Enochic Tradition Andrei A. Orlov, 2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings. These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers. Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind. The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions. This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus. **The Narrow Gate** Matthew J. El Libro de Enoc Anónimo, 2025-01-27 El Libro de Enoc es un texto apocalíptico y visionario que explora la relación entre lo divino y lo humano revelando secretos celestiales y juicios sobre la humanidad. Atribuido al patriarca Enoc, este libro describe su ascenso a los cielos donde presencia la estructura del cosmos y recibe revelaciones sobrengeles, el destino de las almas y el fin de los tiempos. Su contenido desafía las estructuras religiosas establecidas y presenta una cosmovisión en la que la justicia divina y el conocimiento oculto desempeñan un papel central. Desde su redescubrimiento, El Libro de Enoc ha sido objeto de fascinación por su influencia en el pensamiento religioso y místico, especialmente en las primeras tradiciones judaica y cristiana. Sus descripciones de seres celestiales, visiones del juicio final y la lucha entre el bien y el mal han inspirado múltiples interpretaciones y debates. Aunque excluido del canon bíblico en la mayoría de las tradiciones cristianas, su impacto en la literatura apocalíptica sigue siendo significativo. La relevancia perdurable de este texto radica en su capacidad para cuestionar y expandir las concepciones sobre lo divino y el destino humano. Al abordar temas como la corrupción, la justicia y la intervención celestial en la historia, El Libro de Enoc invita a los lectores a reflexionar sobre el equilibrio entre el conocimiento y la fe, así como sobre el destino final de la humanidad. **La Guerra de los Ángeles** Jesús Ariel Aguirre, 2023-10-10 Un misterioso objeto ha sido robado del Museo Británico.
