Reimagining Delilah's Afterlives as Femme Fatale

Caroline Blyth, 2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters artists musicians filmmakers and writers Within these scholarly and cultural retellings Delilah is frequently fashioned as the quintessential femme fatale the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson's downfall Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity laden narrative of Judges 16 interpretations that offer alternative and more sympathetic portrayals of her biblical persona In *Reimagining Delilah's Afterlives as Femme Fatale* Caroline Blyth guides readers through an in depth exploration of Delilah's afterlives as femme fatale in both biblical interpretation and popular culture tracing the social and historical factors that may have inspired them She then considers alternative afterlives for Delilah's character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale thereby inviting readers to view this iconic biblical character in new and fascinating lights

International Noir Homer B. Pettey, 2014-11-11

Ranging from Japanese silent films and women's films to French Hong Kong and Nordic New Waves this book explores the influence of noir on international cinematic traditions and challenges prevailing film scholarship It includes extensive bibliography and filmographies for recommended reading and viewing Vidura ,1999 Film Noir and Los Angeles Sean W. Maher,2020-08-31 This book combines film studies with urban theory in a spatial exploration of twentieth century Los Angeles Configured through the dark lens of noir the author examines an alternate urban history of Los Angeles forged by the fictional modes of detective fiction film noir and neo noir Dark portrayals of the city are analyzed in Raymond Chandler's crime fiction through to key films like *Double Indemnity* 1944 and *The End of Violence* 1997 By employing these fictional elements as the basis for historicising the city's unrivalled urban form the analysis demonstrates an innovative approach to urban historiography Revealing some of the earliest tendencies of postmodern expression in Hollywood cinema this book will be of great relevance to students and researchers working in the fields of film literature cultural and urban studies It will also be of interest to scholars researching histories of Los Angeles and the American noir imagination **Welcome to Fear City** Nathan Holmes,2018-09-26 Analyzes how location shot crime films of the 1970s reflected and influenced understandings of urban crisis The early 1970s were a moment of transformation for both the American city and its cinema As intensified suburbanization racial division deindustrialization and decaying infrastructure cast the future of the city in doubt detective films blaxploitation police procedurals and heist films confronted spectators with contemporary scenes from urban streets *Welcome to Fear City* argues that the location shot crime films of the 1970s were part of a larger cultural ambivalence felt toward urban life evident in popular magazines architectural discourse urban sociology and visual culture Yet they also helped to reinvigorate the city as a site of variegated experience and a positively disordered public life in stark contrast to the socially homogenous and spatially ordered suburbs Discussing the design of parking garages and street lighting the dynamics of mugging panoramas of ruin and the optics of undercover police operations in such films as *Klute* *The French Connection* *Detroit 9000* *Death Wish* and *The Taking of Pelham One Two Three* Nathan Holmes demonstrates that crime genres did not simply mirror urban settings and social realities but actively produced and circulated new ideas about the shifting surfaces of public culture Rejecting the easy abstractions and postmodern playfulness of noir and neo noir criticism Holmes places 1970s crime films as he says in relation to the urban context that was their location setting and subject He does this brilliantly convincingly and uniquely David Desser former editor *Cinema Journal* Hard-boiled Masculinities Christopher Breu,2005 The persona of the American male in the period between the two world wars was characterized by physical strength emotional detachment aggressive behavior and an amoral worldview This ideal of a hard boiled masculinity can be seen in the pages and even more vividly on the covers of magazines such as *Black Mask* which shifted from Victorian influenced depictions of men in top hats and mustaches in the early 1920s to the portrayal of much more overtly violent and muscular men Looking closely at this transformation Christopher Breu offers a complex account of how and why hard boiled

masculinity emerged during an unsettled time of increased urbanization and tenuous peace and traces the changes in its cultural conception as it moved back and forth across the divide between high and low culture as well as the color line that bifurcated American society Examining the work of Ernest Hemingway Dashiell Hammett Chester Himes and William Faulkner as well as many lesser known writers for the hypermasculine pulp magazines of the 1920s and 1930s Breu illustrates how the tough male was a product of cultural fantasy one that shored up gender and racial stereotypes as a way of lashing out at the destabilizing effects of capitalism and social transformation Christopher Breu is assistant professor of English at Illinois State University *Historical Dictionary of Crime Films* Geoff Mayer, 2012-09-13 The crime film genre consists of detective films gangster films suspense thrillers film noir and caper films and is produced throughout the world Crime film was there at the birth of cinema and it has accompanied cinema over more than a century of history passing from silent films to talkies from black and white to color The genre includes such classics as *The Maltese Falcon* *The Godfather* *Gaslight* *The French Connection* and *Serpico* as well as more recent successes like *Seven* *Drive* and *L A Confidential* The *Historical Dictionary of Crime Films* covers the history of this genre through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on key films directors performers and studios This book is an excellent access point for students researchers and anyone wanting to know more about crime cinema
