Sacred Places And The Pilgrimage Of Life:

Sacred Places and the Pilgrimage of Life Lawrence A. Hoffman, 1991 A discussion of three types of sacred places those of natural beauty those of historical significance and those made holy by human ritual *Sacred Places North America* Brad Olsen, 2008-03-01 This revised and updated comprehensive travel guide examines North America's most sacred sites for spiritually attuned explorers Important archaeological geological and historical destinations from coast to coast are exhaustively examined from the weathered pueblos of the American Southwest and the medicine wheels of western Canada to Graceland and the birthplace of Martin Luther King Jr Histories and cultural contexts are objectively surveyed along with the latest academic theories and insightful metaphysical ruminations Detailed maps drawings and travel directions are also included *Sacred Sites, Rituals, and Performances* Kiran Shinde, 2021-09-09 The conceptual territory of religious tourism is fluid While recreation and leisure based motivation and behaviors are evident in religious tourism this volume reiterates its rootedness in tenets from religious traditions and pilgrimages Using fresh perspectives on place stories rituals performances that are central to pilgrimage and sacred sites essays in this volume explain contemporary expressions of religious tourism and illustrate the dynamic nature of religious tourism as an ecosystem embedded in religious practices rituals and performances The explanations will benefit researchers and practitioners alike and they can find numerous examples that show the significance of religious tourism for sustainable development of destinations *Sacred Mobilities* Avril Maddrell, Alan Terry, 2016-03-03 This collection draws on the Mobilities approach to look afresh at notions of the sacred where they intersect with people objects and other things on the move Consideration of a wide range of spiritual meanings and practices also sheds light on the motivations and experiences associated with particular mobilities Drawing on rich situated case studies this multi disciplinary collection discusses what mobility in the social sciences arts and humanities can tell us about movements and journeys prompted by religious more broadly spiritual and secular sacred practices and priorities Problematizing the fixity of sacred places and times as territorially and temporally bounded entities that exist in opposition to profane everyday life this collection looks at the intersection between the embodied emotional spiritual experience of places travel belief practices and communities It is this geographically informed perspective on the interleaving of religious spiritual secular notions of the sacred with the material and more than representational attributes of associated mobilities and related practices which constitutes this volume's original contribution to the field **Spiritual Pilgrimages: Sacred Sites and Religious Journeys** Georgie Rogers, Embark on a transformative journey with Spiritual Pilgrimages Sacred Sites and Religious Journeys This comprehensive guidebook delves into the profound world of spiritual travel offering insights into some of the most revered pilgrimage destinations across the globe From the sacred trails of the Camino de Santiago to the mystical landscapes of Mount Kailash discover the spiritual significance historical backgrounds and practical tips for each site Whether you're seeking personal growth spiritual awakening or a deeper connection with the

divine this book provides all the guidance you need to embark on a meaningful pilgrimage Enrich your soul embrace new cultures and capture the essence of sacred travel with Spiritual Pilgrimages Sacred Sites and Religious Journeys **Sacred Sites and Sacred Stories Across Cultures** David W. Kim,2021-01-18 This book offers global perspectives from Mediterranean Asian Australian and American cultures on sacred sites and their related stories in regional history Contemporary society witnesses many travelers visiting sacred sites temples mountains castles churches houses throughout the world These visits often involve discovery of new historical facts through the origin stories of the associated tribe region or nation The transmission of oral tradition and myth carries on the significant meaning of those religious sites This volume unveils multi angle perspectives of symbolic and mystical places The contributors describe the religio political experiences of each regional case and analyze the religiosity of local people as a lens through which readers can re examine the concept of iconography syncretism and materialism In addition contributors interpret the growth of new religions as the alternative perspectives of anti traditional religions This new approach offers significant insight into comprehending the practical agony and sorrow of regional people in the context of contemporary history *African Sacred Spaces* 'BioDun J. Ogundayo,Julius O. Adekunle,2019-02-06 African Sacred Spaces Culture History and Change is a collection of carefully and analytically written essays on different aspects of African sacred spaces The interaction between the past and present points to Africans continuing recognition of certain natural phenomena and places as sacred Western influence the introduction of Christianity and Islam as well as modernity have not succeeded in completely obliterating African spirituality and sacred observances especially as these relate to space in its various iterations Indeed Africans on the continent and in the Diasporas have responded to the challenges of history environmentalism and sustainability with sober and versatile responses in their reverence for sacred space as expressed through a variety of religious historical and spiritual practices as this volume attempts to show *Sacred Places, Emerging Spaces* Tsypylma Darieva,Florian Mühlfried,Kevin Tuite,2018-02-19 Though long associated with violence the Caucasus is a region rich with religious conviviality Based on fresh ethnographies in Georgia Armenia Azerbaijan and the Russian Federation Sacred Places Emerging Spaces discusses vanishing and emerging sacred places in the multi ethnic and multi religious post Soviet Caucasus In exploring the effects of de secularization growing institutional control over hybrid sacred sites and attempts to review social boundaries between the religious and the secular these essays give way to an emergent Caucasus viewed from the ground up dynamic continually remaking itself within shifting and indefinite frontiers Pilgrims and Sacred Sites in China Susan Naquin,Chün-Fang Yü,2023-11-15 Until now China has been scarcely represented in the burgeoning comparative literature on pilgrimage This volume remedies that omission discussing the interaction between pilgrims and sacred sites from the tenth century to the present From the perspectives of literature art history religion politics and anthropology the essays focus on China s most famous pilgrimage mountains as well as lesser known sites Until now China has been scarcely represented in the burgeoning comparative
