Sacred Art Of Shakespeare To Take Upon Us The Mystery Of Things:

Sacred Art of Shakespeare Martin Lings, 1998-11-01 Revised and Expanded Edition of The Secret of Shakespeare Reveals the full scope of Shakespeare's plays as sacred visionary dramas illuminating the bard's greatest works and the man behind them Reveals how through the use of esoteric symbol and form Shakespeare's plays mirror the inner drama of the journey of all souls Conveys a heightened understanding of the plays through examining the theatrical rendering of their texts Through his study of such plays as Hamlet Othello MacBeth and King Lear Lings supplies expert and inspiring guidance to the beautifully wrought words and worlds of William Shakespeare Lings's particular genius lies in his ability to convey as perhaps no one else has ever done the theatrical renderings of these texts leaving readers with deep and lasting impressions not only of these masterpieces of dramatic artistry but of the extraordinary man behind them as well **Shakespeare's**

Window Into the Soul Martin Lings, 2006-06-27 Shakespeare's plays argues Lings concern far more than the workings of the human psyche they are sacred visionary works that through the use of esoteric symbol and form mirror the passage the soul must make to reach its final sacred union with the divine **A Secret Book** Timothy Horan, 2023-08-11 This book explores the supernatural and prophetic elements within Shakespeare's ten plays of English history King John Richard II Henry IV Parts One and Two Henry V Henry VI Parts One Two and Three Richard III and Henry VIII Treating each as a form of nonfiction it analyzes these plays and their prophecies through the lens of free will or fate demonstrating how Shakespeare's characters are entangled with cosmic forces and the occult The author makes several intriguing discoveries regarding Shakespeare's plays beliefs and the world he lived in [The Essential Martin Lings](#) Martin Lings, 2023-09-08 This collection of the essential writings of Martin Lings brings together some of the most outstanding chapters from his wide range of works In addition to selections dealing with the perennial philosophy such as Do the Religions Contradict One Another the anthology includes sections from Lings writings on Islam and Sufism notably his magisterial account of the life of the Prophet Muhammad his acclaimed biography of the Algerian Sufi master Ahmad al Alawi his pioneering work on the Quranic art of calligraphy and illumination and his celebrated translations from the Arabic of classics from the field of Sufi mystical poetry Also featured are selections on the spiritual dimensions to be found in the mature plays of Shakespeare such as Hamlet

Indigenous North American Drama Birgit Däwes, 2013-01-01 Traces the historical dimensions of Native North American drama using a critical perspective **The Black Nightgown** Nathan Schwartz-Salant, 2007 A woman's dream of being trapped in a black nightgown reveals a dread that dominates her psyche and blocks her development as a self In her story and others Jungian analyst Nathan Schwartz Salant reveals how the same complex characterizes our society as a whole This archetypal pattern is the Fusional Complex The Fusional Complex is like the Renaissance alchemists prima materia said to be vile and worthless ubiquitous and easily discarded and yet essential for the creation of that most highly prized goal of the alchemical opus the lapis a symbol of the self Like the prima materia the Fusional Complex is found everywhere in addition

and codependency in masochistic submissions that sacrifice essence and potential in the dark corners of relationships that are fixed in old patterns and simmer in contempt and resentment and in the array of the character disorders Because it generally goes unseen however these disorders do not transform Through the theory of the Fusional Complex and with the non ordinary perception that detects it we can learn to make transformative discoveries that are rarely possible through usual analytic procedures And through the cultural and individual examples of *The Black Nightgown* we will see that the Fusional Complex is the doorway through which any new form of consciousness and associated self the structure that bestows a sense of identity and order within human life must pass

Staging Shakespeare Brian Kulick, 2021-07-29 This book begins with a phone call You answer it and learn that you got the job Several months from now you re going to stage a Shakespeare play Now what do you do I mean what do you do after that initial burst of adrenalin has passed through your body and you realize you haven t a clue as to what the play is really about or what you might want to do with it How exactly do you prepare for such an equally wonderful and daunting task This is the central question of this book It grows out of decades of preparing for Shakespeare productions and watching others do the same It will save you some of the panic wasted time and fruitless paths experienced It guides you through the crucial period of preparation and helps focus on such issues as What Shakespeare s life work and world can tell us What patterns to look for in the text What techniques might help unpack Shakespeare s verse What approaches might unlock certain hidden meanings What literary lenses might bring things into sharper focus What secondary sources might lead to a broader contextual understanding What thought experiments might aid in visualizing the play Ultimately this book draws back the curtain and shows how the antique machinery of Shakespeare s theatre works The imaginative time span begins from the moment you learn that on such and such date you will begin rehearsing such and such Shakespeare play Our narrative clock starts ticking the moment you put down the phone and stops when you arrive at the rehearsal hall and begin your first table read So much of what will be the success or failure of a director s project rests on this work that is done before rehearsals even begin

The Underlying Religion Martin Lings, 2007-07-18 This is an anthology of 25 essays by the leading exponents of the perennialist school of comparative religious thought It aims to be the most accessible introduction yet to the perspective of the Perennial Philosophy

The Quest, 2001

Kings and Dervishes Said Amir Arjomand, 2025-03-11 Sa d Amir Arjomand s *Kings and Dervishes* is a pioneering study of the emergence and development of Sufism during the formation of the Persianate world Whereas Sufi doctrine was expressed in the New Persian language its social organization was detached from the civic movement among the urban craftsmen and artisans known as the *fotovva t* and was politically shaped by multiple forces first by the revival of Persian kingship and then by the emergence of the Turko Mongolian empires The intermingling of Sufism s developmental path with

the transformation of the Persianate political regimes resulted in the progressive appropriation of royal symbols by the Sufi shaykhs The original Sufi world renunciation gave way first to world accommodation and the medieval love mysticism of Jal al Din Rumi and Hafez of Shiraz and then to world domination This comprehensive work of historical sociology traces these spiritual and political evolutions over the course of some six centuries showing how the Sufi saints symbolic sovereignty was eventually made real in the imperial kingship of the Persianate world s early modern empires **A Return to the Spirit** Martin Lings,2005 This insightful autobiographical account details one man s relationship with a spiritual master and how it led to a deep spiritual understanding of human life The 96 year old author a respected British scholar recounts the lessons learned from the Sufi sage including the answers to profound questions such as Do religions contradict one another What is the spiritual significance of tears and laughter How does the Divine play a part in such simple acts Do civilizations embody spirituality and How is the Quranic definition of the afterlife related to Sufism An appendix in memory of Dr Lings includes tributes from Huston Smith and Wendell Berry photos from Doctor Lings and excerpts from major obituaries
