including discussion of the energy sector and pipeline politics changes in Russian foreign policy since EU enlargement its relationship with NATO since the reset as well as its relations with post Soviet states assessment of the military reforms and security and defence policy debates over the question of democracy in Russia today the nature of the system and its future prospects Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia s difficult transformation An unrivalled textbook on the subject it is essential reading for all those concerned with the fate of Russia and with the future of international society

Russian Politics Today Michael Waller,2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

*Inside Russian Politics* Edwin Bacon,2017-09-26 *Inside Russian Politics* is an intelligent critical and engaging account of the realities of contemporary Russian politics It is distinctive in widening our view of Russia beyond the standard account of global power plays and resurgent authoritarian menace Putin matters but he is not Russia Russian military adventurism has had a major effect on contemporary

international affairs but assessing its aims and projecting future intentions and impacts requires analysis within a context deeper than the stock Cold War renewed story The holistic approach of this book facilitates our understanding of power politics in and beyond the Kremlin and of Russian policy on the international stage Revealing the Russia beyond Moscow and the central figures around Putin Edwin Bacon focuses on Russia's political present not to ignore the past but to move beyond cliché and misleading historical analogy to reveal the contemporary and future concerns of Russia's current generation of politicians

**Russian Politics in Exile** F. Patrikeeff, 2002-08-06 This work explores Russian life in Northern Manchuria during the period of political economic and social upheaval leading to its eventual de facto control by Japan and disruption of the balance of power in the Northeast Asian Region Presenting a fresh interpretation of the combined impact of the 1929 Sino Soviet Conflict and the onset of the Great Depression the book examines the interplay of Soviet and emigré Russian interests in Manchuria and their role in generating the instability that led to Japanese intervention and Russian decline

**Institutions, Ideas and Leadership in Russian Politics** Julie Newton, William Tompson, 2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia's post Soviet transformation

Contemporary Russian Politics Neil Robinson, 2019-04-16 Vladimir Putin's return to the Kremlin for a fourth presidential term in 2018 has seen Russian democracy weaken further and Russia's relations with the West deteriorate seriously Yet within Russia Putin's position remains unchallenged and his foreign policy battles have received widespread public support But is Putin as safe as his approval ratings lead us to believe And how secure is the regime that he heads In this new book Neil Robinson places contemporary Russian politics in historical perspective to argue that Putin's regime has not overcome the problems that underpinned the momentous changes in twentieth century Russian history when the country veered from tsarism to Soviet rule to post communist chaos The first part of the book outlining why crises have been perennial problems for Russia is followed by an exploration of contemporary Russian political institutions and policy to show how Putin has stabilised Russian politics But while Putin's achievements as a politician have been considerable in strengthening his personal position they have not dealt successfully with the enduring problem of the Russian state's functionality Like other Russian rulers Putin has been much better at establishing a political system that supports his rule than he has at building up a state that can deliver material wealth and protection to the Russian people As a result Robinson argues Russia has been and remains vulnerable to political crisis and regime change

**Developments in Russian Politics** 5 Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to Developments in Russian Politics 5 describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as

media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world's largest country

**Advanced Introduction to Russian Politics** Richard Sakwa, 2023-12-11 This perceptive *Advanced Introduction* provides a contemporary analysis of Russia's political system political institutions and its place on the global stage Richard Sakwa deftly explores Russia's emergence as an independent state examining the structure of its existing political and economic system its transformation following the constitutional reform of 2020 and the immediate and long term consequences of the Russia Ukraine war

*The Soldier in Russian Politics 1988-1996* Robert V. Barylski, *Russian Politics and Presidential Power* Donald R. Kelley, 2016-10-05 *Russian Politics and Presidential Power* takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system

**Russian Politics from Lenin to Putin** S. Fortescue, 2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and post Soviet Russian politics Those themes include the personal versus the institutional in the political process legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow's architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

**The Soldier in Russian Politics, 1985-96** Robert Barylski, 2018-04-17 If Russia is to become a viable democracy it will need a viable state to make and enforce decisions that nurture societal cohesion and sustain complex economic activity Armed forces are essential attributes of viable modern states but what happens when states undergo major structural changes What was the military's contribution to the end of the Soviet Union and the rise of post Soviet Russia *The Soldier in Russian Politics* is the first study to go beyond familiar accounts of the main events that brought down the Soviet state and began its reconstruction It captures the interplay between soldier and civilian politicians in a major political history based on solid political sociological analysis Barylski uses the study of civil military relations to

explore new political and intellectual conditions and explain the historic relationship between changes in Western models of Russian reality and political change in the former Soviet Union Examining the military's participation in every major twentieth century political change from 1917 to 1991 Barylski demonstrates that every deep political transformation in Russia has military dimensions Barylski discusses how the Russian presidency's power to command and control the military without legislative checks and balances led to armed conflict with Parliament in October 1993 and to the Chechen war of 1994 1996 and is unhealthy for long term democratic development Barylski analyzes ministers of defense Yazov Shaposhnikov Grachev and Rodionov as political actors traces the careers of ambitious political soldiers such as Aleksandr Lebed and Aleksandr Rutskoi and describes the military's growing political alienation from the Yeltsin administration His final chapters cover the presidential elections the short lived Yeltsin Lebed political alliance the tensions associated with Yeltsin's ailments and Yeltsin's efforts to rebuild his personal power political effectiveness *The Soldier in Russian Politics* presents political history in an incisive and objective manner It applauds the progressive officers soldiers and politicians where decisions minimized bloodshed and prevented civil war But it also warns that civilian and military leaders can make mistakes which cause political institutional failure violence and dictatorship This book will interest political scientists political sociologists students of Russian and soviet politics and all military historians and professionals *Russian Politics and Response to Globalization* Lada V. Kochtcheeva, 2020-02-17 This book analyzes the nature of Russia's involvement with globalization To date Russia has mainly followed a course of selective openness governed by an increasingly strong state pursuing self determination and its own vision of strategic objectives and forms of cooperation rather than the projected reproduction of global convergence It is also a country that is believed to be finding a new place and position for itself in the evolving global order where European and American reflections shape the treatment of contemporary questions concerning Russia's status in the world The book highlights the problems and conflicts associated with political developments democratization economic reforms and innovation as well as societal perceptions and national identity formation The world is shifting with Russia developing its own vision of global politics and cultivating a pragmatic strategy based on national interest one that supports globalization where necessary and opposes it where conflicts of interest and values are inevitable

**Elites and Leadership in Russian Politics** Graeme Gill, 2016-07-27 The fall of the Communist regime in the USSR and Russia's search for a democratic and prosperous market based future is one of the most compelling episodes of the end of the twentieth century A central part in this drama is being played by political elites These essays written by some of the leading scholars in the field analyse various aspects of the role being played by elites and leaders in Russian politics Among the issues dealt with are the origins of the Russian elites including the issue of continuity with the Soviet past the relationship between political and economic elites the means taken by elites to structure politics and their relations the dynamic of elite politics and the nature of post communism These essays deal with many of the crucial questions facing Russia today

**Russian Politics Today** Susanne A. Wengle, 2022-10-27 Russian Politics Today Stability and Fragility provides an accessible and nuanced introduction to contemporary Russian politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia's politics economy and society The volume provides up to date coverage of core themes Russia's strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post Soviet era providing the tools for interpreting the past and the present while also offering a template for understanding future developments

This book delves into Russian Politics. Russian Politics is an essential topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Russian Politics, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Russian Politics
- Chapter 2: Essential Elements of Russian Politics
- Chapter 3: Russian Politics in Everyday Life
- Chapter 4: Russian Politics in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Russian Politics. This chapter will explore what Russian Politics is, why Russian Politics is vital, and how to effectively learn about Russian Politics.
3. In chapter 2, this book will delve into the foundational concepts of Russian Politics. The second chapter will elucidate the essential principles that must be understood to grasp Russian Politics in its entirety.
4. In chapter 3, the author will examine the practical applications of Russian Politics in daily life. The third chapter will showcase real-world examples of how Russian Politics can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Russian Politics in specific contexts. The fourth chapter will explore how Russian Politics is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Russian Politics. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Russian Politics.

## **Russian Politics Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Politics free PDF files is Open Library. With its vast collection of over 1

million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Politics free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Russian Politics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Russian Politics Books**

1. Where can I buy Russian Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or

software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Russian Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
