to to the Vietnam Veterans Memorial to Jim Morrison s Paris grave is intertwined with man s existential uncertainties in the face of a rapidly changing world In a climate that reproduces the religious quest in seemingly secular places it s no longer clear exactly what the term pilgrimage infers and Shrines and Pilgrimage in the Modern World critiques our notions of the secular and the sacred while commenting on the modern media s multiplication of images that renders the modern pilgrimage a quest without an object Using new ethnographical and theoretical approaches this volume offers a surprising new vision on the non secularity of the secular pilgrimage This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage Simon Bronner Penn State University *The Lost Blogs* Paul Davidson,2009-11-29 Over 13 000 000 people are currently blogging with thousands being created each day But what about the blogs you haven t seen written by the iconic men and women you re dying to know the most intimate details about but who died before the internet was invented This original take on the biggest literary development since the paperback offers 200 blogs inspired by the most famous minds in history detailing their hysterical personal revelations such as John Lennon s thoughts after meeting Yoko Ono and her obsession with the Beatles publishing rights Marilyn Monroe s annoyance at her new beau J who breaks off their dates with excuses like having to avert a war in Costa Rica Read Shakespeare on a treatment for a new play about two princes who misplace their horse and carriage and spend the entire play trying to find it or how a stray hot dog nearly derailed Ghandi s hunger strike There s also the transcript of Neil Armstrong and Buzz Aldrin s intensely competitive game of Rocks Paper Scissors to decide who would be the first man to set foot on the moon and much much more In this book Paul Davidson proves that matters proving there s no such thing as too much information *Doctor Tomorrow #10* Bob Layton,2014-07-02 The good Doc trashed on Sally Jesse Raphael It s true In the late 1980s Bart Simms daughter has written a tell all book about his exploits and since she s hated him from birth it s probably not going to be good for his reputation As impostors emerge from the woodwork to claim his name as theirs Tomorrow is faced with his final battle the one for his legacy *Wilderness* ,19?? **Years Spent** Lalit Kumar,2022-01-03 A journey of 10 000 miles Across India and USA A few milestones of Success failure and hope Countless moments of Adventure passion and desires Encapsulated in this book Years Spent Exploring Poetry in Adventure Life and Love **Can't Find My Way Home** Martin Torgoff,2004-05-13 Can t Find My Way Home is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It s the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwived the age of marijuana in the 1960s even as Timothy Leary and Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner

space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s Can t Find My Way Home tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But Can t Find My Way Home does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with enormous consequences This ambitious fascinating book is the story of how that happened
