Anderson,1905 The Sworn Book of Honorius Honorius of Thebes,2016-05-01 As the title testifies students were sworn to secrecy before being given access to this magic text and only a few manuscripts have survived Bits of its teachings such as the use of the magic whistle for summoning spirits are alluded to in other texts Another key element of its ritual the elaborate Seal of God has been found in texts and amulets throughout Europe Interest in The Sworn Book of Honorius has grown in recent years yet no modern translations have been attempted until now Purporting to preserve the magic of Solomon in the face of intense persecution by religious authorities this text includes one of the oldest and most detailed magic rituals It contains a complete system of magic including how to attain the divine vision communicate with holy angels

and control aerial earthly and infernal spirits for practical gain Largely ignored by historians until recently this text is an important witness to the transmission of Kabbalah and Jewish mysticism to European Hermeticists **A Comparative Study of the Constitution Apostolicae Sedis and the Codex Juris Canonici** George Leech, bp. John-Julian, OJN, 2013-06-01 De Sales classic has been described as a masterpiece of psychology practical morality and common sense and after The Bible and The Imitation of Christ is the widest read spiritual book of all time Unlike many others Devout Life was written specifically for lay persons and it demonstrates a rare sensitivity to the demands of life in a world that is often antagonistic to spirituality In this first of its kind edition Fr John Julian offers a fresh translation a most thorough historical introduction and notes explaining points of language and theology along the way Gateway of the Saviours A J Dalton, 2013-03-21 Ancient Gods begin to stir and demand resurrection A naked and crazy holy man leads a young warrior into the realm of the dead In fear for his life a young member of an evil race flees his home An uneasy peace has settled upon Jillan s remote corner of the Empire but he cannot return to his previous simple life Tricked into a bargain with the manipulative God of Mayhem he is forced to embark upon a journey that will leave his hometown undefended Unsure of his fellow travellers pursued by assassins and spies he must discover the means by which to raise up the old gods and defeat the cruel Empire of the Saviours Meanwhile the Empire s vast army of Saints and Heroes descends upon Godsend Jillan s beloved Hella and a few loyal companions resist the dark magicks used against them for a while but the Saviours cannot allow such resistance to go unpunished And from another realm the Declension watches Their servants the Saviours have suffered setbacks The God of Mayhem is loose A young boy with wayward powers is on his way to Haven where he may find a way to destroy them A renegade member of their race is rampaging through their realms Everything is going to plan TO THE MOUNTAIN TOPS Harold Mason Young, 2013-08-26 This is a report about the Lahu people more precisely the Lahu Na divisions of the several ethnic Lahuspeaking tribal groups During the period of this report written by Harold Mason Young most of the Lahu Na lived in northeastern Burma in the Kengtung Shan State of Burma and the bordering province of Yunnan China Harold s focus on the Lahu Na arose from the unusual experience of having been born of missionary parents 1901

Kengtung Burma and not only growing up among the Lahu but working with them as a missionary during his young adult years in Banna China Naturally Harold would learn to speak Shan and Lahu and more important to become united with this unique culture Harold accumulated knowledge and appreciation for their ways as few other foreigners from the outside world would accomplish during this time of history Harold considered the Lahu Na as unique and while similar to other Lahu hill people they were distinct in their own ways In this book he carefully details the people their history as passed down from generation to generation their customs beliefs and rituals and most notable their wonderful knowledge of nature Harold s report of the Lahu Na during this period of history is extraordinary as the Lahu people did not write or document any of these cultural points of interest and the fact that he made the effort to write this book makes available to all a piece of history that is almost now lost to the modern world This book is not intended to be a formal work on the cultural anthropology of the Lahu people yet considerable information has been offered here to students of disappearing cultures It is intended that this collection will expand information that students of social sciences might seek and if that is realized then the efforts of publishing Harold s writing with its detailed and sincere reporting will have been sufficiently rewarded The Gordon Young Family **Sentenced to Be a Hero, Vol. 2 (light novel)** Rocket Shokai,2024-01-23 NO REST FOR THE WICKED Xylo and his unit of penal heroes may have defeated the immortal demon lord Iblis and saved Mureed Fortress but their punishment goes on New enemies emerge a demon lord with the ability to don a human disguise and a band of assassins bent on killing Teoritta plunging the city of Ioff into chaos and destruction With the addition of a dragon knight who couldn t care less about human life and a mysterious artilleryman Penal Hero Unit 9004 finds itself sinking ever deeper into a vortex of combat and conspiracy **Baptism in the Early Church** Everett Ferguson,2009-03-23 A comprehensive survey of the doctrine and practice of baptism in the first five centuries of Christian history arranged geographically within chronological periods
