My Journey To Lhasa And The Super Human Life Of Gesar Of Ling:

The Superhuman Life of Gesar of Ling Alexandra David-Neel, 2001-05-01 King Gesar renowned throughout Tibet and Central Asia represents the ideal warrior the principle of all victorious confidence As the central force of sanity he conquers all his enemies the evil forces of the four directions who turn people s minds away from the true teachings of Buddhism These enemies graphically represent the different manifestations of cowardly mind As Ch gyam Trungpa explains in the Foreword When we talk here about conquering our enemy it is important to understand that we are not talking about aggression The genuine warrior does not become resentful or arrogant It is absolutely necessary for the warrior to subjugate his own ambition to conquer at the same time that he is subjugating his other more obvious enemies Thus the idea of warriorship altogether is that by facing all our enemies fearlessly with gentleness and intelligence we can develop ourselves thereby attaining self realization The legends of Gesar usually take weeks for a bard to recount Filled with magic adventure and the triumphs of this great warrior king the stories will delight all young and old alike
