heart has become second nature shielding her family from further grief But life has a way of presenting unexpected lessons and Camilla's resolve is tested when Raymond her son's charismatic new teacher enters their lives With Raymond her son finds not just a teacher but a man who understands and loves him as his own Could Raymond be the key to unlocking the joy that Camilla has denied herself for so long As Raymond faces the ghosts of his own past he and Camilla learn that the heart's capacity for love is boundless if only they are brave enough to lower their guards Lessons of the Heart is a stirring narrative that explores the depth of human connection and the courage it takes to face one's demons It's a novel for anyone who believes in the healing power of love perfect for fans of deeply emotional stories that resonate with sincerity and hope Step into Raymond and Camilla's journey and discover that sometimes the greatest lessons are taught by the heart *The Drama Magazine* ...
