**China's Search for Democracy: The Students and Mass Movement of 1989** Suzanne Ogden, Kathleen Hartford, Nancy Sullivan, David Zweig, 2016-09-16 Within a framework of analysis and background by the four editors this book presents a view from the grassroots of the 1989 student and mass movement in China and its tragic consequences Here are the core eyewitness and participant accounts expressed through wall posters students speeches movement declarations handbills and other documents In their introductions to the material the editors address the political economy of the democracy movement the evolving concept of democracy during the movement the movement s contribution to China becoming a civil society and the changing view of the Chinese Communist Party by students intellectuals workers and others as the crisis unfolded

**In Search of China's Development Model** S. Philip Hsu, Yu-Shan Wu, Suisheng Zhao, 2012-05-23 This book examines the development model that has driven China s economic success and looks at how it differs from the Washington Consensus China s Development Model CDM is examined with a view to answering a central question given China s peculiar matrix of a socialist party state juxtaposed with economic internationalization and marketization what are the underlying dynamics and the distinctive features of the economic and political legal social dimensions of the CDM and how do we properly characterize their interrelations The chapters further analyse to what extent and under what circumstances is China s development model sustainable and to what degree is it readily applicable to other developing countries Based on their findings in this volume the authors conclude that the defining feature of the CDM s economic dimension is Janus faced state led growth and the political legal social dimension of the CDM is best characterized as adaptive post totalitarianism The contributors illustrate that the CDM s parameters are shown to be much less sustainable than the CDM s outcome in developmental performance and the extent to which the CDM can be applied to other late developers is subject to more qualifications than its sustainability

**China's Search for Security** Andrew J. Nathan, Andrew Scobell, 2012-11-06 Despite its impressive size and population economic vitality and drive to upgrade its military China remains a vulnerable nation surrounded by powerful rivals and potential foes Understanding China s foreign policy means fully appreciating these geostrategic challenges which persist even as the country gains increasing influence over its neighbors Andrew J Nathan and Andrew Scobell analyze China s security concerns on four fronts at home with its immediate neighbors in surrounding regional systems and in the world beyond Asia By illuminating the issues driving Chinese policy they offer a new perspective on the country s rise and a strategy for balancing Chinese and American interests in Asia Though rooted in the present Nathan and Scobell s study makes ample use of the past reaching back into history to illuminate the people and institutions shaping Chinese strategy today They also examine Chinese views of the United States explain why China is so concerned about Japan and uncover China s interests in such problematic countries as North Korea Iran and the Sudan The authors probe recent troubles in Tibet and Xinjiang and explore their links to forces beyond China s

borders They consider the tactics deployed by mainland China and Taiwan as Taiwan seeks to maintain autonomy in the face of Chinese advances toward unification They evaluate the strengths and weaknesses of China's three main power resources economic power military power and soft power The authors conclude with recommendations for the United States as it seeks to manage China's rise Chinese policymakers understand that their nation's prosperity stability and security depend on cooperation with the United States If handled wisely the authors believe relations between the two countries can produce mutually beneficial outcomes for both Asia and the world

**In Search of Green China** Ma Tianjie, 2025-02-13 The world cannot address its pressing environmental problems without China But can China be relied upon as a steadfast steward of nature as its leaders have claimed in recent years Prominent environmental campaigner and reporter Ma Tianjie gets to the heart of China's remarkable ecological transformation to answer this question He takes us on a journey through the country's thirty year struggle to clean up its rivers clear its air and stabilize carbon emissions drawing out the complex political impulses that have helped and hindered progress Anchoring his storytelling in some of China's major environmental challenges from Beijing's airpocalypse to the cancer villages of the Huai River basin he shows how the ideas and actions of few extraordinary individuals were critical in changing China from a heavily polluted country to a place where environmental issues are high on the agenda The complex ecological tapestry Ma paints illuminates the key ideas experiences and influences that have shaped China's environmental consciousness and will continue to frame the search for green China well into the twenty first century

**China in Search of a Harmonious Society** Sujian Guo, Baogang Guo, 2008-01-01 This edited volume examines the new concept of building harmonious society proposed by the Chinese leadership under Hu Jintao its important implications for the future of Chinese political development and some major issues and questions in China's academic and public debate on the search for a harmonious society

**Tiananmen Moon** Philip J Cunningham, 2014-05-05 This compelling book provides a vivid firsthand account of the student demonstrations and massacre in Tiananmen Square in 1989 Uniquely placed as a Western observer drawn into active participation through Chinese friends in the uprising Philip J Cunningham offers a remarkable day by day account of Beijing students desperately trying to secure the most coveted political real estate in China in the face of ever more daunting government countermoves Tiananmen Moon takes the reader into the thick of the 1989 protests while also following the parallel response of an unprepared but resourceful Western media In this revised and expanded edition Cunningham recounts rare vignettes about life in Tiananmen Square under student leadership including previously unpublished material There is an account of the Goddess of Democracy being unveiled a whimsical trip to the countryside that ends up on a collision course with PLA troops readying for attack the tale of a near riot when a reporter is mistaken for Gorbachev the saga of a tearful leader who quits and dictates her last will and testament to the author and a dramatic account of futile resistance in the face of an unforgiving crackdown The book chronicles the opportunistic and awkward tango between naive student activists and jaded foreign journalists in which after a month of

mutual courting the tables turn and the now savvy students watch the journalists seduced and confused run circles just trying to keep up During the hunger strike under the light of a full moon China bares its conflicted soul to the world the mournful cry for reform amplified by the footsteps of a million peaceful marchers This remarkable testament to a searing month that changed China forever serves as a witness to the rise and fall of an uprising capturing the plaintive and lyrical beauty of a dream that endures and continues to haunt the country today *In Search of a Coffin* David Ross,2010-07-28

McLaughlin,2023-11-07 Through the eyes of two frontline journalists comes a gripping narrative history of the Hong Kong pro democracy movement centered around a cast of four core activists culminating in the 2019 mass protests and Beijing s brutal crackdown Hong Kong was an experiment in governance Handed back to China in 1997 after 156 years of British rule it was meant to be a carve out between hostile systems a bridge between communism and capitalism authoritarianism and liberal democracy One country two systems kept its media free its courts independent and its protests boisterous designed also to convince Taiwan of a peaceful solution to Beijing s desire for reunification Yet this formulation excluded Hong Kong s own people their future negotiated by political titans in faraway capitals In 2019 an ill conceived law spear headed by a sycophantic leader pushed millions to take to the streets in one of the most enduring protest movements the world has ever seen Xi Jinping responded with a draconian national security law that sought not only to end the demonstrations but quash the problem of Hong Kongers identity and desire for freedom Reverend Chu who believed Hong Kong had to carry the spirit of students at Tiananmen Square saw his silver haired comrades who birthed the city s modern pro democracy movement handcuffed and taken from their homes Tommy an art student radicalized into throwing Molotov cocktails watched Braves like him brutalized by police before his own arrest prompted him to flee Finn epitomized the decentralized nature of the movement and its internet fueled victories but online anonymity couldn t stop his life from unravelling Gwyneth could predict

her eventual fate when she chose to give up her career as a journalist to stand for election as an opposition candidate and did it anyway In *Among the Braves* Shibani Mahtani and Timothy McLaughlin tell the story of Hong Kong's past and what the sacrifices of its people mean for global democracy's shaky foundation

**China's Search for Energy Security** Suisheng Zhao, 2014-06-11 China's rapid economic growth in the recent decades has produced an unprecedented energy vulnerability that could threaten the sustainability of its economic development a linchpin to social stability and ultimately the regime legitimacy of the Chinese Communist Party CCP as well as the foundation for China's rising power aspirations What is the Chinese perception of the energy security and challenges how has the Chinese government responded to the challenges What are the international implications of China's search for energy security This collection of contributions by leading scholars seeks answers to these extremely important questions The book is divided into three parts Part I presents an overview of China's sense of energy security and its strategic responses Part II examines China's energy policy making processes the efforts to reform and reorganize the energy sector and reset policy priorities Part III focuses on the international implications of China's search for energy security This book consists of articles published in the *Journal of Contemporary China*

*The Search for Deliberative Democracy in China* E. Leib, B. He, 2006-10-02 This book investigates whether the theory of deliberative democracy developed in the West to focus democratic theory on the legitimation that deliberation can afford has any application to Chinese processes of democratization It discovers pockets of theory useful to guide Chinese practices and also Chinese practice that can educate the West

*China Off Center* Susan D. Blum, Lionel M. Jensen, 2002-09-30 *China Off Center* takes as its fundamental assumption that contemporary China can only be understood as a complex decentralized place where the view from above Beijing and from tourist buses is a skewed one Instead of generalizing about China it demonstrates that this diverse national terrain is better conceived as it is experienced by Chinese as a set of many Chinas To that end this anthology of interpretive essays and ethnographic reports focuses on the everyday the particular the local and the puzzling Together with contextualizing introductions the readings provide students with a compelling look at some little known but significant aspects of China from the past decade for those already familiar with China they furnish an assortment of uncommon viewpoints in a single convenient volume Foreword by Prasenjit Duara Contributors A Doak Barnett Susan D Blum Diane Dorfman Mary S Erbaugh Edward Friedman Vincent E Gil Dru Gladney Erwin J Haeberle Lionel M Jensen Andrew F Jones Eric Ivan Karchmer Liu Binyan Dalin Liu Man Lun Ng S Robert Ramsey Dorothy J Solinger Ann Tyson James Tyson Sydney White David Yen ho Wu Li Ping Zhou

**The Search for Modern China** Jonathan D. Spence, 1990 This work chronicles the history of China for over four hundred years through the spring of 1989

**China's Search for Modernity** He Ping, 2002-06-18 Twenty years after a return from fundamentalism to economic reality China has become the world's tenth largest economy and an increasingly important global power Despite the rise of fundamentalism and post modernism the pursuit of modernity was an ongoing historical movement in late twentieth century

China He Ping focuses on China's quest for and experience of modernity. Implicitly comparative, the author discusses broad aspects of both Chinese and western civilizations including their scientific traditions and socio-economic structures with reference to modernization. He seeks to enhance our understanding of the cultural changes behind China's phenomenal rise and provides a fresh case study for the global cultural discourse. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Searching For The Real China : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
