Saddam Hussein: A Life from Beginning to End Hourly History, 2018-09-04 Saddam Hussein From his humble beginnings as a farmhand working on tribal Iraqi land to becoming the president of Iraq for more than two decades Saddam

Hussein *Babylon to Brooklyn* Dr Shakir Al-Janabi, 2024-01-31 This book tells the unique story of a self made man a man who grew up in the depths of poverty a man who was able to overcome it and later on became a physician for President Saddam Hussein and his family He practiced medicine in Iraq England and the United States and returned to Iraq after a long absence driven by his love for his homeland and its people especially the poor and destitute His reward after some time was detaining centers and prisons He witnessed the parades of torture and heard the prisoners outcries in the hallways where human lives had no value He specialized in pulmonary diseases in England worked there before traveling to the United States for postgraduate studies and worked in various New York hospitals where he was valued and appreciated Once again his heart longed for his homeland He went against the advice of his family and friends and was determined to return to Iraq again determined to quench his thirst with the water of the Tigris and Euphrates rivers and to inhale the fragrance of the palm trees He returned and worked in the Baghdad hospitals and his private practice until he was suddenly taken away again to a remote unknown detainment center where he was accused of participating in a plot to overthrow the government of Saddam Hussein in 1991 After many excruciating events a miracle occurred and he was released after the security forces subjected him to his fair share of torture After all this he left his homeland in Iraq and returned to living in exile where the highly educated are revered as they should be Dr Shakir Al Janabi addresses in this book many events that took place in Iraq since the 1940s and until the first decade of the twenty first century He discusses the country s political and military issues by virtue of his employment for years as an army doctor and his many high level acquaintances in the fields of the military politics and science He addresses his predicaments with these issues with honesty and literary boldness The whole book impresses the reader and deserves to be read more than once It is enjoyable to read and has an interesting storytelling style It is rich with events and pitfalls that draw the reader from the first pages of the book until the end The book is qualified to become a movie with international fame Yousif Mansoor Alkatib University Professor [The Devil's Double Original Book](#), (which was made into a feature film of the same name, [This Book Sold Over 6.7 Million Copies Worldwide in Twenty Languages](#).) Latif Yahia, THE DEVIL S DOUBLE is the first of 3 autobiographical books chronicling Latif Yahia s incredible life story It vividly describes how Latif was forced to become Uday Hussein s fidai body double and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime Latif survived assassination attempts and witnessed Uday s psychotic temper rapes orgy parties torture atrocities and sadistic murders The book has recently been made into a highly acclaimed movie THE BLACK HOLE gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq How he was treated by western governments and the CIA How Uday sought revenge on Latif and vice versa How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif s Saudi princess lover How Latif made and lost a fortune How he strived in vain for a peaceful life and survived 4 more assassination attempts Forty Shades of Conspiracy brings Latif s story right up to date by detailing his time in Ireland His run ins with drug dealers Corrupt Irish

Garda officers and Irish politicians who continually denied him Irish citizenship His despair as a beggar on the streets and the happiness he found after he met the love of his life His reaction to Uday and Saddam s deaths and his opinion on the current political situation in Iraq all makes fascinating reading Book Description In 1987 Latif Yahia was taken to Saddam s headquarters to meet Uday Saddam s eldest son and told that a great honour had been bestowed upon him that because of the great likeness between them he had been chosen to be Uday s double For many Iraqis it would have been the highlight of their lives but for Latif a peace loving man who did not agree with Saddam s brutal regime it was not He refused Following a week of torture and realising he would be killed if he continued to refuse Latif was forced to accept the role After a gruesome training programme during which he was made to watch over thirty films of torture hours of tapes of Uday and undertake a final remodelling of his appearance Latif was deemed ready But it was only after the final test a meeting with Saddam himself that Latif made his first public appearance And so began his life as Uday s double a life on the perimeter of the inner circle of Saddam s eldest son a witness to the horror of his insane life of debauchery excess and brutality and an experience for which he almost paid with his life on more than one occasion Unholy Babylon Adel Darwish, Gregory Alexander, 1991

Shields, 2003-12-01 Accounts of the leaders whose ideas and actions have changed the course of history Examines each person s life in the context of the politics of the time *Transcripts of Saddams Secret Speeches and Discussions* Saddam Hussein, 2017-09-07 Records from Saddam Hussein s regime released by the Conflict Records Research Center National Defense University The collection contains a wide range of Iraqi government files including

transcripts of high level meetings speeches by Saddam and senior officials correspondence between ministries and records of the Presidential office This compilation gives the reader a fascinating first time ever chance to read in details about Saddam s inner world The chapters include Saddam on The Role of the Iraqi Armed Forces in the Arab Zionist Conflict Saddam on Khomeini the Ethiopian Eritrean conflict the Potential for Kurdish Unrest and the Iranian Economy Saddam and His Inner Circle Discussing Relations with Various Arab States Russia China and the United States Transcript of a Meeting between Saddam and His Commanders Regarding the Iran Iraq War Saddam and His Advisers Discussing Iraq s Decision to Go to War with Iran Saddam and His Inner Circle Discussing the United Nations the Soviet Union and the United States Saddam Discussing Iran gate revelations with His Inner Circle Saddam and Senior Advisers Discussing Iraq s Stance toward International Law Relations with Turkey Kurdish Autonomy and Other Issues Meeting among Saddam Yasser Arafat and Political Advisers Regarding Hostilities with Israel Iraqi Defense Capabilities and Iraqi Syrian Relations Meeting between Saddam and His Security Council Regarding Iraqi Biological and Nuclear Weapons Program Saddam Hussein Meeting with the General Command of the Armed Forces Regarding Iraqi Development and Defense Theory *Saddam Hussein* Andrew Cockburn,Patrick Cockburn,2002 The idea of direct invasion is the greatest threat to Saddam It avoids the problems of securing local allies inside and outside Iraq which bedevil any indirect approach to get rid of him But it has one immense disadvantage from the US point of view if the US invades Iraq to install its own government it will be taking direct physical control of an area containing more than half the world s oil reserves It will look like the founding of a new American empire based on physical force and will be deeply resented It would outrage the Arabs at a moment when the Israel Palestine conflict is in a particularly bloody phase America could find that it has overplayed its hand just as Saddam did when he invaded Kuwait twelve years ago From the new Prologue At the outset of the 1991 Gulf War US leaders resolved the Iraqis will pay the price so long as Saddam Hussein remained in power This book makes chillingly clear just how terrible that price has been Eleven years ago Saddam was caught by surprise his preparations since September 11 show that lessons have been learnt In a substantial new prologue the authors analyse these preparations and the terrifying consequences of a military invasion of Iraq **Saddam Land** Hama Dostan,2007 Saddam Hussein had what some would call a heart of steel whether acting in the capacity of bandit leader political gangster or president Though written in the form of a novel with thriller elements Saddamlandis based on thorough historical research including interviews with a number of those who participated in the real life events described either as Saddam s victims or as his accomplices The intrigues of Iraqi politics and the ways in which Saddam used them to his own advantage for years are described in this account which gives a full and objective picture of the man s life and times A comprehensive guide to all the information sources used by the author is provided *Both in One Trench* Ray Robison,2007 **Atomkraftwerke machen krank** Berliner Ärzteinitiative gegen Atomenergie,1981 *Saddam Hussein's Speeches* Naz Sab,2019-06-02 Saddam Hussein the overthrown President of Iraq

has been characterized as the madman of the Middle East needs no introduction However to be really able to fathom the depth of darkness he inside his mind which enabled him to unleash the dictatorial terror he unleashed one should listen from the horses mouth Saddam Hussein the dear leader has explained the extremity of his actions as President of Iraq as necessary to achieve subjective immunity against foreign plots and influences All actions of the revolution are justified by the exceptionalism of revolutionary needs An investigation of Saddam Hussein s life and career reveals this is merely the justification for a lifelong pattern all actions are justified if they are in the service of furthering Saddam Hussein s needs and ambitions Nothing must stand in the great struggler s messianic path as he pursues his and Iraq s so called revolutionary destiny as summarized by this extract from Saddam Hussein s remarkable Victory Day message of 6 August 1990 This is the only way to deal with these despicable Croesuses who relished possession to destroy devotion who were guided by the foreigner instead of being guided by virtuous standards principles of pan Arabism and the creed of humanitarianism The second of August is the legitimate newborn child of the struggle patience and perseverance of the Kuwaiti people which was crowned by revolutionary action on that immortal day The newborn child was born of a legitimate father and an immaculate mother Greetings to the makers of the second of August whose efforts God has blessed They have achieved one of the brightest most promising and most principled national and pan Arab acts Two August has come as a very violent response to the harm that the foreigner had wanted to perpetrate against Iraq and the nation The Croesus of Kuwait and his aides became the obedient humiliated and treacherous dependents of that foreigner What took place on 2 August was inevitable so that death might not prevail over life so that those who were capable of ascending to the peak would not be brought down to the abysmal precipice so that corruption and remoteness from God would not spread to the majority Honor will be kept in Mesopotamia so that Iraq will be the pride of the Arabs their protector and their model of noble values This book will enlighten the reader about what was going on inside the head of the madman Saddam Hussein
