Haring, 1999 Imitation of the Sacred Heart of Jesus Peter Joseph Arnould, Aeterna Press, THE most ancient special devotion of Christians is doubtless that of the Sacred Heart of Jesus the Son of God The holy Sacraments and the other objects of devotion did not yet exist when the Blessed Virgin Mary found her delight in worshiping the most Sweet Heart of her Jesus already did Holy Joseph clasp that Heart to his bosom even then were the Shepherds and the Magi Simeon and Anna the Apostles and the Disciples attracted to It and by It they longed to show to It the affection and love of their hearts But after Jesus had called upon all men to learn that He is meek and humble of Heart after He had drawn from the treasury of His Heart that best of all gifts the Sacrament of the Most Blessed Eucharist lastly after He had willed that upon the Cross His Heart should be opened and continue open as a place of refuge for all then was devotion to His Divine Heart wonderfully increased Aeterna Press Aeterna Press

B. Riddley, 2011-03-11 God The Same Yesterday Today and Forever From the beginning of time after the fall of Adam man has not understood his purpose in life on Earth The unknown mysteries of life have put man on a pursuit to find answers that are already before him This is where not knowing his creator who has all the answers It the enemy of our soul that has kept us from ever knowing the age old question What is truth The universal mysteries have put man on a pursuit of the infinity to his own short life span and dies never to find the answer Have you the reader ever looked at the wonders that are in this world and asked the question where did it all get its origin Is there some one out there greater than I I have found that there are people born with no knowledge of a higher intelligence than themselves We call them atheist Well this book is about to introduce you to the reality of there is a God and at some point in the time of your life here or in the hereafter you will meet him The fear of the unknown has caused us all without the knowledge of truth to create an inner world that exists in our thoughts that leads us to live a life of willing ignorance This reality block in our minds creates a false sense of security that is based in the material things of this world that can not talk speak or hear These are the idols we in a western world that have become the cymbals of achievements that we value as a reason for living Have you ever thought where these gifts to create these natural phenomena came from Well for seven years the God I serve has given me the answers to many of these questions about man the cosmos and planet Earth all of which he created I am sure that when you read this book the obvious signs will convince you of these realities we all have been a willing participant in the ignorance that have led up to our present state in the world Mark 8:36 KJV 36 For what shall it profit a man if he shall gain the whole world and lose his own soul A Soul's Expressions Estela Valenzuela, 2011-04-30 I love to write so some times I'll write my thoughts and then turn them into a poem Most of what is in my book was inspired by family and friends around me I started writing some of my first poems during a time when one of husband's family members was diagnosed with Cancer Because life is not perfect for anyone no one is exempt from heartache or loss But on the other hand Life can also bring joy such as the birth of a new baby in the family or a job promotion Life is interesting and teaches us all lessons What we learn in our lives can be useful to guide generations after us We gain wisdom and share it **Pray, Pray, Pray** M. Gabriella Turrin, Gianni Sgreva, 2024-09-30 This book proposes prayers rosaries acts of consecration and novenas all gathered together in a very rich collection Monsignor Nicola Rotunno former Apostolic Nuncio and Bishop in one of his letters has described the book with the following words This book promotes devotion towards the Blessed Virgin and it holds in high esteem the practice and exercises of devotion towards her
