Sadie Mckee:

Not the Girl Next Door Charlotte Chandler, 2012-12-11 As Charlotte Chandler did so well in her previous biographies she will again draw on the recorded words of Joan Crawford and those who knew her well to paint a rich portrait of the woman and the star Joan Crawford was born Lucille LeSueur in Texas in 1908 She became a chorus girl in silent films before finding her voice in *Possessed* 1931 with Clark Gable Their affair would continue on and off screen for many years Throughout the thirties Joan continued to earn critical acclaim for her forte of playing career women who never gave up Her Oscar winning film *Mildred Pierce* in 1945 began the long running feud between Joan and Bette Davis which reached its height with *Whatever Happened to Baby Jane* in 1962 Joan was married four times including once to Douglas Fairbanks Jr who spoke extensively to Charlotte Chandler for this book Following her death Joan's decision to cut her eldest children out of her will prompted her daughter Christina to write the damning book *Mommie Dearest* which changed Joan's image forever Charlotte Chandler spent many hours recording interviews with Joan and also those closest to her What emerges is a subtle portrait of a complex woman and a new insight into the legendary actress

Ferocious Ambition Robert Dance, 2023-10-12 Robert Dance's new evaluation of Joan Crawford looks at her entire career and while not ignoring her early years and tempestuous personal life focuses squarely on her achievements as an actress and as a woman who mastered the studio system with a rare combination of grit determination beauty and talent Crawford's remarkable forty five year motion picture career is one of the industry's longest Signing her first contract in 1925 she was crowned an MGM star four years later and by the mid 1930s was the most popular actress in America In the early 1940s Crawford's risky decision to move to Warner Bros was rewarded with an Oscar for *Mildred Pierce* This triumph launched a series of film noir classics In her fourth decade she teamed with rival Bette Davis in *Whatever Happened to Baby Jane* proving that Crawford whose career had begun by defining big screen glamour had matured into a superb dramatic actress Her last film was released in 1970 and two years later she made a final television appearance forty seven years after walking through the MGM gate for the first time Crawford made a successful transition into business during her later years notably in her long association with Pepsi Cola as a board member and the brand's leading ambassador Overlooked in previous biographies has been Crawford's fierce resolve in creating and then maintaining her star persona She let neither her age nor the passing of time block her unrivaled ambition and she continually reimagined herself noting once that for the right part she would play Wally Beery's grandmother But she was always the consummate star and at the time of her death in 1977 she was a motion picture legend and a twentieth century icon
