Transforming South Asia: Imperatives for Action Ambassador Rajiv Bhatia, Mr Swaran Singh, Ms Reena Marwah, 2013-11-15 Right from the Himalayan hermit kingdoms of Nepal and Bhutan to the island and archipelago countries of Sri Lanka and the Maldives the sheer variety of South Asia not only in geographic terms but also in terms of culture language and tradition is unparalleled A wide array of religious beliefs existing in the region alongside distinctive mind sets tend to differentiate the countries that make up South Asia The divisions however of the region among countries are not the same as the divisions among cultures religions This book titled Transforming South Asia Imperatives for Action is the outcome of serious deliberations among well known scholars diplomats and policymakers at the Third Conference of the Asian Relations Conference Series organized by Indian Council of World Affairs in collaboration with Association of Asia Scholars in March 2012 Papers presented in the conference were thoroughly revised before publication and editors acknowledge with gratitude these insightful contributions Most contributors to this volume believe in the pertinence of regional integration amongst various South Asian nations Specifically the volume sheds considerable light on the issue of regionalization and co operation as tools to achieve the much longed for transformation in South Asia Experts do not shy away from examining issues of conflict and how border disputes have often marred the positive spirit of regionalization as also other mechanisms of SAARC in its day to day functioning Therefore an effort to present the complex reality objectively is visible Contributors also underscore India s role in regionalization of South Asia as being far more pragmatic since it has strengthened local synergies especially at the level of their civil societies **Regional Cooperation in South Asia and**

Southeast Asia Kripa Sridharan, 2007 Provides a comparative sketch of regional cooperation in South and Southeast Asia in the light of various political economic and social developments in the two regions *The Routledge Handbook of South Asia*

Adluri Subramanyam Raju, R. Srinivasan, 2023-08-31 This handbook presents an authoritative overview of South Asia through the lens of geopolitics political dynamics economics human security and sustainable development It brings together key insights from various disciplines to provide an in depth understanding of the genesis course and future potential of South Asia as a region The handbook Explores the post colonial political landscape of India Pakistan Sri Lanka the Maldives Nepal Bhutan and Afghanistan and analyses the challenges to political stability and governance in South Asia Studies the opportunities and challenges produced by globalization and recommends solutions towards greater connectivity and trade in South Asia Delves into the issues of climate change water and land resource dependency and energy security and singles out policy challenges as well as positive actions to promote sustainable development and implement the blue economy Discusses the political dynamics of regional cooperation between countries and the role of China in South Asian regional affairs An invaluable addition to the study of South Asia this volume will be an indispensable resource for scholars teachers and researchers of political science international relations South Asia studies South Asian politics history defence and strategic studies political economy developmental studies public policy and sustainability studies Democracy, Sovereignty and Terror

Adam Roberts, 2012-08-20 For those of us who have to live with terrorism when we leave home in the morning there is no guarantee that we will come back Thus Lakshman Kadirgamar Sri Lanka's Foreign Minister foreshadowed his own assassination in 2005 He was an astute and brave thinker and practitioner on many key issues in international politics Long before 9 11 he warned Western democracies that they were too passive about the activities on their soil of foreign terrorist movements and their front organizations He was a strong advocate of democracy and human rights conducting the first ever Amnesty investigation into the problems of a particular country Vietnam He was uniquely effective in countering the propaganda campaigns of the separatist Tamil Tigers in his native Sri Lanka the movement which ultimately took his life This definitive work explores the continuing relevance of his ideas for the modern world Democracy Sovereignty and Terror presents Kadirgamar's distinctive voice in his major speeches It also offers a convincing picture by those who knew him of a scholar statesman who was both a realist and an idealist He showed that these approaches can be combined in both thought and action

Whither Southeast Asia Terrorism? Arabinda Acharya, 2014-12-30 More than 11 years after the 9 11 attacks and 10 years after the October 2002 Bali bombings the need for a comprehensive assessment of what the countries in Southeast Asia have achieved is overdue We need to consider whether the strategies against both the domestic and transnational terrorist and extremist threat have been appropriate and have yielded desired results The aim of this book is to make a comprehensive assessment of the threats of terrorism and extremism in the region and of the policies and practices adopted by the regional countries to counter the same It is also necessary to evaluate if the region has become a safer place

after the decade long fight Most importantly it is time to ask if we need a rethink or develop a new strategy to contain and manage the threats of terrorism and extremism

Conflicting Identities Rabindra Sen, Anindya Jyoti Majumdar, Bhagaban Behera, 2019-06-26 In the era of globalization regionalism aims at a practical compromise between global governance and national aspirations Attempts have been made by states in varying degrees to advance cooperation towards mutual benefit in different parts of the world However the very process of regional cooperation in a defined geographical area adopts unique ways and special characters to accommodate the particularities of the region and does not lead to similar consequences when compared with the processes in motion in other areas This volume is the culmination of the brainstorming exercise of a National Seminar on Asian Regionalism in the Twenty First Century at the Department of International Relations Jadavpur University Kolkata The task is to fulfil two main objectives to join the debate on the efficacy of regionalism today and make a meaningful contribution to an understanding of the subject and also to suggest ways of tiding over the problems faced by the countries in various regions or sub regions of the Asian continent in their attempts to advance towards the goal of regional cooperation and integration The essays in this book are envisioned to benefit not only a wide community of scholars involved in teaching and research in general and the students of international relations in particular but would also be of interest to any avid reader who intends to explore the patterns of contemporary world politics Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
