

tifully made volume from a physical standpoint too, *Petrarch at Vaucluse* is a book-lover's prize, delighting the eye no less than the spirit.

In the absence, remarkable as it is unfortunate, of an available biography of Petrarch in English, here then is an attractive means of knowing more intimately Petrarch the man. If it is a fractional account biographically, spiritually it is fairly complete. The book is, patently, intended for the general reader of some culture, interested in pleasant intercourse with a great and highly articulate human being. It should also interest many academic colleagues who may be indirectly acquainted with Petrarch the Humanist, or with the poet of Laura, or with the literary phenomenon to which Petrarch gave his name and which more or less influenced European poetry for several hundred years.

Finally, the Petrarch specialist in particular and students of Italian literature in general will certainly welcome *Petrarch at Vaucluse* to their shelves alongside Dr. Wilkins' other well-known Petrarchan volumes, such as *The Making of the 'Canzoniere' and Other Petrarchan Studies* (Rome, 1951) and *Studies in the Life and Works of Petrarch* (Cambridge, 1955).

VASSAR COLLEGE

Anthony L. Pellegrini

John Charles Nelson. *Renaissance Theory of Love. The Context of Giordano Bruno's Eroici furori*. New York: Columbia University Press, 1958. 258 pp. \$6.

In this work, originally offered as a dissertation at Columbia University, Professor Nelson proposes to illuminate Bruno's philosophical works through an examination of *Gli eroici furori*, and to illuminate the *Eroici furori* by showing its relation to the philosophic love-literature of the fifteenth and sixteenth centuries. The result is an extremely interesting and useful book.

Like Dante, Bruno was *parte per sè stesso*, and he found it difficult to reconcile his views with those of anyone else. He rejected the authority of Aristotle, but he did not call himself a Platonist—he was averse to authority in general, and enjoyed the more or less unique distinction of being anathematized in turn by all of the major Western churches, Catholic, Lutheran, and Calvinist. A masochist of truly remarkable talent, he had a genius for making lasting enmities wherever he went, and his travels took him over a good part of Europe.

Nelson Renaissance Theory Of Love Cloth Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nelson Renaissance Theory Of Love Cloth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nelson Renaissance Theory Of Love Cloth has opened up a world of possibilities. Downloading Nelson Renaissance Theory Of Love Cloth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nelson Renaissance Theory Of Love Cloth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nelson Renaissance Theory Of Love Cloth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nelson Renaissance Theory Of Love Cloth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nelson Renaissance Theory Of Love Cloth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nelson Renaissance Theory Of Love Cloth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
