Sg Sociology Understanding A Diverse Society:

Sociology Margaret L. Andersen, Howard F. Taylor, 2000-07-25 Andersen Taylor is a theoretically balanced mainstream brief text characterized by its emphasis on diversity. In every chapter students explore research and data that illustrate how class, race, ethnicity, gender, age, geographic residence, and sexual orientation relate to the topics covered. This text provides a solid research orientation to the basic principles of sociology while maintaining an accessible style appealing to the ever-changing student population and inviting students to view the world through a sociological lens. This highly integrated research-oriented contemporary example approach combined with its depth of coverage in a brief text format accounts for its wide appeal to professors and students alike.

Sociology: Understanding a Diverse Society, Updated Margaret L. Andersen, Howard F. Taylor, 2007-02-22
SOCIOLOGY UNDERSTANDING A DIVERSE SOCIETY FOURTH EDITION is a theoretically balanced mainstream comprehensive text characterized by its emphasis on diversity. In every chapter students explore fascinating topics: Hurricane Katrina, same-sex marriage, abuses at Abu Ghraib prison, as well as research and data that illustrate how class, race, ethnicity, gender, age, geographic residence, and sexual orientation relate to sociological topics discussed in that chapter. This text provides a solid research orientation to the basic principles of sociology yet it is fascinating and accessible, appealing to the ever-changing student population and inviting students to view the world through a sociological lens. Andersen and Taylor get students thinking for themselves about sociology with the book's Debunking Society's Myths features and critical thinking exercises. This is the book that will grab student interest and inspire them to keep reading and asking questions. Sociology Margaret L. Andersen, 2002 *The Making of Singapore Sociology* Tong Chee-Kiong, Lian Kwen-Fee, 2021-11-08 This book presents a collection of essays of how the city-state of Singapore's societal dynamics have evolved from the time of its birth as a nation in 1965 to the present. Key areas of Singapore society are explored contributing to the understanding of the social organisation of the city. This study reveals a shift from the modernisation studies in the 1970s to a more political-economic turn as a consequence of the influence of dependency and world systems theories. Topics covered include urban studies, family, education, medical care, class, and social stratification, work, language, ethnic groups, religion, and crime and deviance.

Sociology Margaret L. Andersen, 1998-01 **Juvenile Delinquency in a Diverse Society** Kristin A. Bates, Richelle S. Swan, 2016-11-30 *Juvenile Delinquency in a Diverse Society* Second Edition presents students with a fresh critical examination of juvenile delinquency in the context of real communities and social policies integrating many social factors that shape juvenile delinquency and its control, including race, ethnicity, class, gender, and sexuality. Authors Kristin A. Bates and Richelle S. Swan use true stories and contemporary examples to link theories of delinquency not just to current public policies but to existing community programs, encouraging readers to consider how

theories of delinquency can be used to create new policies and programs in their own communities Readers will gain a foundational understanding of the social diversity that contextualizes varying experiences and behavior of juvenile delinquency as well as a deeper appreciation for the policies social justice and community programs that make up the juvenile system

Handbook of Research on the Impact of Culture in Conflict Prevention and Peacebuilding

Essien, Essien,2020-03-20 The contemporary conflict scenarios are beyond the reach of standardized approaches to conflict resolution Given the curious datum that culture is implicated in nearly every conflict in the world culture can also be an important aspect of efforts to transform destructive conflicts into more constructive social processes Yet what culture is and how culture matters in conflict scenarios is contested and regrettably unexplored The Handbook of Research on the Impact of Culture in Conflict Prevention and Peacebuilding is a critical publication that examines cultural differences in conflict resolution based on various aspects of culture such as morals traditions and laws Highlighting a wide range of topics such as criminal justice politics and technological development this book is essential for educators social scientists sociologists political leaders government officials academicians conflict resolution practitioners world peace organizations researchers and students

Walls and Bridges Anthony J. Cortese,2012-02-01 Winner of the 2004 Critics Choice Award presented by the American

Educational Studies Association This useful classroom resource for professors wishing to incorporate notions of justice into their courses examines a variety of America s most challenging social issues education poverty homelessness crime and health care interwoven with racial and ethnic themes Anthony J Cortese illustrates how the tension between moral relativism on the one hand and universal ethics on the other makes concrete policy discussion difficult He illustrates how through a synthesis of justice law and power a social ethics approach to public policy could resolve various intergroup conflicts and social problems Included at the end of each chapter are What You Can Do exercises and activities that encourage students to apply what they have learned to their own lives

Singapore Malay/Muslim Community, 1819-2015 Hussin

Mutalib,Rokiah Mentol,Sundusia Rosdi,2016-06-29 Singapore s Malay Muslim community constituting about 15 per cent of the total population and constitutionally enshrined as the indigenous people of Singapore have had its fair share of progress and problems in the history of this country While different aspects of the vicissitudes of life of the community have been written over the years there has not been a singularly substantive published compendium specifically about the community in

the form of a Bibliography available This academic initiative fills this obvious literature gap The scope and coverage of this Bibliography is manifestly comprehensive encompassing the different sources of information print or non print about the many facets of life of the Republic s Malays Muslims such as education economy politics culture history health language religion arts and more The result is a Bibliography that is arguably the most expansive if not exhaustive treasury collection about the community ever available anywhere Scholars and researchers in particular and the public in general should find this Bibliography a highly valuable indispensable source of information about the rich and varied life of Singapore s Malay Muslim community stretching a period of two centuries from the time of Stamford Raffles in 1819 until today The Editors Hussin Mutalib Ph D a senior academic with the National University of Singapore Rokiah Mentol and Sundusia Rosdi former senior librarians with Singapore s National Library Board are assisted by professional and experienced librarians

The Future of Singapore Kamaludeen Mohamed Nasir, Bryan S. Turner, 2014-05-09 Singapore like many other advanced economies has a relatively low and declining birth rate One consequence of this and a consequence also of the successful economy is that migrants are being drawn in and are becoming an increasing proportion of the overall population This book examines this crucial development and assesses its likely impact on Singapore society politics and the state It shows that although Singapore is a multi ethnic society migration and the changing ethnic mix are causing increasing strains putting new demands on housing education and social welfare and changing the make up of the workforce where the government is responding with policies designed to attract the right sort of talent The book discusses the growing opposition to migration and explores how the factors which have underpinned Singapore s success over recent decades including a cohesive elite with a clearly focused ideology a tightly controlled political system and strong continuity of government are at risk of being undermined by the population changes and their effects The book also compares the position in Singapore with other East Asian countries including Japan South Korea and the Philippines which are also experiencing population changes with potentially far reaching consequences

Understanding Domestic Violence Rafael Art. Javier, William G. Herron, 2018-08-10 Understanding Domestic Violence not only highlights and reexamines the different challenges that we continue to face in effectively addressing issues of domestic violence but provides innovated approaches to interventions that are more in keeping with the complex nature of domestic violence This book provides a comprehensive and multifaceted examination of conditions and factors involved in domestic violence including psychological sociocultural sociopolitical and socioeconomic issues The authors look at domestic violence through the trauma lens and intersectionality to develop intervention strategies within that context Statistics and clinical examples from the field highlight unique culturally based issues related to domestic violence among Latino African American and Arab Muslim communities issues with woman perpetrators and violence in the LGBTQ community to name a few In the end Understanding Domestic Violence offers opportunities for the reader to engage in further discussion of the poignant issues discussed in the book with the invitation to become part of the solution

Tb-Sociology Andersen,2003-05 **Readings in General Studies: Peace studies and conflict resolution** Bethel C. Uweru,John Oroshejede Ubrurhe,2000 **Siloed Diversity** Catherine Gomes,2018-04-30 This book examines the experiences of transient migrants in the Asia Pacific and in so doing provides new ways of understanding diversity By focusing on the transient destination hubs of Australia and Singapore Catherine Gomes shifts our thinking about diversity for two disruptive reasons the increasingly large and global transient flows of people and our everyday reliance on digital media The unprecedented usage of digital media influences not only communication patterns and information seeking behaviour but has also led to the rapid evolution of the very nature of entertainment and news and directly impacted on our documenting and mapping of self e g posts of photographs opinions and links on social media timelines The book introduces readers to the concept of siloed diversity a phenomenon which occurs when people rely on a hierarchy of identities developed while in transience to make connections and disconnections with others **The Sociology of Singapore Religion** J. R. Clammer,1991 **The Dimensions that Establish and Sustain Religious Identity** Daniel H. Y. Low,2018-05-02 Buddhism and Taoism remain vibrant and prominent in Singapore s religious landscape Yet little is known of why Chinese Singaporeans chose and remain in these ancient religions Analyzing over thirty face to face interviews with Buddhists and Taoists in Singapore this book provides a glimpse into their fascinating narratives consisting of encounters and experiences with the presence and power of spiritual realities A renewed understanding of Buddhism and Taoism will hopefully encourage readers of other religious traditions to create space for each other s religious identity Only then can we continue to live and share a multi religious environment within the small nation state
