Significant Food Jeff Birkenstein, Robert C. Hauhart, 2024 Significant Food is a collaborative work of textual analysis and criticism that chews on the role and prominence of food in American literature The volume offers close readings of many well known and some less well known examples of American writing as studied through the food culture sensibilities of a well stocked cupboard of contributors who offer their analyses for public consumption Editors Jeff Birkenstein and Robert C Hauhart find that literary criticism has focused on the role food plays in literary production to a greater extent than recognized at first glance and that its role has become increasingly common only in the last two decades Still while there is critical commentary regarding authors use of food across the expanse of American literature there has been a lack of a unifying critical theories to guide these analyses Birkenstein and Hauhart offer the theory of significant food a method that asks literary critics to evaluate and assess the extent nature and role that food plays in literary production When food and food moments are used intensively and significantly within the drama memoir poem novel short story or other writing then one can say that it has achieved a status that makes it indispensable to the work at hand

God's Promises Jordanis Joseph, 2021-05-15 The promise of God is like a seed given to a farmer It must be planted in good soil and well taken care of Courageously and patiently with much devotion that farmer will vigilantly wait observing his crop day by day without distraction until the harvest comes We do not believe in God because things look good but because we must put our total trust in the Lord whatever the circumstances may be But what some forgot is that if the presence of the Lord isn't with His people the Ark of the Covenant among them is nothing more than a piece of equipment Walking in obedience to the Lord is an opportunity for those who are devoted to Him to position themselves for victory Waiting on the Lord is about knowing the God who gives us the understanding to position ourselves to receive the fulfilment of His promises
