1840 and disbanded in 1855 when its work was completed Named after Matthew Parker the first Elizabethan Archbishop of Canterbury who was known as a great collector of books the stimulus for the foundation of the society was provided by the Tractarian movement led by John Henry Newman and Edward B Pusey Some members of this movement spoke disparagingly of the English Reformation and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation **A Prayer Book for the Armed Services** ,2002 *Daily Prayer* Presbyterian Church (U.S.A.),1987-01-01 This volume contains services of daily prayer for the full liturgical year Especially useful for worship retreats session meetings and other weekday settings The Presbyterian Supplemental Liturgical Resource SLT series includes liturgies that were used on a trial basis in preparation for the development of the Book of Common Worship Though superseded by the Book of Common Worship SLR resources remain valuable both for the variety of liturgical texts they contain and for the commentary on the text which contains rich historical theological and practical background

Senn,2016-06-03 Embodied Liturgy marks a return to the body in thinking about Christian liturgy and sacramental practice Rooted in phenomenology and incarnational theology the book gives primary focus to the body as it considers the prayer offices and the liturgical calendar sacrifices and sacraments initiation and vestments ritual theory and play word and meal fasting and feasting penance and celebration rites of passage cultural perspectives and the role of art music dance and drama in worship The author invites readers to return to the experience of their own body through guided yogic exercises As a text for students and liturgical practitioners the volume gives fresh voice to the experience and practice of worship as bodily acts Embodied Liturgy is a dynamic accessible new resource in liturgical and sacramental theology from one of the premiere scholars in the field Frank C Senn distills an established legacy of expertise in an innovative and inviting perspective on bodily acts of worship *Finding Language and Imagery* Jennifer L. Lord,2009-11-01 Sermons use words And though it may seem obvious that preachers should be careful and exacting in word choice preachers often set aside this aspect of preaching in favor of exegesis form and sermon focus and make such language work a secondary task In *Finding Language and Imagery* Jennifer L Lord asserts that because language shapes faith preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others By presenting key tools and terms along with writing exercises Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners Book jacket **A Companion to the Book of Common Prayer** Gerald Bray,2024-01-01 The Book of Common Prayer stands as one of the greatest achievements of the English Reformation Although increasingly replaced by more modern forms it remains the foundation of Anglican worship and a succinct expression of Anglican doctrine as received by its sixteenth and seventeenth century authors It is therefore a text to be treasured and used both for its historical insight into the Church of England s theological origins and for its continued value

as an enriching liturgical resource In this Companion Gerald Bray provides a practical guide to the 1662 text and its underlying doctrinal basis Outlining its development from the first version of the prayer book in 1549 through the Elizabethan settlement and the upheaval of the civil war and protectorate he shows that many of the liturgical controversies and debates we see today are nothing new With the inclusion of a summary of the history of the text and an extensive bibliography for further reading A Companion to the Book of Common Prayer will unlock this seminal text for a fresh generation of worshippers Publications Parker Society (Great Britain),Parker Society (Great Britain).,1844 **Praying with the Church: Following Jesus Daily, Hourly, Today** Scot McKnight,2013-09-01 Scot McKnight best selling author of The Jesus Creed invites readers to get closer to the heart of Jesus message by discovering the ancient rhythms of daily prayer at the heart of the early church This is the old path of praying as Jesus prayed McKnight explains and in that path we learn to pray along with the entire Church and not just by ourselves as individuals Praying with the Church is written for all Christians who desire to know more about the ancient devotional traditions of the Christian faith and to become involved in their renaissance today With his trademark style of getting right to the heart of theological concepts through practical witty and memorable examples from everyday life Scot invites readers to explore How Jesus prayed How the Psalms teach us to pray How Orthodox Christians pray How Roman Catholics pray How Anglicans pray How The Divine Hours of Phyllis Tickle teaches us to pray And how praying with the church is an essential part of spiritual formation For more information on Phyllis Tickle s Divine Hours click here **Glory to God: Words-Only Enlarged Print Edition** Author,2014-08-01 This enlarged print edition words only edition of the hymnal contains all the words from the pew edition enlarged in a more readable type and bound for use in worship Also ideal for those using the hymnal as a devotional or study resource *The Works of the Rev.
