Paganistan Murphy Pizza, 2016-05-13 *Paganistan* a moniker adapted by the Twin Cities Contemporary Pagan community is the title of a history and ethnography of a regionally unique urban and vibrant community in Minnesota The story of the community traces the formation of some of the earliest organizations and churches in the US the influence of publication houses and bookstores the marketplace and the local University on the growth and sustenance of a distinct Pagan community identity as well as discussions of the patterns of

diversifying and cohesion that occur as a result of societal pressure politics and generational growth within it As the first ever study of this long lived community this book sets out to document Paganistan as another aspect of the increasing prevalence of Paganism in the US and contributes to the discussion of the formation of new American religious communities Revealing how canonical theories about community formation in anthropology do not always fit comfortably nor accurately describe how a vibrant Pagan community creates and sustains itself this book will be of interest to scholars of religion and new religious movements worldwide and offers a valuable contribution to discussions within both urban anthropology and sociology

Consciousness of the Heart and Dimension of the Holy Spirit Joseph Sener,2016-11-17 Humans have developed visible and invisible aids like science and religion for survival on Earth and searched for gifts of knowledge which is Gods will and His wisdom We wanted to know why we are on Earth Why we remember the past but not the future and who we really are We search for truth and like to be reminded that the knowledge of the truth belongs to creator God who dwells in higher dimensions
