Lordly Ones:

The Lordly Ones Benjamin Harrison Lehman, 1927 **The Pathology of Desire in Daphne du Maurier's Short Stories** Setara Pracha, 2023-01-09 Following a resurgence of interest in Daphne du Maurier's writing *The Pathology of Desire in Daphne du Maurier's Short Stories* offers an overview of all her collections and a detailed reading of nine stories. These contain recurrent references to the incomplete or impaired human form and are best read through a corporeal lens. The criticism illustrates her importance as a cultural commentator fascinated by the results of frustrated human desire and includes a synopsis of the published collections and the stories within them to give the reader a sense of the variety of the overarching themes and the persistent force of corporeality in the stories. Du Maurier is well known as a novelist but her short fiction is pivotal to understanding her position and influence as a writer. She rewrites fairytales and foregrounds female violence long before it became a cultural trend.

System Reset John Sherwood Illsley, 2009-02-26 Why is there only one species of human? What happened to the others? Did they become extinct? Or are they still here? Waiting. When Federal agent Mike Throckmorton is assigned to investigate Anglo-American tycoon Drew Quatermain, he finds himself drawn into a mysterious family whose wealth is the least of their extraordinary assets and whose capabilities are out of this world. And this world is about to end.

The Lordly Ones William Montgomery Watt, 1966 **Within the Hollow Hills** John Matthews, 2000 As legend has it, the Hollow Hills are the hidden abode of the gods; they withdrew to them when people began to no longer believe in the gods. Within these Hills, the gods still live, delighting in the joys of companionship and riches of song and story. And sometimes the song of the Lordly Ones can still be heard by travelers on the road. Some people even enter the faery halls and learn new songs and stories to reenchant the world. In this book, a sequel to the popular *From Isles of Dream*, John Matthews has collected the best imaginative writings by contemporary Celtic writers. Included are tales and songs by such as Robin Williamson, R. J. Stewart, Rosemary Sutcliffe, Caitlin Matthews, David Spangler, and Margaret Elphinstone. This is a unique collection that will become a perennial favorite of all lovers of fantasy, imagination, and Celtic lore.

The Works of "Fiona Macleod": Poems and Dramas William Sharp, 1924 **The Malay Hikayat Mir j Nabi Muhammad** Dick van der Meij, Nannoo Lambooi, 2014-07-10 Texts about the nocturnal journey of the Prophet Muhammad Mir j abound in the Muslim world and outside. International attention has never been afforded to any version of the text in any language of the Indonesian archipelago. One old version of the text from the area, the Malay Hikayat Mir j Nabi Muhammad, is presented here in Malay and English translation. The introductory chapters place the text in a wider context in Indonesian literatures while the manuscript of the text, Codex Or. Leiden 1713, is described in detail. The text and translation purport to enhance interest in this important text in the Muslim world as seen from the Malay-Indonesian perspective.
