that Muscovy is no exception In this 1998 book Donald Ostrowski considers the outside origins and influences as well as indigenous origins and development in order that the reader may gain a clearer understanding of Muscovy as a political entity its political institutions and political culture He shows that during the early period of Muscovy 1304 1448 the ecclesiastical and secular institutions were affected by two different outside influences Byzantium and the Qipchaq Khanate respectively In considering these outside influences he has set out to study Muscovy as an integral and important part of world history *New Zealand Slavonic Journal* ,1979 **Russian History through the Senses** Matthew P.
