the mountain and they all lead to the top This is just one path my path It s not the right path nor is it the wrong path it s just mine and I want to share it with you to help you find your own path up the mountain When I was at drama school I was struggling with the teachings of one particular tutor a man revered for his knowledge of the craft and history in theatre But what he was saying teaching wasn t striking a chord with me That wasn t the way that I did it so I thought Is my whole

technique wrong But why does it feel right Then a very wise teacher sat me down and explained that I wasn't at drama school to learn how to act using his technique I was there to create my own method Take a bit of what he's teaching the bit that resonates with you take a bit of what I'm teaching what she's teaching what they're teaching and so on and create your own method And then over the years add to it when you learn from other actors teachers and acting jobs This advice has translated to many other areas of my life and impacted my spiritual beliefs That is what this book is about It isn't about saying that this is the correct path up the mountain or the way towards enlightenment It is just a path up the mountain This book details my beliefs my knowledge and my path Nothing in this book is wrong it is all 100 percent right For me For now
