Providence Lost Genevieve Lloyd,2009-07-01 In our ever more secular times is providence lost Perhaps but as Lloyd makes clear providence still exerts a powerful influence on our thought and in our lives This book traces a succession of transformations in the concept of providence through the history of Western philosophy Current Opinion ... Edward Jewitt Wheeler, Frank Crane,1898 *Vital Signs* Gregg Levoy,2014-12-26 Rediscover or discover for the first time the things that make you passionate in life Vital Signs is about what inspires passion and what defeats it How we lose it and how we get it back And ultimately it s about the endless yet endlessly fruitful tug of war between freedom and domestication the wild in us and the tame our natural selves and our conditioned selves Each chapter in Vital Signs will contain a core sample an intimate biography of one of the strategies we employ to gain or regain our passion The book also affirms the importance of courageous inquiry into dispassion where we re numb depressed stuck bored so the reader can recognize and change these tendencies in themselves *Marie Or, Slavery in the United States* Gustave de Beaumont,1999-01-26 Gustave de Beaumont s 1835 work Marie or Slavery in the United States is structured as a fascinating essay on race interwoven with a novel It is the story of socially forbidden love between an idealistic young Frenchman and an apparently white American woman with African ancestry The couple s idealism fades as they repeatedly face racial prejudice and violence and are eventually forced to seek shelter among exiled Cherokee people Notable as the first abolitionist novel to focus on racial prejudice rather than bondage as a social evil Beaumont s work was also the first to link prejudice against Native Americans to prejudice against blacks This translation with a new introduction by Gerard Fergerson provides modern readers with interesting insights into the inconsistencies and injustices of democratic Jacksonian society Paradise Lost John Milton,2012-02-23 John Milton s epic story of cosmic rebellion and the beginning of human history has long been considered one of the greatest and most gripping narratives ever written in English Yet its intensely poetic language now antiquated syntax and vocabulary and dense allusions to mythical and Biblical figures make it inaccessible to many modern readers This is as the critic Harold Bloom wrote in 2000 a great sorrow and a true cultural loss Dennis Danielson aims to open up Milton s epic for a twenty first century readership by providing a fluid accessible rendition in contemporary prose alongside the original The edition allows readers to experience the power of the original poem without barriers to understanding
