

THE SACRED CITY OF THE ETHIOPIANS

A landscape painting featuring a tall, cylindrical stone tower as the central focus. The tower is situated in a valley, flanked by a large, dense forest on the right and a more open, hilly area on the left. In the background, rolling hills and mountains are visible under a cloudy sky. The foreground shows a grassy field with some small structures or ruins. The overall style is that of a 19th-century landscape painting.
