As the game industry grows, people of all ages are jumping to play the original social network. In our ever-increasing technological world, playing old school games is a welcome retreat from the overexposure to Instagram, Twitter, Facebook, and the rest of social media. Instead of friends sitting around the same table and staring at their phones, they are now either working with or against each other. Millions upon millions of new fans have begun to join their friends in real life for a fun game of Pandemic, 7 Wonders, or Ticket to Ride. *The Everything Tabletop Games Book* shows how to play some of the best tabletop games in the world, from classic strategy games like Settlers of Catan to great new games like Gloomhaven. Throughout the book, you'll learn the different genres of tabletop and board games, how to play each game, rules and strategies to help you win, and even where to play online, including new expansions to keep your favorite games fresh and exciting. So gather up some friends, pick a game from this book, and start playing. You'll be having a blast in no time.

She's left her past behind her and is desperate to make this work. Stockman Adam O'Rourke is equally determined she's going home ASAP. This girl is not the jillaroo he was expecting to help on his station over the summer. She can't even handle a horse. It isn't long before Ivy realises there's more between her and Adam than the job. But Ivy has only one summer on Capricorn Station. One season that's passing way too fast. And when Adam's past blows in unexpectedly, Ivy realises too late that falling for him is bringing back everything she is running from.
