British India's Relations with the Kingdom of Nepal, 1857-1947

Asad Husain,2023-05-03 British India s Relations with the Kingdom of Nepal 1970 uses original documents and confidential papers never before available to examine the relations between Nepal and British India from 1857 to 1947 Though relations between the two countries were generally friendly they occasionally clashed when Nepal felt that its independence and indigenous way of life was threatened Although Nepal customarily followed policies which appeared to be harmonious with those of Great Britain Professor Husain shows that its policies were usually based on self interest and contrary to traditional thinking Nepal was a nation largely independent of British control *Nepal* Toni Hagen,1970 **Nepal** Toni Hagen,1961
