Dead Sea Scrolls After Fifty Years, Volume 1 Peter Flint, James C. Vanderkam, 2019-05-09 **The Oracle** Clive Cussler, Robin Burcell, 2020-05-05 The husband and wife treasure hunting team of Sam and Remi Fargo return in a new adventure as they search for an ancient scroll which carries a deadly curse in this thrilling addition to Clive Cussler's bestselling series In 533 A D the last Vandal ruler in North Africa consults an oracle on how to defeat the invading Byzantine army The oracle tells the king that a high priestess cast a curse upon the Vandal Kingdom after a sacred scroll was stolen In order to lift the curse the scroll must be returned to its rightful home But the kingdom falls before the scroll is found leaving its location a great mystery until a current day archeological dig funded by Sam and Remi Fargo uncovers some vital clues The search for the ancient scroll is put on hold when the Fargos learn that a shipment of supplies intended for their charitable foundation's school has been stolen and they travel to Nigeria to deliver new supplies themselves But their mission becomes infinitely more complicated when they run afoul of a band of robbers The group takes Remi and several students hostage and there are signs that the kidnapping is related to the missing scroll The Fargos need all their skills to save the lives of the young girls at the school before they uncover the hidden treasure and lift the deadly curse Afterlife and Resurrection Beliefs in the Pseudepigrapha Jan Aage Sigvartsen, 2019-09-05 Jan A Sigvartsen seeks to examine the immense interest in life after death and speculation about the fates awaiting both the righteous and the wicked that proliferated in the Second Temple period In this volume Sigvartsen analyses the texts of the Pseudepigrapha identifies the numerous afterlife and resurrection beliefs they contain and presents an analysis of these beliefs and how they functioned in the Second Temple period A careful reading of these diverse resurrection passages from testaments to wisdom philosophical literature and prayers reveals that most of these distinct life after death views regardless of their complexity show little evidence of systematic development relational to one another and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh This volume examines testaments from Adam to the Twelve Patriarchs

expansions of stories and legends such as Joseph and Aseneth and the ladder of Jacob and texts such as 4 Maccabees before finally considering the posthumous body the nature of the soul and anthropological implications Sigvartsen's study provides a deeper understanding of how texts that later became a part of the TaNaKh were read by different communities during this important period and the role they played in the development of the resurrection belief a central article of faith in both Christianity and Rabbinic Judaism This volume is a companion to Sigvartsen's work on afterlife and resurrection in the Apocrypha and the apocalyptic literature of the Pseudepigrapha

Heinrich Himmler Franz Wegener, 2013-07-03 What at best has been mentioned in previous monographs about Himmler as the second most powerful man of National Socialism in passing the historian Franz Wegener develops in greater depth Himmler's mind was open to diverse occult influences originating in Germany as well as France Thus he wrote about a book of the German spiritualist Carl du Prel who experimented with hovering tables and mediums A small scientific work on a philosophical basis which truly has me believe in spiritualism and was the first to really introduce me to it He received Gaston de Menges a British occultist who wrote for the mysterious occult group of the Polaires in Paris and who collaborated closely with the founder of the esoteric university in Nice As researched by Wegener Himmler purchased himself a manual for pendulum practice and pendulum magic and in this way came also in touch with the theory of the gnostic Ood He believed in the transmigration of souls attempted to obtain horoscopes from a Munich astrologer and his various occult advisors and agreed with the hypotheses of Karl Heise *Okkultes Logentum* 1921 that occult powers were pulling the strings behind Communists Jews and Freemasons On this background Wegener does not allow Himmler's tendency about occult subjects pass as a mere private matter If Himmler's image of the enemy with respect to Freemasonry and Jews was fed also by occult patterns one can no longer speak of a private matter since the political and by no means private consequence of Himmler's
