Russias Rulers Under The Old Regime:

Russia's Rulers Under the Old Regime D. C. B. Lieven, 1989 Russia's Rulers Under the Old Regime Dominic Lieven, 1991-02-06 Who were the members of the Russian ruling elite during the reign of the last Tsar before the Revolution How did high level politics operate in Imperial Russia s last years In this highly original book Dominic Lieven probes deeply into the lives of the 215 men appointed by Nicholas II to the State Council which contained all important members of the Russian governmental system of that era Basing his research on previously untouched Soviet archival sources Dominic Lieven describes the social ethnic educational and career backgrounds of these men and he explores how their mentalities were shaped what their political views were and how their attitudes and opinions were influenced by their differing backgrounds and careers Lieven looks not only forward to the causes of the collapse of the old regime but in his introductory chapter backward as well tracing the history of the Russian ruling elite from its earliest origins and making comparisons with the ruling elite of other societies His conclusions about the resilience of the old aristocratic Russian families and the operation of their self protective career advancing network are striking and original Lieven s book serves many purposes It tells us a great deal about the balance of power between the bureaucrats and their monarchs it brings to life the members of the last ruling elite and it reveals interesting information about the role and personality of the Emperor Nicholas II By making regular comparisons with aristocratic elites elsewhere it sets the Russian experience in a broader European context And by looking at Russia s problems through the eyes of its ruling aristocracy it enables us to understand a good deal that is otherwise incomprehensible about the coming of the Russian Revolution Russia's Rulers Under the Old Regime D. C. B. Lieven, 1989 Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia s state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization

The Radical Right in Late Imperial Russia George Gilbert, 2015-11-19 The revolutionary movements in late tsarist Russia inspired a reaction by groups on the right Although these groups were ostensibly defending the status quo they were in fact as this book argues very radical in many ways This book discusses these radical rightist groups showing how they developed considerable popular appeal across the whole Russian Empire securing support from a wide cross section of society The book considers the nature and organisation of the groups their ideologies and policies on particular issues and how they changed over time The book concludes by examining how and why the groups lost momentum and support in the years immediately before the First World War and briefly explores how far present day rightist groups in Russia are connected to this earlier movement **Russia in the Age of Reaction and Reform 1801-1881** David Saunders, 2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War and Peace and Anna Karenina brings the

series near to completion David Saunders examines Russia's failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis [A History of Russia Volume 1](#) Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists **Russian Nationalism Since 1856** Astrid S. Tuminez,2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases _Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_ when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior **Longman Companion to Imperial Russia, 1689-1917** David Longley,2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period **Russia: A History, New Edition** Gregory Freeze,2002-03-28 Drawing on recently opened archival materials leading American and European scholars provide an authoritative interpretation of Russian history and culture ranging from the eighth century to the recent creation of the Commonwealth of Independent States *The History of Russia from 1801 to the Present* Rosina Beckman,2018-07-15 In the slightly more than two centuries since the dawn of the nineteenth century Russia has undergone sweeping changes several times over Readers will learn about the tension between reform and autocracy that marked the nineteenth century World War I and the fall of the last tsar and the rise of the USSR They will examine the USSR's time as a twentieth century superpower the fall of communism and Russia's current power plays for global influence Sidebars provide extra information while historical photographs let readers see the figures and events that shaped Russian history with their own eyes *Count Sergei Witte and the Twilight of Imperial Russia* Sidney Harcave,2015-04-08 Sergei Witte served as finance minister and later prime minister of Russia during the reigns of Alexander III and Nicholas II and was in large part responsible for the development policies which saw Russia transformed from a peasant economy into an industrial nation This is the first biography of Witte in English **Stalin**

Stephen Kotkin, 2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin's psychological makeup showing us instead how Stalin's near paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin's momentous decisions outside of the context of the history of imperial Russia Russian Conservatism Paul Robinson, 2019-10-15 Russian Conservatism examines the history of Russian conservative thought from the beginning of the nineteenth century to the present Robinson charts the contributions made by philosophers politicians and others during the Imperial Soviet and post Soviet periods Looking at cultural political and social economic conservatism in Russia Russian Conservatism demonstrates that such ideas are helpful in interpreting Russia's present as well as its past and will be influential in shaping Russia's future for better or for worse in the years to come Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration **The Russian Tragedy: The Burden of History** Hugh Ragsdale, 2016-09-16 This work provides an interpretive history of Russia from earliest times to today recounting the story of Russia's past It discusses Russia's strengths and weaknesses as a civilization and the challenges posed by the contemporary effort to remake Russia Ukrainian Past Ukrainian Present Bohdan Krawchenko, 1993-07-13 **The End of Tsarist Russia** Dominic Lieven, 2016-08-16 An Economist Best Book of the Year A Financial Times Best Book of the Year Winner of the the Pushkin House Russian Book Prize Finalist for the Lionel Gelber Prize An Amazon Best Book of the Month History One of the world's leading scholars offers a fresh interpretation of the linked origins of World War I and the Russian Revolution Lieven has a double gift first for harvesting details to convey the essence of an era and second for finding new startling and clarifying elements in familiar stories This is history with a heartbeat and it could not be more engrossing Foreign Affairs World War I and the Russian Revolution together shaped the twentieth century in profound ways In *The End of Tsarist Russia* acclaimed scholar Dominic

Lieven connects for the first time the two events providing both a history of the First World War's origins from a Russian perspective and an international history of why the revolution happened. Based on exhaustive work in seven Russian archives as well as many non-Russian sources, Dominic Lieven's work is about far more than just Russia. By placing the crisis of empire at its core, Lieven links World War I to the sweep of twentieth-century global history. He shows how contemporary hot issues such as the struggle for Ukraine were already crucial elements in the run up to 1914. By incorporating into his book new approaches and comparisons, Lieven tells the story of war and revolution in a way that is truly original and thought-provoking.

Imperial Rivals Sarah C.M. Paine, 2023-05-31. Based on archival research, this is a history of the Russo-Chinese border which examines Russia's expansion into the Asian heartland during the decades of Chinese decline and the 20th-century paradox of Russia's inability to sustain political and economic sway over its domains. Russian Peasants Go to Court Jane Burbank, 2004-09-16. Will challenge and should transform existing interpretations of late Imperial Russian governance, peasant studies, and Russian legal history. Cathy A. Frierson: a major contribution to our understanding both of the dynamic of change within the peasantry and of legal development in late Imperial Russia. William G. Wagner: *Russian Peasants Go to Court* brings into focus the legal practice of Russian peasants in the township courts of the Russian empire from 1905 through 1917. Contrary to prevailing conceptions of peasants as backward, drunken, and ignorant and as mistrustful of the state, Jane Burbank's study of court records reveals engaged rural citizens who valued order in their communities and made use of state courts to seek justice and to enforce and protect order. Through narrative studies of individual cases and statistical analysis of a large body of court records, Burbank demonstrates that Russian peasants made effective use of legal opportunities to settle disputes over economic resources, to assert personal dignity, and to address the bane of small crimes in their communities. The text is enhanced by contemporary photographs and lively accounts of individual court cases.

Russias Rulers Under The Old Regime Introduction

In today's digital age, the availability of Russias Rulers Under The Old Regime books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russias Rulers Under The Old Regime books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russias Rulers Under The Old Regime books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russias Rulers Under The Old Regime versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russias Rulers Under The Old Regime books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russias Rulers Under The Old Regime books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russias Rulers Under The Old Regime books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russias Rulers Under The Old Regime books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
