Sacred Country Rose Tremain,1993 Mary Ward at age six realizes that she is a boy and not a girl She searches for three decades to find her identity *Contemplating Country* Garry Worete Deverell,2023-10-05 *Contemplating Country* picks up where *Gondwana Theology* 2018 left off It extends and deepens the ways in which Aboriginal spirituality and Christian theology may talk to each other Employing the image of conversation around a campfire *Contemplating Country* invites the reader to consider the ways in which Christian theology community and practice may be transformed through a deep and profound encounter with Aboriginal ways of seeing knowing and doing Such transformation is necessary according to this author if Christianity is ever to leave behind its Eurocentric habits and truly arrive in the sovereign and unceded country of Aboriginal and Torres Strait Islander nations **Comanche Dawn** Mike Blakely,1999-05-15 In *Comanche Dawn* Mike Blakely does for the Comanche nation what Ruth Bebe Hills did for the Sioux in *Hanta Yo* This landmark novel is the first time the story has been told from the point of view of the Comanches themselves We witness the rise of one of the most powerful mounted nations in history through the eyes of a young warrior named Horseback Born on the very day that the first horse comes to his people Horseback matures into a leader of unquestionable courage and vision He assumes powerful medicine granted to him by spirits encountered on a grueling vision quest and he takes Teal the most beautiful young woman of his tribe as his wife and lifelong love Guided by forces more powerful and dangerous than even he can control or explain Horseback will face death time and time again with only his medicine and Teal to stand beside him Failure will mean destruction not only for himself but for his people Success will mean unimaginable wealth for his new nation Ancient enemies will seek to destroy him Strange newcomers with pale skin and treacherous ways will attempt to enslave him Even his own inner spirit powers threaten always to consume him should he fail to respect them Only the bravest of True Humans dare to follow Horseback on his great adventure down a trail that can lead only to glory or annihilation At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Sinai and Palestine in Connection with Their History* Stanley,1864 **Sinai and Palestine** Arthur Penrhyn Stanley,1864 **Human Rights and Religious Values** ,1995 *Sects and new religious movements* Brules Harry Combs,1995-03-01 There once was a time when longhorns bawled and cowboys hollered on the dusty Chisholm trail When wild young men toting six shooters danced with saloon girls and dreamed of the mother lode When Comanches on the warpath drenched the plains in blood And one hard hurting cowboy began a legendary trek across the American west Magnificent sprawling and impeccably researched *Brules* captures the exhilarating romance of a time and a place that will never exist again An epic tale of one man's search for justice in the Old West Harry Combs's classic novel tells the story of Cat Brules whose life embraces the whole short turbulent history of the West who sought revenge in a one man war against the Comanche nation who found brief passionate love with a Shoshone woman and who rode hell bent toward the tragedy that would make him an outlaw or a hero Praise for

Brules A great achievement Harry Combs s knowledge and love of the southwest shines through The custom tradition history wildlife guns and people are all there it s real Rosamunde Pilcher author of The Shell Seekers One of the toughest strongest most exciting most colorful westerns I ve ever read The Advocate Baton Rouge La **Popular Spiritualities** Lynne Hume,Kathleen McPhillips,2006 In our contemporary post modern world popular forms of spirituality are increasingly engaging with notions of re enchantment of self and community Drawing on case studies of particular groups including pagans witches radical faeries post modern tourists and queer and goddess groups contributors from Australia the UK and North America discuss various forms of spirituality and how they contribute to self knowledge identity and community life The book documents an emerging engagement between new quasi religious groups and political action eco paganism post colonial youth culture and alternative health movements to explore how social change emerges *Discourse and Ideology in Medieval Japanese Buddhism* Richard K. Payne,Taigen Dan Leighton,2006-04-18 The medieval period of Japanese religious history is commonly known as one in which there was a radical transformation of the religious culture This book suggests an alternate approach to understanding the dynamics of that transformation One main topic of analysis focuses on what Buddhism its practices and doctrines its traditions and institutions meant for medieval Japanese peoples themselves This is achieved by using the notions of discourse and ideology and juxtaposing various topics on shared linguistic practices and discursive worlds of medieval Japanese Buddhism Collating contributions from outstanding scholars in the field of Buddhist Studies the editors have created an important work that builds on preliminary work on rethinking the importance and meaning of Kamakura Buddhism published recently in English and adds greatly to the debate **Environmental Justice as Decolonization** Julia Miller Cantzler,2020-09-17 This book corrects the tendency in scholarly work to leave Indigenous peoples on the margins of discussions of environmental inequality by situating them as central activists in struggles to achieve environmental justice Drawing from archival and interview data it examines and compares the historical and contemporary processes through which Indigenous fishing rights have been negotiated in the United States Australia and New Zealand where three unique patterns have emerged and persist It thus reveals the agential dynamics and the structural constraints that have resulted in varying degrees of success for Indigenous communities who are struggling to define the terms of their rights to access traditionally harvested fisheries while also gaining economic stability through commercial fishing enterprises Presenting rich narratives of conquest and resistance domination and resilience and marginalization and revitalization the author uncovers the fundamentally cultural political and ecological dynamics of colonization and explores the key mechanisms through which Indigenous assertions of rights to natural resources can systematically transform enduring political and cultural vestiges of colonization A study of environmental justice as a fundamental ingredient in broader processes of decolonization Environmental Justice as Decolonization will appeal to scholars of sociology anthropology environmental studies law and Indigenous studies **British and Foreign State Papers** Great Britain.

Foreign Office, Great Britain. Foreign and Commonwealth Office, 1863      **God Save the USSR** Jeff Eden, 2021-03-18 During the Second World War as the Soviet Red Army was locked in brutal combat against the Nazis Joseph Stalin ended the state's violent decades long persecution of religion In a stunning reversal priests imams rabbis and other religious elites many of them newly released from the Gulag were tasked with rallying Soviet citizens to a Holy War against Hitler To the delight of some citizens and to the horror of others Stalin's reversal encouraged a widespread perception that his war on religion was over A revolution in Soviet religious life ensued soldiers prayed on the battlefield entire villages celebrated once banned holidays and state backed religious leaders used their new positions not only to consolidate power over their communities but also to petition for further religious freedoms Offering a window on this wartime religious revolution **God Save the USSR** focuses on the Soviet Union's Muslims using sources in several languages including Russian Tatar Bashkir Uzbek and Persian Drawing evidence from eyewitness accounts interviews soldiers letters frontline poetry agents reports petitions and the words of Soviet Muslim leaders Jeff Eden argues that the religious revolution was fomented simultaneously by the state and by religious Soviet citizens the state gave an inch and many citizens took a mile as atheist Soviet agents looked on in exasperation at the resurgence of unconcealed devotional life      the quiver, 1865      **Parliamentary Debates** New

Zealand. Parliament, 1920      I Say Unto You - Vol. II Osho, 2022-06-22 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That's why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches
