Kelsey,1994-06-01 From celibacy to family from hetero to homosexuality and from the relationship of sexuality to scripture relationships marriage psychology and love      **Love, Sexuality, and the Sacrament of Marriage** John Chryssavgis,1996

Two essays Love and Sexuality in the Image of Divine Love and The Sacrament of Marriage The Orthodox Service introduce the reader to the Orthodox perspective on this all important issue With extensive excerpts from twenty two Church fathers and modern Orthodox theologians ranging from Basil the Great and Gregory of Nyssa to Alexander Elchaninov and Kallistos Ware      **The Freedom of Sexual Love (Complete and Unabridged)** Joseph Bird,Lois F. Bird,1967 This is a love story It

is the story of sexual love the love of man and woman united in the mystery of a sacrament which joins them in one flesh On this compelling note Joseph and Lois Bird begin a detailed and sympathetic treatment of the Christian concept of sexuality in marriage The authors examine candidly and explicitly the physical psychological and spiritual dimension of the marital union as well as the responsibilities of marriage A mature comprehensive guide to the subject of human sexuality The Freedom of Sexual Love covers all aspects of love making with wholesomeness and reverence The authors emphasize the inseparability of spirit and flesh in Christian marriage stressing the involvement of the total personality Thus they consider fully the psychological and spiritual meaning found in sexual relations and the nature of man and woman as they interact as husband and wife Throughout the book the authors stress that sexuality permeates every aspect of the human relationship in marriage and there is a need for the marriage partners to understand this fully Drawing upon the countless experiences of the many couples they have counseled and especially upon their own marriage the authors have succeeded in portraying the marital union as a commitment in love The Freedom of Sexual Love is an invaluable reading experience for anyone married about to be married or contemplating the sacrament of marriage      *Sex and the Spiritual Life* Patricia Cooney Hathaway,2020-09-11

reflects upon living out the Church's teachings about human sexuality with integrity as a means to achieving spiritual maturity. All those who want to experience the benefits of sexual integrity will be inspired by their witness and benefit from their practical advice. Contributors include Patricia Cooney Hathaway, Timothy P. O'Malley, Deacon James Keating, Susan Muto, Eve Tushnet, Fr. John Riccardi, and Sr. Sarah Fairbanks, O.P., as well as clinical specialists in addictions and marriage and family life. In this groundbreaking book, you will find insights into the following topics: the relationship between sexual integrity and spiritual growth; how the wounds of sexual abuse and addiction can be healed; the link between sexual and spiritual intimacy in marriage; how young adults can receive the formation they need to discover their vocations; navigate the complexities of being single and live in community; how spiritual friendship informs faithful living within the homosexual community; the role of sexual desire in the lives of clergy and religious. This is a much-needed book for thoughtful Catholics to help them reclaim sexuality as a positive, joyful component of the human experience and to present a path of healing and hope for those who need to chart a new course.

**Our Sexuality, the Primal Sacrament** Matt Tumulty, 2005-01-01

*A Catholic Handbook on Sex* William C. Graham, 2011

Children of the Light know that human sexuality is not just about the pleasures of the flesh but about the witness of holy lives. And holy lives need be neither dull nor lacking in pleasure. So we ask: not "What and how much can I get away with and still hope to see the face of God?" but "How can I feel confident that my deeds and my attitudes are in keeping with human dignity so that I can act and walk confidently as a son or daughter of the Most High God?" What does the Church teach? If I do not immediately understand the wisdom of a position or teaching, shall I presume that the Church is wrong and should change to share my opinion? What if I find some teachings difficult either to understand or to put into practice? These are the questions that launch Fr. Graham's investigations into this topic. Those who seek only a good time will find this book out of step with that desire. Those who seek to participate as fully as possible in what it means to be both fully human and fully alive will be both cheered and challenged here.
