Chelsea FC Fiona Young-Brown,2019-12-15 Since its founding in 1905 Chelsea FC has gone through a series of ups and downs on its path to becoming one of Europe s most successful soccer clubs Through this comprehensive volume young readers will discover key players notable wins and how the team has tackled such problems as hooliganism Examining major turning points like the team s purchase by Russian oligarch Roman Abramovich the successful Jose Mourinho years and beyond this book explores Chelsea s rise from a modest London club to a major global brand **Leicester City: The Immortals** Harry Harris,2016-07-05 The Immortals is the fairy tale account of Leicester City who rose from the very bottom of the English Premier League the world s toughest soccer league to triumph against all odds 5 000 1 and finish as champions Ending up in League One third level for the first time in 2008 09 the team stormed through the season to win the league and was promoted back up to the League Championship second league After four seasons as a middle of the pack team Leicester won the league in 2013 14 being promoted to the EPL for the first time in a decade After a strong start the following season the team quickly faded and looked to be facing relegation But after winning seven out of their last nine games they avoided the demotion and finished in fourteenth place Under the calm and wise management of Claudio Ranieri who was named as manager to start the 2015 16 season the East Midlands club stunned football supporters by winning despite not having a recognizable superstar on the team With massive team spirit and a never say die attitude the team kept Tottenham Arsenal and Manchester City at bay to secure their first ever Premier League trophy in their 132 year history In the process journeyman players such as Jamie Vardy Riyad Mahrez N Golo Kante and Kasper Schmeichel became household names and added to the team s growing lore Written by legendary soccer writer Harry Harris with seventy six books to his name The Immortals is a must read for all fans of the sport as well as those who adopted Leicester City and the Foxes during their dramatic run **Red Card to Racism** Harry Harris,2021-04-15 It s not banter It s racist Is football doing enough to give racism the boot The global Black Lives Matter campaign has given greater exposure to the extent of the structural and systemic racism that exists in all strata of our society It has provided renewed impetus to the urgent need to challenge and eradicate racism in all its forms and wherever it is found Sadly sport has not been immune from this especially so in the case of football For too long there were attempts to hide and mitigate racist attitudes and actions within the game but thanks to the growing profile and visibility of black and minority ethnic BAME players both past and present Viv Anderson Cyrille Regis

Jimmy Carter Les Ferdinand Pat Nevin and Ruud Gullit to name just a few and almost three decades of education and campaigning led by Kick It Out attitudes have changed However there s still a great deal left to do Throughout his entire journalistic career leading sportswriter Harry Harris has championed the fight against racism in football Now within these pages he shines a timely spotlight on the Beautiful Game revealing the forces within football that have both helped expose and challenge racism and at times sadly hinder more rapid positive change Includes exclusive commentary from Greg Dyke Glenn Hoddle Ivor Baddiel Mek Stein and Jermain Defoe Highly commendable and will keep the debate raging John Barnes
