**Gunsmoke Express** Gillian F Taylor, 2019-06-01 Thanks to a tip off Sheriff Alec Lawson and his deputies fight and capture the notorious outlaw Saul York But the trouble doesn't end there Alec falls desperately ill and when he recovers he finds that York's lawyer has got him out on bail Although still weakened by his illness Alec is determined to get back to work He soon finds himself in the action again but fatigue leads to a terrible mistake and he begins to doubt his abilities Will his frailty endanger his friends York is still out there somewhere protected by his ambitious lawyer When York becomes his prime suspect in a murderous robbery Alec Lawson must push himself to close the net on the elusive outlaw He'll have to face down a lynch mob the killer outlaw and his own doubts to get the job done whatever the cost to himself **Range**

**Rustlers** G Mitchell, 2017-04-01 Tad Strong had made a bold attempt to capture the outlaw king in his own domain Everything had gone dreadfully wrong Now he was pinned down surrounded and hopelessly outnumbered Tad retreated to the wall propping himself against it He was suddenly overwhelmed with the constant barrage of bullets splintering wood shattering objects pounding a relentless cacophony of his certain and impending doom He realized with a rush the enormous stupidity of thinking he could slip into Bligh's stronghold take him out and escape At least he would die thinking of Becky and the feel of her lips against his There was no further sense in even trying to prolong the inevitable There were too many Bligh was dead but in everything else he had failed He sighed in resignation leaned his head back against the wall and waited for the bullet that would end it *Blood Bond* William W.
