Neither Poverty Nor Riches A Biblical Theology Of Possessions:

Neither Poverty Nor Riches Craig L. Blomberg, 2020-05-21 One of the most difficult questions facing us today is that of the proper attitude toward possessions. In wealthy nations such as Britain and the USA, individuals accumulate much and yet are daily exposed to the plight of the poor, whether the homeless on their own city streets or starving children on their TV screens. What action should they take on behalf of the poor? What should they do with their own possessions? In *Neither Poverty nor Riches*, Craig Blomberg asks what the Bible has to say to these issues. He avoids easy answers and instead seeks a comprehensive biblical theology of possessions. Beginning with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period, he draws out what the whole New Testament has to say on the subject and finally offers conclusions and applications relevant to the modern world. This is a book that all concerned with issues of poverty and wealth should read.

Salvation Is More Complicated Than You Think Alan P. Stanley, 2007-10-10 Looking at the complex but important topic of what it takes to truly be saved, Alan Stanley asserts there is more to salvation than believed.

Christians in an Age of Wealth Craig L. Blomberg, 2013-11-26 What does the Bible say about money, material possessions, and stewardship? In *Christians in an Age of Wealth*, Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life. He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money. Taking a close exegetical look at this topic as it's discussed in Scripture, Blomberg answers the toughest questions about Christianity and wealth. Is there any one key to keeping possessions in their proper, God-intended perspective? Are there limits on how rich we should become or on how poor we should allow others to get? What does a truly Christian economic system look like? How does the Bible's teaching on wealth fit into the gospel? Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness. He expands on the concept of giving generously, even sacrificially, to those who are needier, demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world-altering gospel of Christ.
