Oxford Companion To Aboriginal Art And Culture:

The Oxford Companion to Aboriginal Art and Culture Margo Neale, Sylvia Kleinert, Robyne Bancroft, 2000 A comprehensive overview covering indigenous Australian art archeological traditions styles of the contact period nineteenth century art trends and the development of contemporary Aboriginal and Torres Strait Islander practices **Morphology and Language History** Claire Bowern, Bethwyn Evans, Luisa Miceli, 2008 This volume aims to make a contribution to codifying the methods and practices linguists use to recover language history focussing predominantly on historical morphology The volume includes studies on a wide range of languages not only Indo European but also Austronesian Sinitic Mon Khmer Basque one Papuan language family as well as a number of Australian families Few collections are as cross linguistic as this reflecting the new challenges which have emerged from the study of languages outside those best known from historical linguistics The contributors illustrate shared methodological and theoretical issues concerning genetic relatedness that is the use of morphological evidence for classification and subgrouping reconstruction and processes of change with a diverse range of data The volume is in honour of Harold Koch who has long combined innovative research on understudied languages with methodological rigour and codification of practices within the discipline **Pacific Art** Anita Herle, 2002-01-01 Contributors explore the complex relations among Pacific artists patrons collectors and museums over time as well as the different meanings given to art objects by each **Aboriginal Art and Australian Society** Laura Fisher, 2016-05-30 This book is an investigation of the way the Aboriginal art phenomenon has been entangled with Australian society s negotiation of Indigenous people s status within the nation Through critical reflection on Aboriginal art s idiosyncrasies as a fine arts movement its vexed relationship with money and its mediation of the politics of identity and recognition this study illuminates the mutability of Aboriginal art s meanings in different settings It reveals that this mutability is a consequence of the fact that a range of governmental activist and civil society projects have appropriated the art s vitality and metonymic power in national public culture and that Aboriginal art is as much a phenomenon of visual and commercial culture as it is an art movement Throughout these examinations Fisher traces the utopian and dystopian currents of thought that have crystallised around the Aboriginal art movement and which manifest the ethical conundrums that underpin the settler state condition **The Cambridge Companion to Postcolonial Poetry** Jahan Ramazani, 2017-02-27 The Cambridge Companion to Postcolonial Poetry is the first collection of essays to explore postcolonial poetry through regional historical political formal textual gender and comparative approaches The essays encompass a broad range of English speakers from the Caribbean Africa South Asia and the Pacific Islands the former settler colonies such as Canada Australia and New Zealand especially non Europeans Ireland Britain s oldest colony and postcolonial Britain itself particularly black and Asian immigrants and their descendants The comparative essays analyze poetry from across the postcolonial anglophone world in relation to postcolonialism and modernism fixed and free forms experimentation oral

performance and creole languages protest poetry the poetic mapping of urban and rural spaces poetic embodiments of sexuality and gender poetry and publishing history and poetry's response to and reimagining of globalization Strengthening the place of poetry in postcolonial studies this Companion also contributes to the globalization of poetry studies **How to**

Ethnicity, Commodity, In/Corporation

George Paul Meiu, Jean Comaroff, John L. Comaroff, 2020-08-04 In the economics of everyday life even ethnicity has become a potential resource to be tapped generating new sources of profit and power new ways of being social and new visions of the future Throughout Africa ethnic corporations have been repurposed to do business in mining or tourism in the USA Native American groupings have expanded their involvement in gaming design and other industries and all over the world the commodification of culture has sown itself deeply into the domains of everything from medicine to fashion Ethnic groups increasingly seek empowerment by formally incorporating themselves by deploying their sovereign status for material ends and by copyrighting their cultural practices as intellectual property Building on ethnographic case studies from Kenya Nepal Peru Russia and many other countries this collection poses the question Does the turn to the incorporation and commodification of ethnicity really herald a new historical moment in the global politics of identity

Imagined Australia Renata Summo-O'Connell, 2009 From Terra Nullius to Land of Opportunities and Last Frontier the European dream has constructed and deconstructed Australia to feed its imagination of new societies At the same time Australia has over the last two centuries forged and re invented its own liaisons with Europe arguably to carve out its identity From the arts to social sciences to society itself a complex dynamic has grown between the two continents in ways that invite study and discussion A transnational research group has begun its collective investigation project of which this first volume is the outcome The book is a substantial multidisciplinary collection of current research and offers critical perspectives on culture literature and history around themes at the heart of the Imagined Australia project The essays instigate reflection discovery and discussion of how reciprocal imagining between Australia and Europe has articulated itself and ways and dimensions in which a relationship between communities imagined and not has unfolded

Creativity in Large-Scale Contexts Jonathan S. Feinstein, 2023-11-07 A new model for smarter creativity Innovators and creators work in cultural economic and social contexts that shape their work These contexts are large scale filled with overwhelming multitudes of elements and possibilities but these contexts can be fruitfully mined by creative teams Creativity in Large Scale Contexts by Yale professor Jonathan S Feinstein introduces a groundbreaking new network model to describe how successful innovation can be focused generated and accelerated The book will help teams and organizations innovate smarter and faster Feinstein argues that in

large scale contexts creativity happens most efficiently when it is actively guided by a creative leader or team Guiding creativity involves understanding navigating and actively using the cultural context identifying puzzles and opportunities and spanning these tensions to create novel connections With thoughtful guidance creators and creative teams can find their way through the thicket of possibilities faster smarter and with less waste Creativity in Large Scale Contexts draws on case studies of famous creators including Virginia Woolf Albert Einstein Indigenous artist Clifford Possum transgender activist and engineer Lynn Conway and Twitter cofounder Jack Dorsey Empirically grounded this book will be essential for teaching and managing creativity and innovation and will open new avenues for future intellectual growth and practice in the field
