

Essentials Missing

You took the laughing sun along
The day you went away;
And, tho I hide my tears in song.
The skies are always gray
You took a portion of my heart
and left an awful nick.
Now, like a clock that lacks a part,
The darned thing just won't tick.
So hurry back, and please release
The sun, for brighter weather.
and don't forget the missing piece
That holds my heart together.

Love Letters From A War:

Love Letters of the Great War Mandy Kirkby, 2014-01-16 From the private papers of a young Winston Churchill to the tender notes of an unknown Tommy in the trenches *Love Letters of the Great War* is a collection of profound intimate and heartfelt letters written during World War One Many of the letters collected here are eloquent declarations of love and longing others contain wrenching accounts of fear jealousy and betrayal and a number share sweet dreams of home But in all the correspondence whether from British American French German Russian Australian and Canadian troops in the height of battle or from the heartbroken wives and sweethearts left behind there lies a truly human portrait of love and war A century on from the First World War these letters offer an intimate glimpse into the hearts of men and women separated by conflict and show how love can transcend even the bleakest and most devastating of realities Edited and introduced by Mandy Kirkby with a foreword from Women's Prize winner Helen Dunmore *Until I Come Home* Paul N. Spellman, 2015-03-09 True story of Roscoe and Vera Diamond Chittim the world that brought them together in Texas and the world war that separated them for two years During Roscoe's service in the U S Army during World War I he and Vera wrote each other long and often passionate love letters giving the reader a glimpse into the world of the early 1900s Roscoe a Missouri born Cherokee Indian met and married Dallas socialite Vera Diamond in 1917 and one year later was drafted into the Army He overcame the deadly pandemic flu and the barrage of war in France to return to his beloved but tragically lost his life to another disease only four years later The dozens of letters Vera kept offer a glimpse into their world that is both intimate and at the same time revealing of the culture of the times **Love Letters From A Doughboy** Margie Howd, 2018-08-09 Thomas Fletcher first sees her in 1916 at a drug store in Birmingham Alabama He doesn't know her but her brown hair and beautiful eyes captivate him He soon learns her name Juliette Wilcox and she would learn his Their attraction cannot be denied but something stands in their way Thomas is a drafted soldier about to be sent to Europe to fight in the dreaded World War I Although Juliette begs for them to be married before he goes to boot camp he doesn't want to leave her a widow Their letters will keep them close Letters are all they will have until he returns from the battlefield hopefully alive For the next four years letters arrive from far off France and Germany to Juliette's front porch in Alabama For the next four years their love grows develops and increases Even so war is a dark force and many men never return Will Thomas be one of the soldiers lost or will he come home and make Juliette's dreams of marriage a happy reality **Hearts in Winter** Gerry Parish, Gerri Raines, Richard C. Parish, 2003 **Dear Anne** Barbara Whittington, 2016-11-01 Letters between a soldier in combat in the Vietnam War and his new bride back home **Love Letters from World War II** Russell Dalton, Janet Honek, 2020 What would you write to your young wife when you enlist in the Army to fight the Nazis during World War II This book tells that story Bob Dalton wrote a series of almost daily letters home during his service from 1944-1946 This is not a book of combat exploits but a true life story of what it meant to have a wife and baby at home while serving your country in WWII and the

burden it placed on GIs and their families The letters frankly discuss the challenges of life because they were only intended to be read by his wife We found this trove of letters along with hundreds of original photos that illustrate the book after our mother passed away in 2018 We felt that we should share their story Each letter begins and ends with his love for his family that he left behind to fight He shares his experiences in boot camp in South Carolina the trip to the front crossing the Rhine with Patton's Third Army and then battling to the Czech border by war's end His mission changed to demilitarization and denazification until the Russians occupied Saxony as part of East Germany Then he spent a year as part of the Allied occupation forces in Frankfurt dealing with postwar reconstruction and the U S Army bureaucracy The war changed our father and reading these letters changed our image of him and the other members of the Greatest Generation *Herbert Read Reassessed* David Goodway, 1998-01-01 Herbert Read 1893-1968 acquired in his lifetime a considerable international reputation in all the major areas of his diverse activities as poet as educationalist as anarchist as philosopher of aesthetics as art critic as historian of and above all as propagandist for modern art and design The papers assembled in *Herbert Read Reassessed* offer a comprehensive and authoritative coverage of Read's life work that is designed to stimulate debate An impressive volume it manages to present a unified but not totalizing portrait of one of England's most distinguished twentieth century critics *English Historical Review* *Letters of Love and War* Gregory Hugh Brown, 2021-10-20 *Letters of Love and War* is an apt title I believe because it capsulizes the emotion that young people of the Great Generation must have experienced from being torn apart by the ravages of war These letters present an honest and straightforward account of their struggle and how they remained resilient throughout preserving their love for each other and for their country The book has letters that range from the mundane to the sublime and yet maintain consistency throughout One can experience a one on one immediacy from reading their letters and those of their loved ones One is swept up and brought back in time to 1944 and 1945 when the world was at war and all of America was united with the effort to win and defeat the evil forces that were attempting to destroy their country and the freedoms that they all enjoyed The letters bring the urgency of this effort home to us the reader We are one amongst them as we read letter after letter and empathize with the perils they had to endure Read the letters and you too will understand how lucky we were to have their great generation precede us *Love Letters from World War Two* Alan Carruth Stevenson, Sheila Stevenson, 2017-01-15 **Wives and Sweethearts** Alastair Massie, 2014-01-30 What is it like to fall in love with a soldier What is it like to be a soldier in love Throughout history those serving in the British Army have combined romantic relationships with their military duties In wartime especially all the usual emotions experienced by men and women in love are felt to a heightened degree The sense of danger and the sometimes years of separation imposed by service abroad make the heartache of loss and the joy of reunion all the greater For loved ones parted by war writing has always been of crucial importance in maintaining contact Even when it was difficult to send a letter or not easy to explain feelings when one could soldiers be they generals young officers or privates have

Chapman, 2000-01-01 *Ghosts of War* Paul Robinson, 2018-07-17 *Ghosts of War* is a fast-paced science fiction thriller that takes you beyond the edge of the galaxy to answer one question: how far will a man go for revenge. *Captives of War* Clare Makepeace, 2017-10-12 *Capture Imprisoned Servicemen: Bonds between men, Ties with home* Going round the bend *Liberation: Resettling Conclusion War and Displacement in the Twentieth Century* Sandra Barkhof, Angela K. Smith, 2014-03-14 Human displacement has always been a consequence of war written into the myths and histories of centuries of warfare. However, the global conflicts of the twentieth century brought displacement to civilizations on an unprecedented scale as the two World Wars shifted participants around the globe. Although driven by political disputes between European powers, the consequences of Empire ensured that Europe could not contain them. Soldiers traversed continents and civilians often followed them or found themselves living in territories ruled by unexpected invaders. Both wars saw fighting in Europe, Africa, the Middle East, and the Far East, and few nations remained neutral. Both wars saw the mass upheaval of civilian populations as a consequence of the fighting. Displacements were geographical, cultural, and psychological; they were based on nationality, sex, gender, or age. They produced an astonishing range of human experience recorded by the participants in different ways. This book brings together a collection of interdisciplinary works by scholars who are currently producing some of the most innovative and influential work on the subject of displacement in war in order to share their knowledge and interpretations of historical and literary sources. The collection unites historians and literary scholars in addressing the issues of war and displacement from multiple angles. Contributors draw on a wealth of primary source materials and resources, including archives from across the world, military records, medical records, films, memoirs, diaries, and letters, both published and private, and fictional interpretations of experience. *Private Life and Privacy in Nazi Germany* Elizabeth Harvey, Johannes Hürter, Maiken Umbach, Andreas Wirsching, 2019-07-18 Highlights the surprising ways in which the Nazi regime permitted or even fostered aspirations of privacy. *Great War Modernists* Lee M. Jenkins, 2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D. H. Lawrence, H. D., and Richard Aldington, this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War. A group that Perdita Schaffner described as another Bloomsbury set, the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker's famous formulation. Geographically adjacent, these sets intersected socially and at points in their aesthetics, both practiced innovative forms of what may broadly be defined as life writing. But demarcating the Mecklenburgh Square writers from the Bloomsbury Set, the former had its origins in the transatlantic avant-garde. Lawrence, H. D., Aldington, and John Cournos were all associated with Imagism, the poetic movement which instantiated

Anglo American modernism Considered as a pro tem collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing **Southern Families at War** Catherine Clinton,2000-08-10
Whether it was planter patriarchs struggling to maintain authority or Jewish families coerced by Christian evangelicalism or wives and mothers left behind to care for slaves and children the Civil War took a terrible toll From the bustling sidewalks of Richmond to the parched plains of the Texas frontier from the rich Alabama black belt to the Tennessee woodlands no corner of the South went unscathed Through the prism of the southern family this volume of twelve original essays provides fresh insights into this watershed in American history
