Los Niños De Cristal:

Los niños de cristal Kristina Ohlsson, 2014 Billie is forced to leave behind the only home she's ever known when her mother decides they should move to a new house in a small town. Musty furniture and odd belongings fill the old dilapidated building, the ghostly remains of its previous tenants including two small glass figures of a boy and a girl. The neighbours and local community are hiding something Billie can tell a secret about the house, a secret of its past. Then Billie notices that the glass figures have moved when the house was empty. Soon after a tiny handprint appears on a dusty table, the handprint of a small child. Billie is certain that they are being haunted. But her mother thinks Billie is making it up. With the help of her new friend Aladdin, Billie desperately tries to uncover the house's dark tragic history, leading her closer to the chilling truth.

Atwater, 2008-01-07. Según la profecía el quinto sol o quinto mundo del calendario maya entra en ascensión el 21 de diciembre de 2012. Esta fecha representa una puerta de acceso en el desarrollo planetario que expone a la humanidad a nuevas formas de vivir y nuevos mundos de oportunidades. Las predicciones de la antigüedad indican que nuestra transición satisfactoria a través de esta puerta de acceso depende de la quinta raza, la nueva expresión de la reserva genética humana destinada a ayudarnos a sobrellevar los enormes y emocionantes cambios que nos aguardan. En *Más allá de los niños índigo* P. M. H. Atwater arroja luz sobre las características de los extraordinarios nuevos niños de la quinta raza, los esos chicos brillantes e irreverentes que han nacido desde 1982. La autora explora la relación de los nuevos niños con las profecías del calendario maya y otras tradiciones, proveyendo amplia información de antecedentes acerca de las siete razas, la sexta y séptima de las cuales aún no han surgido y la gran transformación de la conciencia que ya está teniendo lugar. La autora revela la conexión existente entre las siete razas y los siete chakras y la manera en que la humanidad verá abrirse el quinto chakra, el de la voluntad, a medida que los nuevos niños lleguen a la madurez. Analiza además el fenómeno de la inteligencia creciente y el potencial sin desarrollar y ofrece orientaciones y herramientas concretas para los que procuran comprender y ayudar a los nuevos niños a realizar todo su potencial. *Más allá de los niños índigo* es el primer estudio importante de los niños de hoy y del lugar que ocupan en nuestro mundo rápidamente cambiante. Combina la investigación objetiva con la revelación mística y las profecías. Manual para padres niños índigo y cristal Anitza Castelletto, 2023-08-14. Este Manual para padres niños índigo y Cristal.
