How Faith Works Matt Davis, 2006-07-06 Click this link to read a review of How Faith Works This book is autobiographical in concept as the author has had many experiences in life in addition to his bouts with cancer and his subsequent survival As the author brings his story to you in this book his attempt is to present things in a sequence that explain them in the order of importance in his life The author s life was riddled with ups and downs from inception because of the absence of his father and mother but the best thing that happens to him is that he was raised by his loving and caring grandmother Mandy Although many of the situations and experiences he faced existed in his life in Alabama in 1930s they still exist in African American families and their communities today As a result Matt has a keen sense of the value of education which he learned from his grandmother Mandy and other life experiences during the time he lived in Alabama Matt s years as a child growing up in rural Alabama during 1930s 50s at best was turbulent times for young African American boys yet he rode horses with his white friend J a White kid that lived nearby at the time Because of Matt s faith taught to him by his grandmother Mandy he was not afraid to take chances and try new things At age 19 Matt went to work in Pensacola Florida Later that same year he bought a 1939 pretty green Chevy Matt was never deterred by life decisions and still believes it is his faith that has brought him through many ordeals in his life He has stepped out on faith and prevailed in turning what would have toppled the average big city kid but not Matt he turns negatives into positives and perseveres as he gets up again and again

Wilde West Walter Satterthwait, 2012-04-10 A ruthless killer shadows Oscar Wilde across the frontier in this perfect blend of mystery satire and travelogue by the author of Miss Lizzie Publishers Weekly An outrageously controversial literary icon in Great Britain Irish poet novelist and playwright Oscar Wilde has taken his act to America in 1882 The renowned wit is thrilling audiences on his tour of the American West while gleefully soaking in the rugged ambiance of dusty cow towns and rough saloons But all isn t well on the lecture circuit At every stop soon after Wilde s arrival eviscerated corpses of redheaded prostitutes are turning up a grim coincidence that hasn t been lost on dour alcoholic federal marshal Bob Grigsby Apparently there s a serial killer hiding among the writer s traveling entourage a motley group of managers servants and European aristocrats that has lately included the famed gunman John Doc Holliday Between his liaisons with married admirer Elizabeth McCourt Doe and fending off potential assaults by unamused cowboys the flamboyant dandy decides it might be prudent to assist Grigsby in his investigation After all his reputation has already been savaged Unmasking a killer might help to repair it as long as the manhunt remains entertaining enough and Wilde lives to quip another day
