Porkwalk Thomas Porky McDonald, 2020-10-01 Having packaged his more than 3 100 poems in chronological and themed collections poet writer Thomas Porky McDonald had the idea of putting together a volume of some relevant pieces that feature his lifetime home of Queens New York On addition Porkwalk The Queens Collection utilizes the same formula that McDonald chose in a previous collection based on his 20 years working out of neighboring Brooklyn Dem Poems The Brooklyn Collection The 364 poems contained in this book are divided into sections with old friends his Astoria neighborhood baseball and the losses he has suffered in the mix This collection brings the poet back to where it all began and is thus arguably the most important one to date

A Walk in the City Thomas Porky McDonald, 2014-12-18 A random poem written on a birthday years before finds a new life when a series of interrelated profiles come together in a most unexpected way This is what constitutes A Walk in the City writer poet Thomas Porky McDonald s New York City travelogue A compilation of pieces written originally for an internal website at his workplace in New York City transit this volume shares brief yet effective vignettes on a number of various sites in the city some famous and others hardly on the radar It is dedicated to the average tourist and or the lifetime New Yorker McDonald s love of the place he s called home for his entire life comes across most vibrantly Though the outer boroughs are touched upon transiently this collection of go to sketches and reminisces is centered mainly in Manhattan which as any New Yorker knows is the place that all those who live in Brooklyn Queens the Bronx and Staten Island call The City From the world famous sites like the Empire State Building and Times Square to hidden jewels like the New York City Transit Museum the Theodore Roosevelt Birthplace or the New York City Fire Museum A Walk in the City provides something for anyone seeking interesting pit stops in New York whether planned ahead or merely in the course of a day already begun The book is subtitled

An Incomplete Tour since it is McDonald's contention that no one could truly put every point of interest in the city into a single volume Here an unencumbered collection of articles attempts to send the reader out in search of something that cannot be explained without actually having the experience of being there In any case this is a city wanderers bonanza one that should be considered by anyone who aspires to explore the diverse venues located in the greatest city in the world

On the Tour Thomas Porky McDonald, 2017-09-25 The second volume of mini travelogues by poet and writer Thomas Porky McDonald On the Tour More City Walks picks up where A Walk in the City An Incomplete Tour left off This time in addition to some previously unmentioned museums a number of parks historic houses theaters and New York landmarks join in the mix From Washington Square Park to the Old Town Bar Restaurant to the Louis Armstrong House to the Queens Bronx and Prospect Park Zoos The City is well represented in McDonald's brief vignettes Once again a Walking Distance addendum is featured in order to give the traveler an idea of the most possible sites one can see in a given day Another useful and understated guide to the writer's lifetime home

Poet in the Grandstand Thomas Porky McDonald, 2010-11-18 In the area of ballpark hopping there have been a number of accounts written recorded or talked about in recent times sometimes for a cause or others just as a gimmick Through Poet in the Grandstand poet and writer Thomas Porky McDonald gives us a most unique twist on a preoccupation which has grown in the past few decades in the wake of the closings of classic old yards and the birth of the more entertainment and nostalgia driven open air parks From his first trip in 1990 to the fabled Comiskey Park of Shoeless Joe Jackson Bill Veeck and the Go Go Sox on through to the 2010 opening of Minnesotas fabulous Target Field featuring the modern M M Boys Joe Mauer and Justin Mournau McDonald offers up a book that is part travelogue and part poetic tribute to all the places that men and women have gone to over the years for a very personal sense of joy This journey done methodically over two decades picks up steam as the chapters begin to flow The effect of McDonald himself clearly growing as a poet through the years is accentuated by the fact that more and more pieces are written in the later trips The end result is a most interesting volume of not just ballparks but Americana as numerous attractions taken in during those ballpark weeks and weekends are also noted and or dissected For fourteen seasons on his own and then six more accompanied by friend and confidant Adam Boneker McDonalds travels highlighted by over 300 poems can take the reader back to a simpler time or into the possibilities of the future In chapter and in verse Poet in the Grandstand has something for both the baseball enthusiast and the curious traveler Fans of the game and lovers of the road will each find much to offer within these pages

Poet in the Parks Thomas Porky McDonald, 2021-07-15 After going to various states on the Major League landscape over 21 seasons poet writer Thomas Porky McDonald came upon the notion of continuing to tour the rest of the contiguous United States using Minor League parks as a starting point A pair of Western tours with his niece Jaclyn and her son Alex as well as a stop in Graceland with his sister Patti would be in the mix with each stop bringing out more of McDonald s signature poetry Poet in the Parks is a sequel of sorts as the earliest trips chronicled feature returns to Major League parks with his Poet in the Grandstand road partner Adam Boneker who later hits the Minors trail with McDonald as well as a stop

in New Orleans during the time of a World Pandemic Ultimately this second travel poetry volume is merely a quest to savor the American landscape no matter how many cities states parks and places of interest you pass through along the way
