[AIDS in the World II](#) Global AIDS Policy Coalition, 1996 AIDS in the World Vol 1 published in 1992 was the first full analysis of mankind's global confrontation with this disease The AIDS scene however has been changing so rapidly that the need for a second volume was felt much earlier than expected In AIDS in the World II the authors extend the international comparisons from 38 countries to the entire world and show that the AIDS pandemic has become increasingly fragmented within the world population They present data that takes the discussion beyond the current understanding of the vulnerability of nations and communities to the worldwide spread of HIV engaging in a detailed exploration of the social strategies that have enabled individuals to avoid infection Mann and Tarantola chart a course into the future based on an incisive investigation of the global pandemic and response the crucial lessons learned from the first decade and their expert understanding of the scientific and social dimensions of the HIV challenge The authors explain how the variety of reactions to the pandemic has contributed to a more advanced awareness of our vulnerability to HIV AIDS and offer a blueprint for an expanded global prevention effort Intended to serve the information needs of all professionals involved in AIDS research and care this volume's accessibility and clarity of writing make it highly suitable for the general reader as well

Historical Dictionary of World War II Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952 Although Japan

renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

School Leadership and Educational Change in Singapore

Benjamin Wong, Salleh Hairon, Pak Tee Ng, 2019-03-29 This book provides readers with insights into how Singapore school leaders are actively engaged in the transformation of the Singapore education system It brings to attention crucial elucidations of the increasing demand and complexity placed on school leaders through the use of case studies Each chapter in the book focuses on a particular issue which has become important or has gained renewed importance in the Singapore education system The chapters first provide a background to the theme under examination and a theoretical basis for discussion They then narrate the case that shows how school leaders interpret and implement policy initiatives in their respective schools or lead change in that area The case studies span over a wide range of domains such as instructional leadership assessment leadership stakeholder engagement professional learning communities and school branding The data collected from these case studies came primarily from interviews of educators in their respective school contexts in addition to other sources of data such as artifacts Each case study highlights descriptions interpretations and perspectives across school contexts which is consistent with the proposition that school leadership is very much shaped by context At the end of each chapter there are guiding questions to help readers critically analyse and reflect on the main learning points of the case

Yoga and the Luminous Christopher Key Chapple, 2008-10-30 Winner of the 2008 Rajinder and Jyoti Gandhi Book

Award for Excellence in Dharma Studies presented by Taksha Institute In Yoga and the Luminous a book that emerges from more than thirty years of practice study and reflection Christopher Key Chapple addresses the need for an accessible explanation of Yoga's difficult philosophy and its applications in daily life Yoga practice takes an individual on an inward journey and through Yoga one enters a rarefied state of consciousness a transparency and luminosity described by its great philosopher Patajali as being like a clear jewel Exploring Yoga through the prism of practice Chapple begins with a historical overview of the many Yogic traditions in Indian religions He continues with Yoga practice and the philosophy of S'khya and then in step by step fashion he brings the reader to an understanding of the ethics of Yoga the role of movement and breath and the processes of concentration and meditation Finally building on the root metaphor of luminosity and light Chapple explains the applications of Yoga in daily life Yoga and the Luminous also includes a word by word translation of Patajali's Yoga S'tra the foundational text of Yoga philosophy and a system of ethical practice and bodily purification The translation is accompanied by an analysis that traces key ideas through the text such as the reversal of mental and sensory outflows and

the theme of spiritual discernment Chapple also gives special attention to the feminine in the description of Yoga practices
